

Footprints in the sand

One night in a dream,
I walked with the Lord
by the beach.

There were two footprints,
mine and the Lord's.

But during tough times,
I just saw mine and I wondered
why.

So I asked the Lord,
"Why leave me alone when
I was down?"

The Lord said, "My precious child,
I never left you
during your times of trial
and suffering,
When you saw only one set of
footprints,
It was then that I carried you."

Arthur James Wells,2009 Negotiating a Presence-Centred Christian Counselling Simon Shui-Man Kwan,2016-04-26 How
Christian is Christian counselling In what ways should one s counselling practice be conducted in order to fulfil one s role as
a Christian counsellor Is there a counselling practice that truly penetrates into the secular approaches while remaining
faithful to the Christian traditions of healing What are the theological roots of secular counselling How may secular
counselling both reinforce and challenge the Christian faith In answering these questions this book engages readers to
navigate between two frames of reference one Eastern secular social scientific and modern the other Western Christian
theological and traditional At levels of both theory and practice this book undertakes to integrate synthesize hybridize revise
dichotomize and antagonize the two It proposes a revised presence centred counselling approach which may serve as a
perspective that helps us to see things in more depth as we shuttle back and forth between the two frames This book thus
negotiates a revised presence centred form of counselling that is theologically grounded social scientifically informed and
cross culturally sensitive As the author s counselling practice proceeds mainly in societies where Chinese is the majority the
cross cultural examinations and proposals offered in this book have been bred in a space where Chinese culture meets the
Christian Protestantism in particular West This book is an outgrowth of the author s experience teaching Christian
counselling courses for 17 years and his 30 year clinical practice experience in places where East meets West namely Hong
