For America Our Last Hurrah:

The Dismissing of America's Covenant with God Miles Huntley Hodges, 2020-04-30 This volume looks at how as America went through the 1960s its achievement of superpower status invited both deep Progressive political changes at home Johnson's Great Society and aggressive Democratic involvement abroad Vietnam in both instances resulting in social catastrophe The narrative continues describing the battle to hold America's traditional Christian political moral foundations based on the American family and local community against the urge of Congressional Progressivists a Liberal media idealistic academics a Boomer generation and federal judges to rewrite those same standards along more Secular lines It covers Nixon's diplomatic successes abroad yet his humiliation at home Watergate the resultant collapse of all social order in Indochina with the retreat of America from the region Carter's discovery that diplomatic niceness is not a good substitute for real power the restoration of American national pride during the Reagan Bush Sr and Clinton years thanks to strong but carefully measured policies the disaster that hit when Bush Jr decided to democratize Afghanistan and Iraq the deep Change that Obama attempted to bring to a centuries old traditional America and finally the arrival of Trump deeply contested by political adversaries It looks at the moral spiritual character rather universally Christian of America's national leadership since 1960 and how that had its own impact on the country even during this distinctly post Christian period The narrative concludes with a review of the various political moral lessons we should draw from America's own national narrative particularly the necessity of getting back into an all important Covenant relationship with God

A Pocket History of the Civil War Martin Graham, 2011-08-20 A unique collection of facts trivia and lore about the US Civil War Whether novice or buff readers across the spectrum will find unique and entertaining bits of trivia facts and lore about key American Civil War battles and leaders in A Pocket History of the Civil War a collection of the unusual from author Martin F Graham From the identification of key troop locations during seminal battles of the Civil War to details about monuments facts about Union and Confederate officers readers will find myriad bits of fun and fascinating information in this unique collection Quizzes peppered throughout the book allow readers to test their knowledge

The Haunted Bookshop Christopher Morley, 1921

The Cold War and the Color Line Thomas BORSTELMANN, 2009-06-30 After World War II the United States faced two preeminent challenges how to administer its responsibilities abroad as the world's strongest power and how to manage the rising movement at home for racial justice and civil rights The effort to contain the growing influence of the Soviet Union resulted in the Cold War a conflict that emphasized the American commitment to freedom The absence of that freedom for nonwhite American citizens confronted the nation's leaders with an embarrassing contradiction Racial discrimination after 1945 was a foreign as well as a domestic problem World War II opened the door to both the U S civil rights movement and the struggle of Asians and Africans abroad for independence from colonial rule America's closest allies against the Soviet Union however were colonial powers whose interests had to be balanced against those of the emerging independent Third World in a

multiracial anticommunist alliance At the same time U S racial reform was essential to preserve the domestic consensus needed to sustain the Cold War struggle The Cold War and the Color Line is the first comprehensive examination of how the Cold War intersected with the final destruction of global white supremacy Thomas Borstelmann pays close attention to the two Souths Southern Africa and the American South as the primary sites of white authority s last stand He reveals America s efforts to contain the racial polarization that threatened to unravel the anticommunist western alliance In so doing he recasts the history of American race relations in its true international context one that is meaningful and relevant for our own era of globalization Table of Contents Preface Prologue 1 Race and Foreign Relations before 1945 2 Jim Crow s Coming Out 3 The Last Hurrah of the Old Color Line 4 Revolutions in the American South and Southern Africa 5 The Perilous Path to Equality 6 The End of the Cold War and White Supremacy Epilogue Notes Archives and Manuscript Collections Index Reviews of this book In rich informing detail enlivened with telling anecdote Cornell historian Borstelmann unites under one umbrella two commonly separated strains of the U S post WWII experience our domestic political and cultural history where the Civil Rights movement holds center stage and our foreign policy where the Cold War looms largest No history could be more timely or more cogent This densely detailed book wide ranging in its sources contains lessons that could play a vital role in reshaping American foreign and domestic policy Publishers Weekly Reviews of this book Borstelmann traces the constellation of racial challenges each administration faced focusing particularly on African affairs abroad and African American civil rights at home rather than highlighting the crises that made headlines By avoiding the crutch of turning points for storytelling convenience he makes a convincing case that no single event can be untied from a constantly thickening web of connections among civil rights American foreign policy and world affairs Jesse Berrett Village Voice Reviews of this book Borstelmann analyzes the history of white supremacy in relation to the history of the Cold War with particular emphasis on both African Americans and Africa In a book that makes a good supplement to Mary Dudziak s Cold War Civil Rights he dissects the history of U S domestic race relations and foreign relations over the past half century This book provides new insights into the dynamics of American foreign policy and international affairs and will undoubtedly be a useful and welcome addition to the literature on U S foreign policy and race relations Recommended Edward G McCormack Library Journal

