Footprints Of The Soul:

Reason and Dogma, Or, Footprints of a Soul Henry Truro Bray, 1897 *Footprints on My Soul* Monique Markee Mitchell, 2005-02 Footprints on my Soul is a collection of earlier writings and new beginnings It challenges the audience to see life as the author does If we assume that life is grand the extension of a hand or a hug is needed more because life does not come in a pretty little package The words call for people to see that behind the smile is pain and then growth and sometimes more pain Footprints on my Soul are words that people want to say or express but cannot or won't This book invites people to stop thinking believing and acting mainstream however acknowledge that without the blueprints of life handed to you at birth your best bet is to live life well and remember these words could mirror you and it will be then that you want Him to carry you and the words to embrace you with extended hands and hugs Walk gently on everyone's soul

Footprints of the Soul Mark Fear, 2014-05-12 Life is a journey of many footprints Many happy footprints many painful footprints many memorable footprints but all are footprints And somehow somehow they all leave footprints in our soul That's what this poetry book is all about These poems that you will read are not just the footprints that I have encountered but they are also the ones you have encountered as well May these pages make you laugh May they make you cry Some pages will even make you blush But all these pages will make you reflect on the footprints of your soul **Soul's Mirror** Pasquale De Marco, Journey into the depths of the human soul with Soul's Mirror a mesmerizing collection of poetry that explores the complexities of the human experience through the lens of introspection and self discovery Within these pages readers will find a tapestry of emotions dreams and aspirations woven together by the threads of shared humanity The poets of Soul's Mirror invite us on an introspective odyssey delving into the labyrinthine corridors of the heart where love and loss dance in delicate balance and where dreams and aspirations flicker like distant stars With poignant grace and profound insight these poets capture the ephemeral nature of human existence reminding us of the fleeting beauty of life and the inevitability of our own mortality Yet amidst the contemplation of life's transient nature Soul's Mirror also celebrates the resilience and indomitable spirit of the human soul Its verses pay homage to the strength we find in vulnerability the courage we summon in the face of adversity and the unwavering hope that carries us through the darkest of times As we journey through the chapters of Soul's Mirror we encounter a kaleidoscope of emotions from the depths of despair to the heights of ecstasy We witness the unfolding of love stories both joyous and heartbreaking and we bear witness to the struggles and triumphs of the

human spirit With each turn of the page Soul s Mirror serves as a mirror reflecting the depths of our own souls and illuminating the path toward self understanding and enlightenment This collection of poetry is an invitation to embark on a profound journey of self discovery to explore the hidden corners of our own consciousness and to embrace the beauty and complexity of being human If you like this book write a review **Footprints of the Soul** Betty Jo Mitchell,2009-01-01

Soul Workout Janice Speddings, 2013 Using the words soul and workout in the same sentence may seem implausible and stretching artistic licence too far but in the Soul Workout book the improbable becomes believable and the only stretching to be done is metaphorical An imaginary visit to the gym for a workout becomes a metaphor for the spiritual disciplines of Bible reading prayer and contemplative reflection Going to the gym may not be everybody's cup of tea but when the idea is transposed into the metaphor everyone can breathe a sigh of relief lycra and dumbbells will not be required What is needed is a willingness to be open to prayer spiritual reflection and a desire to look for creative ways to deepen your faith journey this is what Soul Workout offers By methodically guiding you through the metaphor Janice Speddings shows how different aspects of the gym have their spiritual counterpart so cardiovascular exercise is likened to time spent building a deeper relationship with God the heart and life blood of the Christian faith while spiritual weight resistance exercise is seen as a way of learning to carry life's burdens with added strength and resilience You need no previous experience of contemplative prayer as all the exercises are fully explained and offered at basic or advanced levels Part 1 includes a helpful chapter for those with little or no experience of planning and running a group event while part 2 works through the metaphor step by step including spiritual reflections as exercises extra tips are offered for group leaders Part 3 deals with hanging on to the feel good factor after the workout is finished As a tried and tested metaphor this inspirational book provides a down to earth easy to read resource for groups and individuals alike an essential companion for your spiritual journey

Dark Night of the Soul St. John of the Cross, 2012-03-06 In this spiritual masterpiece a classic of Christian literature and mysticism the author addresses pride avarice envy and other human imperfections describing methods of conversion through prayer submission and purification

Treasure of the Soul Scott Charles Bradley, 2016-07-08 There are some who might say adventure is a young man's game but is age the only indicator of youth Can someone be brave and wild at an older age as well especially if filled with passion Along the beaches of the Dead Sea a group of varied archaeologists come together to seek adventure no matter the cost Jon and his team are mostly young but aging Professor Craft isn't one to let the young people take charge It's been years since his last big find and he's hungry for glory

once again perhaps in the form of a Dead Sea Scroll But the team soon stumbles upon ancient puzzles and mystery that could very well end in death The professor might be weaker in body but he is strong in mind and wiser than his younger cohorts As the dig unearths secret after secret he feels a great find is close at hand Yet how far are these scientists willing to go to be the one to make the big discovery Will ambition and intrigue turn to murder in the name of greed *Dead Soul* James D. Doss,2025-09-23 When tribal chairman Oscar Sweetwater asks Charlie Moon to look into the murder of a fellow Ute Billy Smoke Charlie agrees but he doesn't expect to find anything After all Billy's boss U S Senator Patch Davidson nearly died in the ambush that night too so the FBI handled the investigation and it's still unsolved The senator does happen to be Charlie's neighbor though their ranches share a fence line so maybe the senator will be more forthcoming with him than he was with the FBI Meanwhile Charlie's aunt Daisy an elderly tribal shaman whose visions are looked upon by Charlie with skepticism even when they ring true has seen a woman desperate for Charlie's help Daisy begins to badger Charlie to look for her even though she can't tell him her name where to look or why she's in trouble All in all it's shaping up to be another season in which the gentleman rancher spends more time being a reluctant investigator than working on his ranch helping with the cattle or in the hunt for Two toes the bobcat who's been sneaking up on his men at work And truth be told he'd rather go after the cat who doesn't seem as dangerous as Senator Davidson's enemies or Billy Smoke's business connections James Doss's novels are consistently acclaimed for their combination of tight suspenseful plotting and lyrical authentic rendering of Native American themes and images and *Dead Soul* is no exception
