The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950 George Watson, I. R. Willison, 1972-12-07
More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature. The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis, articulation and coordination that it has been retained in all its essentials for the new edition. The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries.

Poetry FM Lisa Hollenbach, 2023-05-12
Poetry FM listens back to the experimental period of FM radio's development from the late 1940s to the 1980s to show how American poetry was shaped by and shaped in turn the emergence of a radio counterculture. Like FM radio history, the literary history of American poetry during this period is defined by waves of opposition to the literary and critical establishment by poets and movements who likewise stressed experimentalism, alternative networks of distribution, regionalism and community. In this study, Lisa Hollenbach focuses on two major radio stations: Pacifica's KPFA in Berkeley and WBAI in New York to develop an institutionally grounded analysis of how poets' involvement with FM radio contributed to postwar aural imaginaries. While poetry programming on Pacifica Radio has always been capacious, including poetry from the past as well as contemporary poetry, poetry in translation and poetry by unpublished writers, Hollenbach focuses on writers who played important roles at these stations and whose work embraces oral poetics and/or radio and sonic tropes. These especially include poets associated with the New American Poetry: William Everson, Kenneth Rexroth, Jack Spicer, Allen Ginsberg, Robert Duncan, Paul Blackburn and Amiri Baraka among others who brought the oral poetics of the new poetry to Pacifica Radio's experiment in FM radio. But in the 1960s and 1970s, the racial, gender and sexual politics of both the New American Poetry and the FM revolution came under increasing scrutiny and contestation. During these years, poets as different as Spicer, Ginsberg, Baraka and Audre Lorde responded to this terrain of struggle by creating in their poetry performances and radio work alternative aural imaginaries or figurative channels for the transmission of fugitive signals across time and place. This is a book about how radio, the once dominant mass media form, became an underground medium for and key figure in American poetry in the 1950s, 1960s and 1970s.

Andrew Young Richard Ormrod, 2018-08-30
Andrew Young was one of the most original, inventive and paradoxical poets of the twentieth century. C. S. Lewis called him 'A modern Marvell and a modern marvel' and Philip Larkin remarked that 'His works are in no danger of being forgotten'. Regarded as a major poet by academic scholars, Young's prestige in this critical biography is taken one step further and declared a great poet. Dr Richard Ormrod criticises and analyses Andrew Young's poetry to establish this greatness, especially in his lengthy masterpiece *Out of the World and Back*. It also explores his fascinating life and personality: a wry, whimsical, erudite, complex man, a theist and a pantheist, an

ironist and wordsmith and a fervent naturalist less at ease with people Anyone interested in or studying twentieth century poetry at any level will find this book invaluable and its claims challenging Lovers of plants birds and animals will be stunned by Young s deeply observant unsentimental nature poetry and by the two witty and engaging prose flower books A Prospect of Flowers and A Retrospect of Flowers both hardy perennials AB Bookman's Weekly ,1999 **Revising Life** Susan R. Van Dyne,2000-11-09 Provides a compelling argument for Plath s revision of the painful parts of her life the failed marriage her anxiety for success and her ambivalence towards her mother The reader will feel the tension in the poetry and the life CHOICE Examines Plath s twin goals of becoming a famous poet and a perfect mother This book s main points are clearly and forcefully argued that both poems and babies require struggle pain endless labor and fears of monstrous offspring and that in the end Plath ran out of the resources necessary to produce both Often maligned as a self indulgent confessional poet Plath is here retrieved as a passionate theorist Library Journal Susan Van Dyne s reading of twenty five of Sylvia Plath s Ariel poems considers three contexts Plath s journal entries from 1957 to 1959 especially as they reveal her conflicts over what it meant to be a middle class wife and mother and an aspiring writer in 1950s America the interpretive strategies of feminist theory and Plath s multiple revisions of the poems **Twentieth Century American Literature** Warren French,1980-11-01