Full Naval Honors Robert Macomber, 2023-04-01 The memoirs of RADM Peter Wake USN steam into the twentieth century in Full Naval Honors This final volume finds the admiral dealing with European and Japanese spies and assassins in the Pacific while on a diplomatic recon mission ahead of the Great White Fleet s epic 1907-09 voyage around the world The action continues at the beginning of World War I as Wake clashes with a German espionage network in the Central American jungle The reader will be at Wake s side when he visits his friend Theodore Roosevelt s New York home in 1918 as that family learns of their tragic war loss Following that war readers will learn the poignant story of Peter Wake s final years in Key West with his beloved Maria But Peter Wake s story doesn t end there for the call of duty lives on in his descendants as they are

plunged into the midst of World War I World War II Vietnam and the First Gulf War From a clandestine mission by Wake's son inside the Crimea at the chaotic end of World War I and the start of the Russian Civil War to a World War II minesweeper commanded by Wake's grandson in 1941 at the doomed Philippines the reader is enveloped in a new era of adventure with the Wake family On the other side of World War II we find another Wake grandson training Cuban sailors in anti submarine warfare giving them critical skills for their famous 1943 victory against a Nazi U boat on the Cuban coast The Wake legacy continues as Wake's great grandson skips a Swift boat in 1968 Vietnam later becoming a CIA operative with a crucial role in the 1990 Iraqi invasion of Kuwait With the 2023 commissioning of Peter Wake's great great great grandchild as a U S naval officer his descendants continue their service to Navy and Nation into the uncertain twenty first century Some things never change however Shadowy espionage world changing events crucial split second decision making gut wrenching combat tragic losses and great loves and above all a never ending sense of honor and duty they all form part of the Wake family's character as America depends on each generation of them Full naval honors indeed

Vikings across the Atlantic Daron W. Olson, 2012-12-11 Around the year 1000 a Viking ship landed on the Atlantic coast of what would one day be North America Nearly a millennium later on June 7 1945 Norway's King Haakon VII returned from exile under guard of the American Ninety ninth or Viking Battalion In *Vikings across the Atlantic* Daron W Olson reveals how these two moments form narrative poles for the vision of a Greater Norway that expanded the boundaries of the Norwegian nation Looking at matters of religion literature media and ethnicity Olson explores how Norwegian Americans' myths about themselves changed over time in relation to a broader Anglo American culture while at the same time influencing and being influenced by the burgeoning national culture of their homeland Beginning in the 1920s homeland Norwegian identity makers framed the concept of the Greater Norway which viewed the Norwegian nation as having two halves Norwegians who resided in the homeland and those who had emigrated from Norway especially those in America Far from being merely symbolic this idea Olson shows was actually tested by the ordeal of World War II when Norwegians the world over demonstrated their willingness to sacrifice and even die for the Greater Norway In its transnational approach Olson's book brings a new perspective to immigrant studies and theories of nationalism *Vikings across the Atlantic* depicts the nation as a larger community in which membership is constructed or imagined a status of belonging defined not by physical proximity but through qualities such as culture and shared traditions

