It means the form of football that the most universal word used in Sports commonly is football. In the United States, it is known as soccer in many countries, gridiron football in America, Canadian football in Canada, Australian rules football in Australia, rugby football in the United Kingdom, rugby league in the United Kingdom, and Gaelic football in Ireland. These various forms of football share the same roots and are known as football. There are a number of references to traditional ancient or prehistoric ball games in different parts of the world. Codification of the games at English universities during the 19th century. The modern influence of the British Empire led to these rules of football in different areas of British influence, and the directly inherited Empire. By the end of the 19th century, distinct regional developments of Gaelic football for example, had incorporated the rules of football games in order to maintain their heritage. In 1888, the Football League was founded in England, becoming the first of many professional football competitions. During the 20th century, various kinds of football grew to become the most universal team sports in the world. Football is the world's most popular game in number of participants and spectators. Simple in terms of rules and equipment, the sport can be played in almost any environment, from school playgrounds to beaches. Football governs the body of the Fédération Internationale de Football Association (FIFA). It estimated that at the turn of the 21st century, there were approximately 250 million footballers and over 1.3 billion people watched football in 2010, a combined television audience of more than 26 billion watched football's premier tournament, the UEFA Champions League World Cup finals.