GREENWALD,2015-01-01 Pauline Frederick Reporting is the biography of the life and career of the first woman to become a network news correspondent After no less an authority than Edward R Murrow told her there was no place for her in broadcasting Pauline Frederick 1908 90 cracked the good old boys club through determination and years of hard work eventually becoming a trusted voice to millions of television viewers During Frederick s nearly fifty years as a journalist she interviewed a young Fidel Castro covered the Nuremberg trials interpreted diplomatic actions at the United Nations and was the first woman to moderate a presidential debate The life of this pivotal figure in American journalism provides an inside perspective on the growth and political maneuverings of television networks as well as Frederick s relationships with iconic NBC broadcast figures David Brinkley Chet Huntley and others Although Frederick repeatedly insisted that she would trade her career glamorous as it was to have a family a series of romances ended in heartache when she did indeed choose her work over love At the age of sixty one however she married and attained the family life she had always wanted Her story is one for all modern women striving to balance career and family **Catalogues of Sales** Sotheby's (Firm),1994-03-10 **Music in American Life** Jacqueline Edmondson,2013-10-03 A fascinating exploration of the relationship between American culture and music as defined by musicians scholars and critics from around the world Music has been the cornerstone of popular culture in the United States since the beginning of our nation s history From early immigrants sharing the sounds of their native lands to contemporary artists performing benefit concerts for social causes our country s musical expressions reflect where we as a people have been as well as our hope for the future This four volume encyclopedia examines music s influence on contemporary American life tracing historical connections over time Music in American Life An Encyclopedia of the Songs Styles Stars and Stories That Shaped Our Culture demonstrates the symbiotic relationship between this art form and our society Entries include singers composers lyricists songs musical genres places instruments technologies music in films music in political realms and music shows on television **Red Comet** Heather Clark,2021-09-28 PULITZER PRIZE FINALIST The highly anticipated biography of Sylvia Plath that focuses on her remarkable literary and intellectual achievements while restoring the woman behind the long held myths about her life and art One of the most beautiful biographies I ve ever read Glennon Doyle author of 1 New York Times Bestseller Untamed With a wealth of never before accessed materials Heather Clark brings to life the

brilliant Sylvia Plath who had precocious poetic ambition and was an accomplished published writer even before she became a star at Smith College Refusing to read Plath's work as if her every act was a harbinger of her tragic fate Clark considers the sociopolitical context as she thoroughly explores Plath's world her early relationships and determination not to become a conventional woman and wife her troubles with an unenlightened mental health industry her Cambridge years and thunderclap meeting with Ted Hughes and much more Clark's clear-eyed portraits of Hughes his lover Assia Wevill and other demonized players in the arena of Plath's suicide promote a deeper understanding of her final days Along with illuminating readings of the poems themselves Clark's meticulous compassionate research brings us closer than ever to the spirited woman and visionary artist who blazed a trail that still lights the way for women poets the world over Encyclopedia of American Poetry: The Twentieth Century Eric L. Haralson, 2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author's career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States **Romantic Poetry** Karl Kroeber, Gene W. Ruoff, 1993 This anthology fills the need for a comprehensive up to date collection of the most important contemporary writings on the English romantic poets During the 1980s many theoretical innovations in literary study swept academic criticism Many of these approaches from deconstructive new historicist and feminist perspectives used romantic texts as primary examples and altered radically the ways in which we read Other major changes have occurred in textual studies dramatically transforming the works of these poets The world of English romantic poetry has certainly changed and Romantic Poetry keeps pace with those changes Karl Kroeber and Gene W Ruoff have organized the book by poet Blake Wordsworth Coleridge Byron Shelly and Keats and have included essays representative of key critical approaches to each poet's work In addition to their excellent general introduction the editors have provided brief helpful forewords to each essay showing how it reflects current approaches to its subject The book also has an extensive bibliography sure to serve as an important research aid Students on all levels will find this book invaluable