Drugs and Thugs Russell Crandall, 2020-10-27 A sweeping and highly readable work on the evolution of America's domestic and global drug war How can the United States chart a path forward in the war on drugs In *Drugs and Thugs* Russell Crandall uncovers the full history of this war that has lasted more than a century As a scholar and a high level national security advisor to both the George W Bush and Obama administrations he provides an essential view of the economic political and human impacts of U S drug policies Backed by extensive research lucid and unbiased analysis of policy and his own personal experiences Crandall takes readers from Afghanistan to Colombia

to Peru and Mexico to Miami International Airport and the border crossing between El Paso and Juarez to trace the complex social networks that make up the drug trade and drug consumption Through historically driven stories Crandall reveals how the war on drugs has evolved to address mass incarceration the opioid epidemic the legalization and medical use of marijuana and America s shifting foreign policy *Making the Irish American* J.J. Lee, Marion R. Casey, 2007-03 Explores the history of the Irish in America offering an overview of Irish history immigration to the United States and the transition of the Irish from the working class to all levels of society **We Were Eight Years in Power** Ta-Nehisi Coates, 2018-10-30 In this urgently relevant collection featuring the landmark essay The Case for Reparations the National Book Award winning author of *Between the World and Me* reflects on race Barack Obama s presidency and its jarring aftermath including the election of Donald Trump New York Times Bestseller Finalist for the PEN Jean Stein Book Award the Los Angeles Times Book Prize and the Dayton Literary Peace Prize Named One of the Best Books of the Year by The New York Times USA Today Time Los Angeles Times San Francisco Chronicle Essence O The Oprah Magazine The Week Kirkus Reviews Kirkus Reviews starred review We were eight years in power was the lament of Reconstruction era black politicians as the American experiment in multiracial democracy ended with the return of white supremacist rule in the South In this sweeping collection of new and selected essays Ta Nehisi Coates explores the tragic echoes of that history in our own time the unprecedented election of a black president followed by a vicious backlash that fueled the election of the man Coates argues is America s first white president But the story of these present day eight years is not just about presidential politics This book also examines the new voices ideas and movements for justice that emerged over this period and the effects of the persistent haunting shadow of our nation s old and unreconciled history Coates powerfully examines the events of the Obama era from his intimate and revealing perspective the point of view of a young writer who begins the journey in an unemployment office in Harlem and ends it in the Oval Office interviewing a president We Were Eight Years in Power features Coates s iconic essays first published in *The Atlantic* including Fear of a Black President The Case for Reparations and The Black Family in the Age of Mass Incarceration along with eight fresh essays that revisit each year of the Obama administration through Coates s own experiences observations and intellectual development capped by a bracingly original assessment of the election that fully illuminated the tragedy of the Obama era We Were Eight Years in Power is a vital account of modern America from one of the definitive voices of this historic moment **Left of the Color Line** Bill V. Mullen, James Smethurst, 2012-01-01 This collection of fifteen new essays explores the impact of the organized Left and Leftist theory on American literature and culture from the 1920s to the present In particular the contributors explore the participation of writers and intellectuals on the Left in the development of African American Chicano Chicana and Asian American literature and culture By placing the Left at the center of their examination the authors reposition the interpretive framework of American cultural studies Tracing the development of the Left over the course of the last century the essays connect the Old Left of the pre World War II era to

the New Left and Third World nationalist Left of the 1960s and 1970s as well as to the multicultural Left that has emerged since the 1970s Individual essays explore the Left in relation to the work of such key figures as Ralph Ellison T S Eliot Chester Himes Harry Belafonte Amrico Paredes and Alice Childress The collection also reconsiders the role of the Left in such critical cultural and historical moments as the Harlem Renaissance the Cold War and the Black Arts Movement of the 1960s and 1970s The contributors are Anthony Dawahare Barbara Foley Marcial Gonzlez Fred Ho William J Maxwell Bill V Mullen Cary Nelson B V Olguin Rachel Rubin Eric Schocket James Smethurst Michelle Stephens Alan Wald and Mary Helen Washington

From Grief to Glory Otto Rieke II, 2011-05-25 Cataclysmic events some representing lifes most grievous tragedies have struck Otto Riekes family Tragedy and grief viewed retrospectively have rendered the subsequent glory of life all the more glorious Life would have been unlivable and this book unreadable were they a mere cosmic pity party After enduring a full circle along the rim of hell on Earth and having survived almost intact hopefully this book will portray the Riekes ascension to the glory that has been most of the familys and Otto s own precarious existence on planet Earth The author s essentially privileged fulfilling and competitive existence prior to the anguishing events of mid life are narrated fully from birth with a comedic flair and did prepare him for the survival of the really tough stuff The Riekes did not just endure it all but have thrived and have ascended time and again Life continues as a search for the ultimate Truth and for the Glory that is only Gods to possess completely The family lives to seek its share of that glory It is Otto s hope that this book is fun and non controversial He has attempted to accomplish that by staying on topics about which he claims expertise politics religion and sex If anything he says offends you then you need to either 1 Repent OR 2 Sue him He apologizes only to those who were not offended but who should have been The author further hopes that you take the slight as it was intended and hurt all the more However seriously it is also hoped that this book is as entertaining as the exuberant feeling that its writing experience has given Otto Family is who the Riekes are Family is the root of our society and the family home is the first and most important school that our children will forever attend Our parents are the first and the most important teachers that our children will forever have Otto s stunning wonderful wife of an earlier twenty five years and of such unpretentious beauty Mary Beth and Otto raised five absolutely beautiful children all of whom have encountered life very successfully They are successful most of all by being good and loving people as well as in all their spiritual academic athletic personal and professional endeavors All of the Rieke children graduated from St Peters Catholic grade school and local high schools Rockhurst St Teresas and Notre Dame de Sion all of which are in Kansas City Mo They and their spouses subsequently have graduated from various universities including Rockhurst University Central Missouri State University Tulsa University Syracuse University School of Journalism Missouri University Medical School St Louis University The Medical School of Washington University in St Louis Dartmouth College Medical School and finally a post residency Fellow at the Harvard School of Medicine The Rieke children including their respective spouses are blessed beyond what would seem possible all in

one family The calamities referred to above and subsequent grief have chronologically seemed to coincide with and maybe have been the genesis of a subsequently inspired inner spiritual strength indeed an almost supernatural strength to survive Persistent strings of well earned successes at all personal levels of character and by all worldly measure might well be rooted in the strength of the Riekes souls to survive The family members have ascended to new lives with the strength to carry on to love and indeed to thrive That and the authors love relationships with them all is the grandeur the glory of this book No names have been changed to protect the innocent there are none Otto has an unparalleled flair to entertain and to tell riveting stories with great passion He will seize your very soul If you can remain calmly seated while reading this book then it is a failure Get ready for the ride

Be The Revolution: How Occupy Wall Street and the Bernie Sanders Movement Reshaped American Politics Jay Ponti ,2023-10-19 BE THE REVOLUTION HOW OCCUPY WALL STREET AND THE BERNIE SANDERS MOVEMENT RESHAPED AMERICAN POLITICS Most people think that Occupy Wall Street failed and Bernie Sanders s meteoric rise to the national stage was simply a viral phenomenon that captured the hearts of unrealistic Millenials Be The Revolution reveals how Occupy organizers strategically activated their national network of activists to fuel the grassroots movement that propelled the Senator s campaign to change the course of American history This is an inside journey through the key events of the 2016 and 2020 primary races It follows a secret group of Sanders influencers called Bernie s Avengers as they challenge the Democratic establishment and then join the historic pipeline fight at Standing Rock This book also offers important insights into the rise of QAnon and neofascism Be The Revolution is a gonzo adventure into the heart of the grassroots movements that defined a decade a memoir that also contains a theory of change to guide the development of the movements urgently needed to take on national and global crises PRAISE FOR BE THE REVOLUTION Be The Revolution offers Important insights into some of the most significant developments in modern America based on intimate knowledge and direct participation Noam Chomsky We should thank Jay for his life s work As an organizer he is a wonder to watch in action This accounting of events of the last ten years is a profound and seismic piece of American political and cultural history that has gone all but unnoticed in the mainstream Be The Revolution is not about a battle of right or left but the battle for humanity and the natural world The timing of this book couldn t be more right nor the message more on point Ken Burns should do a doc on this Mark Ruffalo Jay Ponti is a legendary long distance revolutionary thinker and activist whose vision analysis and courage is a beacon of hope in our bleak times Don t miss this jewel of a book Dr Cornel West This book is a great history of progressive action from the Occupy moment to the present clear invigorating and encouraging of future efforts We owe Jay Ponti a big thank you for his tireless efforts to change the American political landscape and thus to help save Earth s biosphere from a catastrophic mass extinction event It s crucial work he describes here and joining the effort can give anyone a project that includes meaning and hope Kim Stanley Robinson Be The Revolution is an important first hand account of the efforts led by Occupy Wall Street and Bernie Sanders inspired activists to resist the forces of

