WHY MEN FOUGHT IN THE CIVIL WAR

For Cause And Comrades Why Men Fought In The Civil War

Ricardo A. Herrera

For Cause And Comrades Why Men Fought In The Civil War:

For Cause and Comrades James M. McPherson, 1997-04-03 Why did the soldiers of the Civil War Confederate and Union risk their lives through countless bloody battles and four long awful years It is to this question why did they fight that James McPherson America's preeminent Civil War historian turns his attention Drawing on more than 25 000 uncensored letters and nearly 250 private diaries from men on both sides McPherson shows that contrary to what many scholars believe the soldiers of the Civil War remained powerfully convinced of the ideals for which they fought throughout the conflict **For Cause and Comrades** lets these soldiers tell their own stories in their own words in a deeply moving exploration of why they fought this war

What They Fought for 1861-1865 George Henry Davis '86 Professor of History James M. McPherson, James M. McPherson, 1995-03-01 In an exceptional Civil War analysis McPherson draws on the letters and diaries of nearly one thousand Union and Confederate soldiers giving voice to the very men who risked their lives in the conflict

The War that Forged a Nation James M. McPherson, 2015 James McPherson evokes the meaning and significance of the Civil War

The Civil War and the Limits of Destruction Mark E. Neely, 2007-11-30 Neely considers the war's destructiveness in a comparative context revealing the sense of limit that guided the conduct of American soldiers and statesmen Modern overemphasis on violence in Civil War literature has led many scholars to go too far in drawing analogies with the 20th century's total war and the grim guerrilla struggles of Vietnam

The Tangled Web of the Civil War and Reconstruction David Madden, 2015-08-05 This unique collection of writings by the celebrated author David Madden provides a multitude of reflections on the Civil War and Reconstruction from nonfiction to fiction Included are Madden's examination of key works by historians James McPherson and Fletcher Pratt the story of the effort to simultaneously burn nine bridges by nine unionist guerrilla bands in the most complicated and coordinated guerrilla tactic of the war and rediscoveries of both classic and contemporary works of Civil War fiction from William Faulkner Joseph Stanley Pennell and more Alongside these essays are pieces from Madden's Civil War novel Sharpshooter which illustrate the interconnectedness of fiction and nonfiction This meshing of iconoclastic and controversial pieces includes varied perspectives on every aspect of the war and reconstruction from culture and civilian life to an imagining of Abraham Lincoln's critique of how historians have recorded the war and its aftermath By exploring this web of perception we can better understand the war and in turn shed greater light on the present and the future

The Gentlemen and the Roughs Lorien Foote, 2010-06-01 A seminal work on class divisions within the Union Army One of the best examples of scholarship on the social history of Civil War soldiers The *Journal of Southern History* During the Civil War the Union army appeared cohesive enough to withstand four years of grueling war against the Confederates and to claim victory in 1865 But fractiousness bubbled below the surface of the North's presumably united front Internal fissures were rife within the Union army class divisions regional antagonisms ideological differences and conflicting personalities all distracted the army from quelling the Southern rebellion In this highly original

contribution to Civil War and gender history Lorien Foote reveals that these internal battles were fought against the backdrop of manhood Clashing ideals of manliness produced myriad conflicts as when educated refined and wealthy officers gentlemen found themselves commanding a hard drinking group of fighters roughs a dynamic that often resulted in violence and even death Based on extensive research into previously ignored primary sources *The Gentlemen and the Roughs* uncovers holes in our understanding of the men who fought the Civil War and the society that produced them Finalist for the 2011 Gilder Lehrman Lincoln Prize **A Volcano Beneath the Snow** Albert Marrin, 2014 Examines the life of abolitionist John Brown and the raid he led on the United States arsenal at Harpers Ferry West Virginia in 1859 exploring his religious fanaticism and belief in righteous violence And commitment to domestic terrorism **The U. S. Civil War** Robert Grayson, 2015-07 Examines reasons why the major combatants fought in the U S Civil War and how those motivations changed throughout the war **Faith in the Fight** Jonathan H. Ebel, 2010-03-22 Faith in the Fight tells a story of religion soldiering suffering and death in the Great War Recovering the thoughts and experiences of American troops nurses and aid workers through their letters diaries and memoirs Jonathan Ebel describes how religion primarily Christianity encouraged these young men and women to fight and die sustained them through war s chaos and shaped their responses to the war s aftermath The book reveals the surprising frequency with which Americans who fought viewed the war as a religious challenge that could lead to individual and national redemption Believing in a Christianity of the sword these Americans responded to the war by reasserting their religious faith and proclaiming America God chosen and righteous in its mission And while the war sometimes challenged these beliefs it did not fundamentally alter them Revising the conventional view that the war was universally disillusioning Faith in the Fight argues that the war in fact strengthened the religious beliefs of the Americans who fought and that it helped spark a religiously charged revival of many prewar orthodoxies during a postwar period marked by race riots labor wars communist witch hunts and gender struggles For many Americans Ebel argues the postwar period was actually one of reillusionment Demonstrating the deep connections between Christianity and Americans experience of the First World War Faith in the Fight encourages us to examine the religious dimensions of America s wars past and present and to work toward a deeper understanding of religion and violence in American history

