For Another Flock Daily Advent And Christmas Meditations For Gay And Lesbian Christians:

For Another Flock Jeffrey R. Lea, 2005 For Another Flock provides gay and lesbian Christians with personal and group resources for daily meditation and prayer during the Advent and Christmas seasons The book begins with a short liturgical history of Advent and Christmas and ends with suggestions for family and small group activities for the season Throughout the resource Lea provides contemporary meditations on the Bible readings for Advent and Christmas from a gay man's perspective and invites the reader into their own reflection on the Good News Also included are a small group study guide for the four weeks of Advent a section of morning and evening prayers and a ritual for examination of conscience intended for the development of individual prayer practices during this holy season An appendix outlines the Revised Common Lectionary and the Roman Catholic Lectionary Scripture readings for years A B and C making the book useful and usable for many years

Ministry Among God's Queer Folk, Second Edition Bernard Schlager, David Kundtz, 2019-01-21 This practical pastoral care handbook written by two self-described queer people of faith covers the basic skills that religious caregivers and ministry students need in order to be effective enlightened and supportive pastoral care providers to LGBTQ persons in congregational and other community settings Authors Schlager and Kundtz distinguish pastoral care from pastoral counseling while the latter is reserved for those with special training in the practice of therapy the former can be developed by ministers and lay people with sufficient education and practice This book requires of the reader no previous experience with LGBTQ communities and treats the following topics the definition and functions of pastoral care effective care in challenging times coming out of the closet creating communities of care and caring for a wide variety of LGBTQ relationships The authors provide case studies throughout the book to ground and illustrate their theology of pastoral care Radical Love Patrick S. Cheng, 2011-03 The first introductory textbook on the subject of queer theology Contextual theologies have developed from a number of perspectives including feminist theology black theology womanist theology Latin American liberation theology and Asian American theology and a wide variety of academic and general introductions exist to examine each one However Radical Love is the first introductory textbook on the subject of queer theology In this lucid and compelling introduction Cheng provides a historical survey of how queer theology has developed from the 1950s to today and then explicates the themes of queer theology using the ecumenical creeds as a general framework Topics include revelation God Trinity creation Jesus Christ atonement sin grace Holy Spirit church sacraments and last things as seen through the lenses of LGBT theologians **Reformation of the Heart** Chris Glaser, 2001-01-01 Presents another collection of Christian meditations for gays lesbians and their friends and families starting with Advent and Christmas and continuing throughout the calendar to address Epiphany Lent reformation and more Original The Word is Out Chris R. Glaser, 2012-08-21 Though many think of the Bible as monolithic that is of a single point of view the Bible is rather a compendium of viewpoints on a variety of issues To enter the Bible is like entering any community there may be some common beliefs but there is also

disagreement The dialogue of the Bible therefore invites rather than inhibits further conversation Lesbians and gay men know all too well the experience of having to leave families friends hometowns and even their faith traditions to be blessed as they are Nevertheless many still struggle to maintain an authentic faith that also affirms and recognizes their right to joyously celebrate their biblical heritage Chris Glaser liberates the Bible from those who would hold it hostage to an anti gay agenda In this inspiring and moving collection of 365 daily meditations the Bible s good news comes out to meet us all with love justice meaning and hope

Coming Out to God Chris Glaser,1991-01-01 In this collection of sixty prayers Chris Glaser opens new vistas to us in prayer discipleship and the relationship between spirituality and sexuality This book is a classic in devotional literature which one will return to again and again Merrill M Follansbee co founder of the Sacramento chapter of Parents and Friends of Lesbians and Gays