neoliberalism and mobilize for an equitable future This history is crucial to understand if the human race is going to save itself from the climate emergency and rise of neofascism Thom Hartmann Be The Revolution is a love letter to our movements an honest and searching testimonial from the heart of the grassroots Jay Ponti is a ride or die revolutionary who has given us a glimpse into some of the most important moments of political struggle in the last decade This is the book the establishment doesn't want you to read Nina Turner The prevailing narrative of American politics is not the real story It obliterates the deeper reality of who we are as people and the overarching meaning of struggles for justice Beneath the corporate created hype and the games of our political establishment lie the activism and sacrifices of real people doing the gut wrenching work of trying to further and save our democracy Be The Revolution tells the story of those people Marianne Williamson Wopila Thank you for writing the blow by blow actions of the War we faced at the Oceti Sakowin Camp Standing Rock Jay Ponti had great influence on the two Declarations written at Oceti Sakowin particularly the Divestment Treaty among Nations The First Declaration defies the Doctrine of Discovery and illegal actions used by it The second called for Divestment by countries from fossil fuels especially by DAPL and all other oil corporations Thank you for your written words Phyllis Young American Indian Rights Activist Stories are vitally important when it comes to the thing called politics Jay Ponti has done everyone on the left a remarkable service by telling stories that could so easily be lost Tim Morton

Within Our Gates Alan Gevinson, 1997 These volumes are endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr

Congressional Record United States. Congress, 1982 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873

IN HIDING Eugene J. Rudder, 2025-02-16 When I first began this book on February 5 2022 I never imagined it to be the project that it has become While I have always believed possessed a penchant for writing I never however pursued it on the scale that I have here I did take to writing some would say ad nauseum on Facebook where I posted numerous pieces on my brand of politics I also regrettably used it as a place to post my sorrow at losing one friend or another At the tender age of seventy four I find that happening more and more But I am getting away from the reasons for this book At its beginning the book seems more like a treatise on current events As one reads the first chapter however readers will quickly conclude that they are instead reading a work of fiction Obviously the sitting Republican president did not declare martial law nor did he remain in office after he lost an election that ended his presidency This is why I never refer to him by his real name although in the interest of fiction I also afforded fictional names to all the other characters whether they are real or not It just seemed easier and less liable to use fictional names To that end some of the international events are also fictional although the Russian invasion of Ukraine really did happen and dishearteningly is still ongoing to

this day In January of 2023 I had a massive stroke and for the first months of 2023 I was bedridden unable to walk talk use my hands or even sit up My real recovery began in April of that year and late in 2023 I began to write again It is my hope that if this book ever sees the light of day those on either side of the political spectrum will accept the fact that American democracy is something to be cherished in the case of past wars between 25 000 and 70 000 of Americans made the ultimate sacrifice for it Therefore it should be apparent that there is a clear and present danger to a society ruled by martial law The president at the time Donald Trump did not fortunately declare martial law however he successfully ran for president again in 2024 and was returned to the White House for a second term Now that he is president again this book may turn out not to be a work of fiction at all God help us [The Columbia Companion to American History on Film](#) Peter C. Rollins,2004-03-24