Late to the Fight Alexandre F. Caillot, 2025-05-07 In Late to the Fight Alexandre F Caillot explores the combat performance of the Union soldiers who filled newly raised regiments that fought through the Civil War s final year Historians have typically regarded these late enlistees as substandard to those who signed on at the war s start Using the experiences of the 17th Vermont and 31st Maine Volunteer Infantry Regiments to assess the record of late arriving soldiers under fire Caillot shows that these forgotten boys in blue left behind a record of valor and sacrifice essential to achieving the destruction of the Confederacy The Military and the Market Jennifer Mittelstadt, Mark R. Wilson, 2022-10-11 Throughout its history the U S military has worked in close connection to market based institutions and structures It has run systems of

free and unfree labor taken over private sector firms and both spurred and snuffed out economic development It has created new markets for consumer products for sex work and for new technologies It has operated as a regulator of industries and firms and an arbitrator of labor practices And in recent decades it has gone so far as to refashion itself from the inside so as to become more similar to a for profit corporation The Military and the Market covers two centuries of history of the U S military s vast and varied economic operations including its often tense relationships with capitalist markets Collecting new scholarship at the intersection of the fields of military history business history policy history and the history of capitalism the nine chapters feature important new research on subjects ranging from Civil War soldier entrepreneurs to the business of the construction of housing and overseas bases for the Cold War to the U S military s troubled relationships with markets for sex The volume enriches scholars understandings of the depth and complexity of military market relations in U S history and offers today s military policymakers novel insights about the origins of current arrangements and how they might be reimagined Contributors Jessica L Adler Timothy Barker Patrick Chung Gretchen Heefner Jennifer Mittelstadt A Junn Murphy Kara Dixon Vuic Sarah Jones Weicksel Mark R Wilson Daniel Wirls

Transcultural Wars Hans-Henning

Kortüm,2010-10-01 Eine von der Deutschen Forschungsgemeinschaft getragene Forschergruppe an der Universität Regensburg untersucht seit einigen Jahren im Rahmen einer Neuen Militärgeschichte Formen und Funktionen des Krieges im Mittelalter Im März 2004 wurde auf einer international und interdisziplinär ausgerichteten Fachtagung organisiert von Mitgliedern der Regensburger Forschergruppe zusammen mit dem Hamburger Institut für Sozialforschung versucht traditionelle Epochengrenzen wie sie zwischen Mittelalter und Neuzeit nach wie vor bestehen zu überwinden Die Tagungsbeiträge werden in diesem Band veröffentlicht

Confederate Struggle for Command Alexander Mendoza,2008

Though he has traditionally been saddled with much of the blame for the Confederate loss at Gettysburg Lt Gen James Longstreet was a capable resourceful and brave commander Lee referred to Longstreet as his Old Warhorse and Longstreet s men gave him the sobriquet Bull of the Woods for his aggressive tactics at Chickamauga Now historian Alexander Mendoza offers a comprehensive analysis of Longstreet s leadership during his seven month assignment in the Tennessee theater of operations He concludes that the obstacles to effective command faced by Longstreet during his sojourn in the west had at least as much to do with longstanding grievances and politically motivated prejudices as they did with any personal or military shortcomings of Longstreet himself

Interpreting American Military History at Museums and Historic Sites Marc K. Blackburn,2016-04-08

Across the country museums and historic sites welcome visitors into a world long gone but fundamental to America today Military history in particular is etched into our country s culture and the public s imagination The trouble though for museums and historical sites lies in continuing to make it both accessible and relevant to today s audiences Through Interpreting American

Military History at Museums and Historic Sites Marc K Blackburn tackles the difficult task of helping those institutions charged with the care of sites collections and stories that relate to our past relatable while still maintaining the dignity and reverence of their rich history Looking at the various components of American military history such as battles and famous figures Blackburn provides alternatives to the traditional museum experience The 21st century is a culmination of the past and it is more important than ever to remember and learn from the triumphs and failures and this guide provides and explains those strategies for making our stories and collections relevant to modern audiences This books acts as a primer for those unfamiliar with academic trends of the last forty years Historiography of American military history like that of other sub fields shifts as new information surfaces or as perspectives change Blackburn modernizes this area through new interpretative methods as well as through case studies of museums and historic sites that have created programs interpretive media outreach strategies and mission goals updated to meet the needs of today s patrons Armed with these strategies historic institutions will have the foundation to provide compelling relevant and engaging experiences for the 21st century audience

