Looking for God Alexys V. Wolf,2009-11 Discerning the difference between religion and spirituality provides uncertainty for even the most devoted believer For a newborn Christian or non believer being tossed into the sea of confusion when it comes to the mysteries of God and the fleshy church can be daunting enough to have anyone run the other way Maybe you are confused by different religions or find hypocrisy in the church Maybe you find your relationship with God leaves you feeling bored and lifeless or the hype surrounding the church does not meet your needs Whatever your reason for lacking a personal relationship with God you can still learn the tools to strengthen build and mend a spiritual union with your Creator While many straddle the fence between religion and spirituality author Alexys V Wolf hopes to guide you in your transition from rigid religion to spiritual intimacy with God Learn to walk in divine light and authority grow the courage to live a fulfilled life of peace and understanding without judgment and develop patience and wisdom with your fellow believers By creating a private bond with God you will hunger for the Word and never again get lost in the mundane world of man made religion By learning to die to the flesh and accept God s powerful association in your life you will no longer be lost at the crossroads of religion rather you will develop a friendship like none other with the Father and radiate a light that will shine for others Challenge yourself now to Look for God

Divine Frustrations Jason L. Moore, 2023-11-21 The Bible encourages believers to love God with all their hearts Interestingly enough there is no command to like God Is the admonition to like God conspicuously absent due to its inherent difficulty If we are honest we can safely affirm that there are unlikable realities about our world that critics allege reflect poorly on the perceived nature of God However there is a lack of awareness regarding alternative ways to understand such realities Divine Frustrations is an attempt to bridge that gap by providing a balanced engaging approach to revisiting the unpleasant aspects of God's dealings with humanity Drawing on decades of interactions with students atheists critics inmates and church members as well as people from all walks of life Moore offers reflections on both sides of the most common complaints leveled against God Whether you are a believer or a skeptic your approach to various topics will be challenged If you are open to considering alternatives to what you believe as well as new insights into your own views read on
