servant and of your brethren who have the testimony of Jesus Worship God for the testimony of Jesus is the spirit of prophecy Rev 19 10 The angel explained that all prophecy connects to Jesus Intrinsic to Jesus is prophecy as is all scripture That which predicts or speaks of His divine and human nature His life and miracles His death and resurrection and His earthly and heavenly kingdom are all interconnected they are all a part of His story His testimony His person Therefore Christ is the unspoken basis for this specific blessing given to readers of the Revelation Blessed are they that read and hear the words of this prophecy and keep those things which are written in it for the time is at hand Rev 1 3 Though there is rich reward in every book of the Bible no other gives the aforementioned promise of blessing **The Friendship Formula** SARAVANAN M S,2024-10-15 This book delves into the profound and universal bond of friendship exploring both its joys and complexities It examines the dynamics of positive and negative relationships highlighting notable examples of remarkable friendships from historical texts and revered writings By offering insights into how these bonds have been celebrated and valued across cultures the book provides a comprehensive view of friendship s evolution through history literature and contemporary society It captures the essence of this cherished connection in all its forms and nuances Heaven Sent Pamela Summerhill,2012-06 Heaven Scent is based on Salvation and your walk with Christ Jesus Romans 10 9 10 there are a variety of topics included But all under the guidance of our Father in Heaven Pamela is a Deaconess in her home church where she has written several poems for the auxiliaries there including friends and family Writing comes naturally through the will of God Pamela hopes and prays your Hearts will be lifted as you Walk through these series of poems that something in them will inspire you to seek Jesus Christ for your personnel Savior as she and her family has done *Take God's Hand and You Will Never Walk Alone* Neal Ervin,2020-02-26 Death visited our family early in my youth taking my father without warning exacting its toll of loss and grief on me my mom and four siblings leaving us all emotionally scarred We loved Dad and grieved bitterly surviving with feelings of desolation and sorrow as our strong family circle was forever broken my sister ten years old was unable to comprehend why Dad left her God s Angel of Death would visit my family inflicting the pain of sorrow and loss repeatedly and in the years to come I would lose my mother sister and two younger brothers I would later become estranged from my own family through divorce and relocation would sever relationships uprooting me from my career the old familiar places and faces plunging me back into sadness and loneliness grim reminders of loss from the not distant past In the middle of the storms I lost my auditory senses and had to adapt to an entirely new world that introduced fear and rejection and at one point of my life I became fearful of dying suddenly I realized too much later that I never really was ever alone God was always with me and he was keeping me here carrying guiding strengthening me through every storm giving my life direction again restoring me full circle to his purpose for me writing to tell of his love It took a while for me to understand God s grace how he led me through the years of stormy darkness to a relationship with him through love and mercy that is unsurpassed and while I am still working on life a great part of its purpose is to share my hope and faith and

attest to God's love and grace but most of all to bear witness to the triumphant peaceful joy of walking talking with and listening to God along the valleys and mountaintops of life **A BFF's Guide to Divorce** Victoria Vestuto,2017-04-05 **A BFF's Guide to Divorce** Written by Victoria Vestuto Illustrated by Ed Tripp If you or someone you know is about to go or is going through the divorce process read this book Divorce is a journey and typically not an easy one There are so many variables and decisions throughout and it can leave people exhausted and emotionally drained You can choose to go it alone but it is best to have a close friend a confidant a BFF by your side Inside the book some of those variables and decisions are explained If you go it alone this book is still very helpful But it also explains the role a BFF can play A BFF can help make the journey more palatable by providing emotional and tactical support If you are the one getting the divorce the author highly encourages you to read this first but then pass it on to your BFF Or if you know someone getting a divorce and you really want to help share this book with them As Victoria Vestuto journeyed with several friends down this road they often found themselves confused and frustrated Terms were thrown around by lawyers that they had no idea what they meant Court dates were mandated and they often did not know why This book was written to help someone have a smoother experience
