

TORAH=LOVE

The Scriptures tell us that the entire Torah can be summarized by a single word... LOVE. So what do the Scriptures say will happen if the Torah is disregarded?

"And because LAWLESSNESS will abound, the love of many will grow cold." -Matthew 24:12

For Love Of Torah

Norman Lamm

For Love Of Torah:

How I Love Your Torah, O LORD! Daniel I. Block, 2011-09-01 Like the book of Romans in the New Testament the book of Deuteronomy provides the most systematic and sustained presentation of theology in the Old Testament And like the Gospel of John it represents mature theological reflection on God's great acts of salvation in this case associated with the exodus of Israel from Egypt Unfortunately for many Christians Deuteronomy is a dead book either because its contents are unknown or because its message is misunderstood The essays in this collection arise from a larger project driven by a passion to recover for Christians the life giving message of the Old Testament in general and the gospel according to Moses in particular The meditations cover a wide range of topics from explorations into the meaning of specific texts to considerations of the ethical and homiletical relevance of the book for Christians today *For Love of Torah* Shimon

Finkelman, 1992-05-01 Stories and insights on the study and the students of Israel's greatest treasure *For Love of Torah*

Arthur Hoffnung, 1970 **For Love of Torah** Ts Rosenberg, 1997 **Judaism Is About Love** Shai Held, 2024-03-26 A profound startling new understanding of Jewish life illuminating the forgotten heart of Jewish theology and practice love A dramatic misinterpretation of the Jewish tradition has shaped the history of the West Christianity is the religion of love and Judaism the religion of law In the face of centuries of this widespread misrepresentation Rabbi Shai Held one of the most important Jewish thinkers in America today recovers the heart of the Jewish tradition offering the radical and moving argument that love belongs as much to Judaism as it does to Christianity Blending intellectual rigor a respect for tradition and the practices of a living Judaism and a commitment to the full equality of all people Held seeks to reclaim Judaism as it authentically is He shows that love is foundational and constitutive of true Jewish faith animating the singular Jewish perspective on injustice and protest grace family life responsibilities to our neighbors and even our enemies and chosenness Ambitious and revelatory *Judaism Is About Love* illuminates the true essence of Judaism an act of restoration from within

Anthology of the Biblical Revolution Evolution Series Michael Stansfield, 2020-02-13 As primitive civilization developed society has established cornerstones in our thought and reasoning Things we are told repeatedly as fact from birth and are thus believed instinctively Many of these cornerstones now date back many millennia such as the Bible The BER Series takes a candid look into the Bible to explore how the theological beliefs within Institutional Religion have affected society in diabolical ways These books also challenge the church's theological cornerstones to prove that they deviate from the Bible and truly have an obscured understanding of the Divine Thus the goal is to bring an overdue debate to organized religion The hope is to remove the barriers that deny humanity the evolution of our species No topic is out of bounds A person could listen to ten lifetimes of sermons and never get even a fraction of the candor of these books Love them or hate them you will be unable to put them down and you will never see the World or the Divine the same way again *Love As Our Calling The Divine and Human Need for Love in a Broken World* Fr. Chadi Ibrahim, 2025-07-09 Love as Our Calling The Divine and

Human Need for Love in a Broken World by Fr Chadi Ibrahim Love is more than just an emotion it is the foundation of human existence and the ultimate calling of every soul In Love as Our Calling Chadi Ibrahim explores the depth and power of love from both divine and human perspectives guiding readers on a transformative journey toward a life rooted in compassion faith and selfless giving Drawing from theology psychology and philosophy this book examines love in its many forms love for God love for others and love that has the power to heal and unite It delves into love as a universal need its role in human development and its expression across major world religions particularly through the life and teachings of Jesus Christ Through profound reflections and practical insights Love as Our Calling challenges readers to embody love in everyday life embracing forgiveness service and kindness Whether you seek to deepen your spiritual journey strengthen your relationships or find purpose through love this book offers wisdom and encouragement to help you answer the greatest calling of all Discover the transformative power of love because love is not just what we seek it is who we are meant to be *Kabbalah and the Art of Being* Shimon Shokek,2013-10-23 This new approach introduces Kabbalah as a spiritual Jewish way of living a practical wisdom for living creativity and well being and not merely a religious phenomenon or esoteric theology Professor Shokek suggests that the Kabbalistic theme of Creation is the central ingredient in the spiritual teachings of Jewish mysticism He skilfully reveals the core questions that emerge from the wisdom of the Jewish sages opening up a lively avenue of debate in this increasingly popular area of study **Hiraeth** Michael Stansfield,2016-08-10 As human beings we know what home is or for some of us the hope or ideal of what home should be friends family nostalgia all interlaced through love It is an emotional spiritual and physical connection to a place that goes beyond the superficial level In the broad sense I ask you the reader Is this world your home If you are honest with yourself you must confess it doesn't always feel like home This path that you are about embark upon the journey of my soul to discover humanity's home Not a home exclusively for one race religion or political creed but a home for all each accepted as members of one family and one creation Shomer Emunim Rabbi Yosef Ergas,Avinoam Fraenkel,2025-03-25 This book is for those intrigued by the Arizal's Lurianic Kabbalah confused by the debates over Kabbalah's authenticity fascinated by how centuries old Kabbalistic ideas converge with modern science challenged by how the technological changes around us fit in with Torah and Kabbalah desiring resolution of the ongoing debates over key ideas in Jewish thought curious to understand exactly who and what the Messiah is Of the few genuine introductions to Kabbalah Shomer Emunim stands out prominently for its clarity brevity and accessibility Penned in the late 1720s by the master Italian Kabbalist Rabbi Yosef Ergas its virtues have been extolled by Kabbalists of note ever since Shomer Emunim powerfully responds to those who claim Kabbalah was fabricated It also explains Kabbalistic concepts simply dispelling the illegitimate views of those encouraging blasphemous religious compromise by distorting those concepts The original Shomer Emunim Hebrew text together with its complete facing page English translation and commentary is presented in an innovative and easily digestible format This e book contains words in Hebrew which may not display

Diamond, Menachem Kellner, 2019-02-20 The first critical study of how Maimonides has been read by leading Orthodox rabbis in our time shows that some have tried to liberate themselves from his influence others have built on his ideas generating vibrant controversy and yet others have sought to recreate Maimonides in their own image

Agape, Justice, and Law Robert F. Cochran, Jr, Zachary R. Calo, 2017-05-25 In a provocative essay philosopher Jeffrie G Murphy asks what would law be like if we organized it around the value of Christian love and if we thought about and criticized law in terms of that value This book brings together leading scholars from a variety of disciplines to address that question Scholars have given surprisingly little attention to assessing how the central Christian ethical category of love agape might impact the way we understand law This book aims to fill that gap by investigating the relationship between agape and law in Scripture theology and jurisprudence as well as applying these insights to contemporary debates in criminal law tort law elder law immigration law corporate law intellectual property and international relations At a time when the discourse between Christian and other world views is more likely to be filled with hate than love the implications of agape for law are crucial
