encounter women as they stood their ground moved into each other's territory sought and found common ground and fought for vastly different principles Some women used all the tools and powers they could muster to prevent the radical transformations the war increasingly imposed some fought with equal might for the same transformations and other women fought simply to keep the war at bay as they waited for their husbands and sons to return home Glymph shows how the Civil War exposed as never before the nation's fault lines not just along race and class lines but also along the ragged boundaries of gender However Glymph makes clear that women's experiences were not new to the mid nineteenth century rather many of them drew on memories of previous conflicts like the American Revolution and the War of 1812 to make sense of the Civil War's disorder and death
