For Future Generations Oct:

Make a Difference Ken Castor, 2016-05-01 Our world needs you It is a mess out there And you have been called by God to take initiative to do something to make a difference It is in you to change the world because Jesus created you to do so Make A Difference is filled with 365 days of encouragement Scripture prayers and difference maker challenges to help you walk with Jesus and see the opportunities you have to bring his Good News to a world in desperate need It is your calling It is your turn It is your time You can do it Make a difference

Sustaining a Free Society Roger Soder, 2021-08-01 It is difficult to create a free society but even more difficult to sustain that free society over time We want to sustain the essential elements of a free society but at the same time we must recognize that the world is always changing How then to adjust to changes and to improve what we have without losing sight of core values is our focus in *Sustaining A Free Society* The book first outlines in practical real world terms fifteen conditions that must be in place to sustain a free society One critical condition given extended consideration is the need for a long term time perspective Conditions do not exist in the abstract they are created by people and the choices we make Thus we need to consider the roles and responsibilities of those involved in a free a society citizens and those they choose as leaders We are not born knowing our responsibilities as citizens and leaders these matters have to be learned *Sustaining a Free Society* moves to a consideration of the role schools must play in ensuring that future generations know and value a free society and are prepared to in turn assume their responsibilities

Praise from a Future Generation John Kelin, 2007 Finely written and meticulously documented this book describes how very early on a small group of ordinary citizens began extraordinary efforts to demonstrate that the JFK assassination could not have happened the way the government said it did In time their efforts had an enormous impact on public opinion but this account concentrates on the months before the controversy caught fire when people with skeptical viewpoints still saw themselves as lone voices Material seldom seen by the public includes a suppressed photograph of the grassy knoll an unpublished 1964 interview with an eyewitness the earliest mention of the magic bullet and an analysis of the commotion surrounding New Orleans district attorney Jim Garrison s charge that anti Castro CIA operatives were involved

The Rotarian, 1996-10 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine
