Christians are facing a unique challenge in the 21st century Will we leave a tangible reminder of our faith Will we be able to transfer a vibrant picture of the Christian faith to the next generation Will our children and grandchildren treasure our faith Will they have the tools to defend the truthfulness of Christianity If Christians are going to leave footprints of faith that can withstand the challenges of our time we must evaluate our faith through the lens of the skeptical questions of our secular culture In other words we Christians cannot leave a clear footprint of our faith without giving answers to the challenging issues of our day Our children our family friends and our neighbors will increasingly be unable to embrace their faith unless they are given practical and relevant tools to answer key questions This book is designed to help you defend your Christian faith and in the process leave a footprint for generations to admire and follow The topics addressed in this book are not confusing or over your head This book looks at ten vital footprints or steps in leaving a legacy of faith Each of these topics has been shared with churches throughout the United States all of them with a favorable response by the ordinary people in the pew

THE FOOTPRINTS OF FAITH
PROPHET ABRAHAM THE INTERCESSOR
Genesis 18 16 33 20 7 Abraham s guests were about to leave him and make their way to Sodom to execute judgment against that wicked city Although the two angels went on their way to Sodom Genesis 18 22 19 1 the Lord continued to speak with Abraham and shared with him what He intended to do at Sodom The Lord revealed His plans to Abraham because He trusted him v 19 True intercession always begins with a revelation from God God revealed to Abraham that He was going to destroy Sodom and Gomorrah Immediately Abraham thought of his nephew Lot and was concerned for his welfare To intercede for others effectively we need God s revelation but we also need humility in approaching God Abraham recognized that he was just human and yet took it upon himself to speak to the Lord There is almost a sense of Who am I that I should plead with God Because God has given someone a revelation does not make that person more spiritual Satan fell because of pride and he will subtly seek to make intercessors proud because of the revelations that God gives them With a revelation and humility Abraham approached the Lord boldly with his request Abraham based his intercession on the character of God asking the question Shall not the Judge of all the earth do right Genesis 18 25 but he also misunderstood God fearing that He might sweep away the city and not spare the righteous in it God is righteous and will not allow the righteous to be destroyed with the wicked God is unwilling to see even one person suffer unjustly Abraham continued to plead with the Lord until he knew that Lot would be safe Here is a picture of the intercessor s burden The encouragements to intercessory prayer God made known to Abraham what He was about to do and thus invited his intercession He has made known to us the purposes of His government He has disclosed the issues of sin and holiness Therefore today He s inviting us to intercede with Him on behalf of sinful men We see here the qualifications for intercessory prayer Power in prayer is in proportion to holiness The best men are nearest to God and most powerful in prayer

Faith strengthened his petition Humility made his approval pleasing to God Love enforced his prayer Earnestness characterized his intercession Find out more about Abraham and his walk of faith in *The Footprints of Faith* *Footprints of Faith - Scholar's Choice Edition* David Paulson, 2015-02-19 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Footprints of Faith* David Ettinger, 1994