The People's Wars Mark Hewitson, 2017-02-09 How did ministers journalists academics artists and subjects in the German lands imagine war during the nineteenth century The Napoleonic Wars had been the bloodiest in Europe s history directly affecting millions of Germans yet their long term consequences on individuals and on politics are still poorly understood This study makes sense of contemporaries memories and histories of the Revolutionary and Napoleonic campaigns within a much wider context of press reportage of wars elsewhere in Europe and overseas debates about military service and the reform of Germany s armies revolution and counter revolution and individuals experiences of violence and death in their everyday lives For the majority of the populations of the German states wars during an era of conscription were not merely a matter of history and memory rather they concerned subjects hopes fears and expectations of the future This is the second volume of Mark Hewitson s study of the violence of war in the German lands during the nineteenth and twentieth centuries It investigates the complex relationship between military conflicts and the violent acts of individual soldiers In particular it considers the contradictory impact of pacification in civilian life and exposure to increasingly destructive technologies of killing during war time This contradiction reached its nineteenth century apogee during the wars of unification leaving an ambiguous imprint on post war discussions of military conflict

Walker's Texas Division, C.S.A. Richard G. Lowe, 2004 Walker s Texas Division the only one on either side to consist during its entire existence of regiments from a single state was the largest single body of Texans to fight in the Civil War The regiments of the division were raised in the winter and spring of 1862 but the Texans first engagement with Federal forces came more than a year later during the Vicksburg campaign The division s most important contribution to the Confederate war effort was its leading role in the struggle to turn back the Federal Red River campaign in the spring of 1864 The Greyhounds measured up to their reputation that spring marching nine hundred miles in two months fighting hard in three important battles and losing nearly 40 percent

of their number in killed wounded and missing in only three weeks The Confederate victory in the Red River valley not only ended further Federal attempts to penetrate Texas it also prevented Union divisions from joining Gen William T Sherman s critical Atlanta campaign and freed up Confederate troops to join the fight against Sherman in north Georgia prolonging the war perhaps another six months Pref

Access to History for Cambridge International AS Level: The History of the USA 1820-1941 Alan Farmer,2019-05-13 This title is endorsed by Cambridge Assessment International Education to support the History of the USA 1820 1941 Option from the Cambridge AS Level History syllabus for first examination from 2021 Develop knowledge and analytical skills with engaging comprehensive coverage of the History of the USA 1820 1941 Option from the Cambridge AS Level History syllabus for first examination from 2021 Trust in the clear and authoritative content written by topic experts Develop source skills through questions on a wide range of sources Stay focused on the key issues you need to understand with questions throughout each chapter Improve study and understanding through detailed chapter summary diagrams Build confidence with applying your knowledge through exam guidance and exam style questions

For Liberty and the Republic Ricardo A. Herrera,2017-12-05 In the early decades of the American Republic American soldiers demonstrated and defined their beliefs about the nature of American republicanism and how they as citizens and soldiers were participants in the republican experiment through their service In For Liberty and the Republic Ricardo A Herrera examines the relationship between soldier and citizen from the War of Independence through the first year of the Civil War The work analyzes an idealized republican ideology as a component of soldiering in both peace and war Herrera argues that American soldiers belief system the military ethos of republicanism drew from the larger body of American political thought This ethos illustrated and informed soldiers faith in an inseparable connection between bearing arms on behalf of the republic and earning and holding citizenship in it Despite the undeniable existence of customs organizations and behaviors that were uniquely military the officers and enlisted men of the regular army states militias and wartime volunteers were the products of their society and they imparted what they understood as important elements of American thought into their service Drawing from military and personal correspondence journals orderly books militia constitutions and other documents in over forty archives in twenty three states Herrera maps five broad interrelated and mutually reinforcing threads of thought constituting soldiers beliefs Virtue Legitimacy Self governance Glory Honor and Fame and the National Mission Spanning periods of war and peace these five themes constituted a coherent and long lived body of ideas that informed American soldiers sense of identity for generations

For Cause And Comrades Why Men Fought In The Civil War Introduction

For Cause And Comrades Why Men Fought In The Civil War Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. For Cause And Comrades Why Men Fought In The Civil War Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. For Cause And Comrades Why Men Fought In The Civil War : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for For Cause And Comrades Why Men Fought In The Civil War : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks For Cause And Comrades Why Men Fought In The Civil War Offers a diverse range of free eBooks across various genres. For Cause And Comrades Why Men Fought In The Civil War Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. For Cause And Comrades Why Men Fought In The Civil War Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific For Cause And Comrades Why Men Fought In The Civil War, especially related to For Cause And Comrades Why Men Fought In The Civil War, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to For Cause And Comrades Why Men Fought In The Civil War, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some For Cause And Comrades Why Men Fought In The Civil War books or magazines might include. Look for these in online stores or libraries. Remember that while For Cause And Comrades Why Men Fought In The Civil War, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow For Cause And Comrades Why Men Fought In The Civil War eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the For

Cause And Comrades Why Men Fought In The Civil War full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of For Cause And Comrades Why Men Fought In The Civil War eBooks, including some popular titles.

FAQs About For Cause And Comrades Why Men Fought In The Civil War Books

What is a For Cause And Comrades Why Men Fought In The Civil War PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a For Cause And Comrades Why Men Fought In The Civil War PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a For Cause And Comrades Why Men Fought In The Civil War PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a For Cause And Comrades Why Men Fought In The Civil War PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a For Cause And Comrades Why Men Fought In The Civil War PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on

the circumstances and local laws.