American history has always been an irresistible source of inspiration for filmmakers and today for good or ill most Americans sense of the past likely comes more from Hollywood than from the works of historians In important films such as The Birth of a Nation 1915 Roots 1977 Apocalypse Now 1979 and Saving Private Ryan 1998 how much is entertainment and how much is rooted in historical fact In The Columbia Companion to American History on Film more than seventy scholars consider the gap between history and Hollywood They examine how filmmakers have presented and interpreted the most important events topics eras and figures in the American past often comparing the film versions of events with the interpretations of the best historians who have explored the topic Divided into eight broad categories Eras Wars and Other Major Events Notable People Groups Institutions and Movements Places Themes and Topics and Myths and Heroes the volume features extensive cross references a filmography of discussed and relevant films notes and a bibliography of selected historical works on each subject The Columbia Companion to American History on Film is also an important resource for teachers with extensive information for research or for course development appropriate for both high school and college students Though each essay reflects the unique body of film and print works covering the subject at hand every essay addresses several fundamental questions What are the key films on this topic What sources did the filmmaker use and how did the film deviate or remain true to its sources How have film interpretations of a particular historical topic changed and what sorts of factors technological social political historiographical have affected their evolution Have filmmakers altered the historical record with a view to enhancing drama or to enhance the truth of their putative message **The Routledge**

History of Human Rights Jean Quataert,Lora Wildenthal,2019-09-05 The Routledge History of Human Rights is an interdisciplinary collection that provides historical and global perspectives on a range of human rights themes of the past 150 years The volume is made up of 34 original contributions It opens with the emergence of a new internationalism in the mid nineteenth century examines the interwar League of Nations and the United Nations eras of human rights and decolonization and ends with the serious challenges for rights norms laws institutions and multilateral cooperation in the national security world after 9 11 These essays provide a big picture of the strategic political and changing nature of human rights work in the

past and into the present day and reveal the contingent nature of historical developments Highlighting local national and non Western voices and struggles the volume contributes to overcoming Eurocentric biases that burden human rights histories and studies of international law It analyzes regions and organizations that are often overlooked The volume thus offers readers a new and broader perspective on the subject International in coverage and containing cutting edge interpretations the volume provides an overview of major themes and suggestions for future research This is the perfect book for those interested in social justice grass roots activism and international politics and society **Fresh Kills** Martin V.

Melosi,2020-01-28 Fresh Kills a monumental 2 200 acre site on Staten Island was once the world s largest landfill From 1948 to 2001 it was the main receptacle for New York City s refuse After the 9 11 attacks it reopened briefly to receive human remains and rubble from the destroyed Twin Towers turning a notorious disposal site into a cemetery Today a mammoth reclamation project is transforming the landfill site constructing an expansive park three times the size of Central Park Martin V Melosi provides a comprehensive chronicle of Fresh Kills that offers new insights into the growth and development of New York City and the relationship among consumption waste and disposal He traces the metamorphoses of the landscape following it from salt marsh to landfill to cemetery and looks ahead to the future park By centering the problem of solid waste disposal Melosi highlights the unwanted consequences of mass consumption He presents the Fresh Kills space as an embodiment of massive waste linking consumption to the continuing presence of its discards Melosi also uses the landfill as a lens for understanding Staten Island s history and its relationship with greater New York City The first book on the history of the iconic landfill Fresh Kills unites environmental political and cultural history to offer a reflection on material culture consumer practices and perceptions of value and worthlessness **Safire's Political Dictionary** William Safire,2008

Featuring more than one thousand new rewritten and updated entries this reference on American politics explains current terms in politics economics and diplomacy We Count, We Matter Christopher Steed,2018-02-05 This book examines the meaning of Brexit the election of Trump and the rising tide of populist revolt on the right amidst the collapse of the left Exploring the reaction against the establishment or the system the author contends that we are witnessing a new divide between those who wish to see an interconnected world and those who seek distance as transport and technology shrink the world we witness a backlash that favours protectionism and opposes immigration Distance is the new frontier for some remote players are rejected in favour of identities closer to home This divide plays out in relation to the notion of face as individuals react to faceless organisations and processes such as globalisation and automation responding to a sense of alienation on social media and developing a conception of themselves as networked individuals Thus we move towards a type of society characterised not by honour and dishonour or right and wrong but by voice and choice A fascinating and very accessible analysis of the divisions and transformations that have come to dominate the contemporary landscape this book will appeal to political leaders and social scientists with interests in globalisation social movements and social theory
