The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950 George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

Designs of Darkness in Contemporary American Fiction Arthur M. Saltzman, 2016-11-11 In Designs of Darkness Arthur M Saltzman examines some of the ways in which fiction has traditionally conspired to promote a goal oriented vision of the work of art and explores the ways in which postmodern or postrealist fiction consistently and unavoidably subverts the clarity of this vision Offering readings of works by well known authors including Barthelme Doctorow DeLillo and Hakes as well as works by lesser known writers Auster Gangemi Saltzman concentrates on the breakdown of epiphany in recent fiction both as philosophical motive and as structural foundation In contemporary fiction Saltzman contends ambiguities blossom far beyond our capacities to stabilize summarize or restore

them to sense The old rules of the game in which a reader looking for truth can expect some sort of satisfactory resolution no longer apply Literature now comes out of the answerless Designs of Darkness in Contemporary American Fiction is a valuable new resource for scholars and students of contemporary literature

Emerging Vectors of Narratology Per Krogh Hansen, John Pier, Philippe Roussin, Wolf Schmid, 2017-08-07 Narratology has been flourishing in recent years thanks to investigations into a broad spectrum of narratives at the same time diversifying its theoretical and disciplinary scope as it has sought to specify the status of narrative within both society and scientific research The diverse endeavors engendered by this situation have brought narrative to the forefront of the social and human sciences and have generated new synergies in the research environment Emerging Vectors of Narratology brings together 27 state of the art contributions by an international panel of authors that provide insight into the wealth of new developments in the field The book consists of two sections Contexts includes articles that reframe and refine such topics as the implied author narrative causation and transmedial forms of narrative it also investigates various historical and cultural aspects of narrative from the narratological perspective Openings expands on these and other questions by addressing the narrative turn cognitive issues narrative complexity and metatheoretical matters The book is intended for narratologists as well as for readers in the social and human sciences for whom narrative has become a crucial matrix of inquiry

Being Posthuman Zahi Zalloua, 2020-12-10 Posthumanism is both a descriptive and a prescriptive term Firstly it registers a shift beginning in the late 1960s and epitomized by Foucault's the death of Man Secondly it refers to the future and a new relationship with the non human along with a different understanding of human exceptionalism In Being Posthuman Ontologies of the Future Zahi Zalloua interrogates this future and shows that post does not necessarily mean after or that what comes after is more advanced than what has gone before He pursues this line of inquiry across four distinct yet interrelated figures cyborgs animals objects and racialized and excluded others These figures disrupt the narrative of the human and its singularity and by reading them together Zalloua determines that it is only when posthumanist discourse is combined with psychoanalysis that subjectivity can be properly examined
