Bright, 2023-02-09 *Through It All* EUR God Still Gave Me Favor is about my life growing up being saved and filled with the

Holy Ghost at the young age of thirteen Dealing with being an attractive young lady who young men only saw sexually and not for who she was As a child dealing with bad rumors spreading about me and being bullied in school can wear a child teenager out mentally but God brought me out Just proof of God's light shining upon my life The book goes into being completely healed of health issues If God did it for me and my husband he can do it for you as well It also talks about my secret of getting pregnant and wanting children later in life This book will also give inspiration to those who desire to be married late in life and have a successful career You will see where I backslide in each scenario of life but each time I had to come to God and ask him to pull me out and each time I had to show my self approved in his eyes even when I didn't deserve it Through all of these things God still gave me favor to have joy peace success a family and a husband He saw fit for little ole me to grant grace and mercy upon my life He'll give us the favor but we as Christians will have to commit to his word and do what God asks us to do so he can grant us the favor he desires for us to have Through It All I'm Still Standing Towanna Hogue, 2020-07-28 Through It All I'm Still Standing is a story about experiencing love trials tribulations abuse loss strength endurance faith triumphs and deliverance It's about feeling like all hope is lost but remembering to have faith because there is a God that will cover you and see you through remembering that he will make a way out of no way as long as you are patient and have faith It might not be when you want it but he is always on time I share similar personal experiences of surviving several challenges including marriage divorce cancer loss of loved ones and more Through It All I'm Still Standing is a self help book that aims to bring awareness to mental illnesses such as depression PTSD anxiety and narcissistic personality disorder I also wanted to discuss the many forms of abuse that are sometimes minimized but are just as bad as any other form of abuse such as emotional verbal and financial abuse My hope is to help people in similar situations and their families to deal with the effects of the unfortunate phenomena My goal is to banish the misconceptions of mental health and to overcome the stigma of it as well as seeking the help needed This book is designed to give hope from the first sight with the use of the yellow lotus flower on the book cover symbolizing personal growth The yellow lotus is an analogy of how it grows in deep mud far away from the sun but eventually reaches the light and becomes the most beautiful flower ever Never allow anyone to ever make you feel less than Always know your worth and practice more self love Through It All I'm Still Standing and you will too **Through It All** James D. Jones, 2018-09-01 This is an organ transplant story about how I overcame all odds that were against me and battled through sickness physical and emotional stress through the grace of God to receive a organ transplant double lung and liver Without the prayers of my wife my family my church family friends doctors and a few strangers praying for me keeping me encouraged and just helping me along the way I don't believe I would have had the will to live if not for my wife pushing me so hard and giving me that extra uplifting every day But that's why I wanted to tell my story to help someone else that may be going through sickness or any situation where it doesn't look like things will get better or there is no hope I want this story to go further than I could ever go to help that person's that can't

see how they can make it but can read my story and be inspired to keep fighting to live this precious life that we only get one shot at I came so close to dying that in this story you will find where I wrote my wife a letter because I could not talk at the time because I was on so much oxygen telling her what I thought could be my last will and testament Not that I gave up because I never stop fighting to live In this story you will find how I prayed to God and asked him for another chance at life to spend with my beautiful wife and kids after the doctors I had told me that they would have to send me home on hospice care This story is my testimony and I hope it blesses everybody that reads it Through It All Jessie Evelyn Bonner,2020-01-17 I hope you enjoy my journey from the darkest parts of my life to more than I could expect or dream through the grace and mercy of God If God did it for me he will surely do the same for you **Staying Encouraged Through It All** Tyrone Smith,2013-07-26 The purpose of this book is to bring awareness to situations that can be overwhelming and stressful Day in and day out so many people go to work deal with family issues friends and the unexpected with little to no expectations other than to do the work required to get through the day We need to understand that there are so many opportunities we fail to seek each day This book of wise thoughts will motivate you and encourage you to to keep moving and never stop dreaming
