at the Millennium Bruce J. West, 1999 This book concerns the development of a theory of complex phenomena using such concepts as fractals chaos and fractional derivatives but most important the idea of an allometric control process is developed In summary the theory attempts to explain why the distribution in the intensity of wars is the same as the relative frequency of the number of words used in languages and the number of species evolved over time from one or a few remote ancestors The theory also describes the similarity in the variability of the number of births to teens in Texas to the number of sexual partners in homosexual liaisons The data in both of the aforementioned categories are shown to have long term memory and it is this memory that also gives rise to inverse power laws in such physiological phenomena as the interbeat interval distribution of the human heart the interstride interval distribution in the human gait and memory in DNA sequences

The Sphere of Influence Edward Hendrie,2019-07-07 This book is a sequel to The Greatest Lie on Earth Expanded Edition Proof That Our World Is Not a Moving Globe It will primarily focus on the infiltration into the church of the superstitious myth of heliocentrism and how that infiltration has served to undermine the gospel The gospel is the entire Holy Bible not just some of it Matthew 4 4 Christian belief is an all or nothing proposition All scripture is given by inspiration of God and is profitable for doctrine for reproof for correction for instruction in righteousness 2 Timothy 3 16 God s account of his creation is part and parcel of the gospel A person with genuine faith believes what Jesus said about both heavenly and earthly things If I have told you earthly things and ye believe not how shall ye believe if I tell you of heavenly things John 3 12 Jesus is God Jesus created all things in heaven and on earth See Colossians 1 16 18 God has revealed himself through his creation That which may be known of God is manifest in them for God hath shewed it unto them For the invisible things of him from the creation of the world are clearly seen being understood by the things that are made even his eternal power and Godhead so that they are without excuse Romans 1 19 20 If men have a misunderstanding of God s creation they will also have a misunderstanding of who God is If people believe in a creation that does not exist they consequently also believe in a creator that does not exist It is essential therefore to have an accurate understanding of God s creation God did not make a movable spherical earth If men believe in a heliocentric creation they will necessarily believe in a heliocentric creator A heliocentric creation does not exist So also a heliocentric creator does not exist A heliocentric creator is a false god We have been warned to avoid the preaching of a false gospel which presents a false Jesus For if he that cometh preacheth another Jesus whom we have not preached or if ye receive another spirit which ye have not received or another gospel which ye have not accepted ye might well bear with him 2 Corinthians 11 4
