For Love Or Nothing:

All for Love: Or, The World Well Lost John Dryden,1692 **Looking for Love in All the Right Places ,** *All for Love; Or, Her Heart's Sacrifice* Mrs. Alex McVeigh Miller,2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Douglas Dunn David Kennedy,2008 In this lucid and wide ranging critical study poet and critic David Kennedy charts Douglas Dunn s career from his debut volume *Terry Street* 1969 to his *New Selected Poems* 1964 2000 2003 *Littell's Living Age* Eliakim Littell,Robert S. Littell,1863 *The Mirror of Literature, Amusement, and Instruction* ,1837 Containing original essays historical narratives biographical memoirs sketches of society topographical descriptions novels and tales anecdotes select extracts from new and expensive works the spirit of the public journals discoveries in the arts and sciences useful domestic hints etc etc etc Love's Vision Troy Jollimore,2011-07-05 Love often seems uncontrollable and irrational but we just as frequently appear to have reasons for loving the people we do In *Love s Vision* Troy Jollimore offers a new way of understanding love that accommodates both of these facts arguing that love is guided by reason even as it resists and sometimes eludes rationality At the same time he reconsiders love s moral status acknowledging its moral dangers while arguing that it is at heart a moral phenomenon an emotion that demands empathy and calls us away from excessive self concern Love is revealed as neither wholly moral nor deeply immoral neither purely rational nor profoundly irrational Rather as Diotima says in Plato s *Symposium* love is something in between Jollimore makes his case by proposing a vision view of love according to which loving is a way of seeing that involves bestowing charitable attention on a loved one This view recognizes the truth in the cliché love is blind but holds that love s blindness does not undermine the idea that love is guided by reason Reasons play an important role in love even if they rest on facts that are not themselves rationally justifiable Filled with illuminating examples from literature *Love s Vision* is an original examination of a subject of vital philosophical and human concern *The Early Days of Faith and Love; Or, the Soul Arising to Newness of Life* Mary Ann Serrett BARBER,1847 Total Worship Lucky L. Selepe,2015-02-27 Lucky Selepe expounds the valiant power of worship and how you can voluntarily provoke the active presence of God even during overwhelmingly stressful situations He goes beyond worship in song and outlines significant elements and practical examples of acts of worship He shows how worship is the deepest level of communion with God In *Total Worship* you can Learn how to create an atmosphere of worship See the invisible God Learn how you can practice the presence of God Understand how you were designed to worship and much more **For Love of Maria** Beryl Robson,2013-01-03 A couple in their eighties Dennis and Maria Cramp were quite contentedly and quietly living out their twilight years in the town of Accrington Lancashire However in 2006 this was to change Not through choice they were parted and their plight became known world wide This is the remarkable true story of a couple whose love has stood the test of time It begins by looking at their individual lives to the

day their paths crossed Dennis will relate the story of how he met and fell in love with Maria and the battle he fought to care for her until they were parted through death Whilst he fought for his country he could never have imagined the battle that was to follow Not once did he falter in his fight to care for his wife His strength and courage will serve as an inspiration to other couples who may find themselves in a similar situation
