From A Far Country Pope John Paul II:

Man from a Far Country Mary Craig, 1979 **Man from a Far Country** Mary Craig, 1982 **The Encyclicals of John Paul II** Richard A. Spinello, 2016-12-08 Pope John Paul II was the second longest serving pope in history and the longest serving pope of the last century His presence was influential not only to Catholics but also throughout the world The Encyclicals of John Paul II is the first book to focus in depth on the pope's fourteen encyclicals through which he communicated many of the key themes of his papacy The first part of the book includes helpful background information a brief biographical sketch of John Paul II's life his intellectual formation and central theological themes of his papacy including some of the major controversies of the 20th century The first section of the book also provides invaluable background on the nature of an encyclical including the history of this papal document The second part of the book provides a thorough commentary on these encyclicals The encyclicals are grouped by theme introduced individually and analyzed to trace broad themes through John Paul II's work and theology The Encyclicals of John Paul II provides an important discussion of these key documents from John Paul II's papacy **Faith and Leadership** Michael P. Riccards, 2012-04-19 This study is a comprehensive history of the papacy the oldest elective office in the world and how it has managed over the centuries the most complex voluntary association of faith The book argues that in fact through most of its existence the papacy has adapted managerial models of the secular world and applied them to the Catholic Church Since its emergence from the Jewish synagogues to a persecuted minority in the Roman Empire to becoming the established religion of the West the Church and the papacy engaged the world on its own terms It is only after the Council of Trent did the Church become somewhat more divorced and estranged from the environment around it This book focused on those changes and on the great popes across the centuries who reformed and altered Catholicism Special attention is directed to Gregory I Innocent I Innocent III Pius IX Leo XIII Pius XI Pius XII John XXVII Paul VI and John Paul II The conclusion is that the persistence of the Catholic Church for so many centuries was due to its ability to preserve the faith but re-establish its forms and managerial class The Vision of John Paul II Gerard Mannion, 2008 The Vision of John Paul II assesses the writings work and ecclesial Vision of this long serving pontiff Moving beyond the scope of so many other books on John Paul II this volume seeks to fill a gap by focusing on his lasting influence on pressing issues facing the church today social justice women's roles collegiality ecumenism and interreligious dialogue Readers will appreciate the contributions of internationally known and respected scholars Michael Walsh Ronald Modras Paul McPartlan Gerard Mannion Judith Merkle Jim Voiss Charles E Curran Mario I Aguilar Susan Rakoczy Paul Lakeland Gemma Simmonds Raymond G Helmick Peter Phan This accessibly written volume allows readers to engage with a variety of viewpoints and to understand the ways in which the legacy of John Paul II continues to impact today's church **The End and the Beginning** George Weigel, 2011-11-01 As March gave way to April in the spring of 2005 and the world kept vigil outside the apostolic palace in Rome the pontificate of Pope John Paul II then

drawing to a poignant end was already being described as one of the most consequential in two millennia of Christian history With these words world renowned author and NBC Vatican analyst George Weigel begins his long awaited sequel to the international bestseller *Witness to Hope: The Biography of Pope John Paul II* More than ten years in the making *The End and the Beginning: Pope John Paul II: The Victory of Freedom, the Last Years, the Legacy* tells the dramatic story of the Pope's battle with communism in light of new and recently disclosed information and brings to a close Weigel's landmark portrait of a man who not only left an indelible mark on the Catholic Church but also changed the course of world history When he was elected pope in the fall of 1978 few people had ever heard of the charismatic Karol Wojtyła But in a very short time he would ignite a revolution of conscience in his native Poland that would ultimately lead to the collapse of European communism and death of the Soviet Union What even fewer people knew was that the KGB, the Polish Secret Police and the East German Stasi had been waging a dangerous decades long war against Wojtyła and the Vatican itself Weigel with unprecedented access to many Soviet era documents chronicles John Paul's struggle against the dark forces of communism Moreover Weigel recounts the tumultuous last years of John Paul's life as he dealt with a crippling illness as well as the new world disorder and revelations about corruption within the Catholic Church Weigel's thought provoking biography of John Paul II concludes with a probing and passionate assessment of a man who lived his life as a witness to hope in service to the Christian ideals he embraced

The Cinema of Krzysztof Kiesłowski Marek Haltof, 2004 Since his death in 1996 Krzysztof Kiesłowski has remained the best known contemporary Polish filmmaker and one of the most popular and respected European directors internationally renowned for his ambitious *Decalogue* and *Three Colors* trilogy In this new addition to the *Directors Cuts* series Marek Haltof provides a comprehensive study of Kiesłowski's cinema discussing industrial practices in Poland and stressing that the director did not fit the traditional image of a great East Central European auteur He draws a fascinating portrait of the stridently independent director's work noting that Kiesłowski was not afraid to express unpopular views in film or in life Haltof also shows how the director's work remains unique in the context of Polish documentary and narrative cinema

Theories of Justice Stephanie Mar Brettman, 2015-04-30 What is justice How do we know justice How is justice cultivated in society These are the three questions that guide this critical dialogue with two representatives of the Catholic and Protestant traditions Karl Barth and Karol Wojtyła John Paul II Though the two thought leaders are shaped within divergent theological traditions and historical contexts they both appeal to Christian anthropology as a starting point for justice Their explorations into the nature of humanity yield robust new theories of justice that remain relevant for our contemporary era The third interlocutor our female author brings her own voice fully into the dialogue in the third part of the book in order to address the shortcomings in their theories and build upon their insights all the while seeking theories of humanity and social justice that result in justice for all persons

Universal Father Garry O'Connor, 2013-08-22 The first biography to tell the full and extraordinary story of one of the most influential figures of the twentieth century setting the

private individual in the public context A fine enduring biography O Connor s triumph is to make the search for the soul of a papacy an enjoyable edifying and occasionally emotional journey Glasgow Herald Pope John Paul II is now universally considered to have been one of the great leaders of the twentieth century and possibly the most politically influential pope since St Peter His achievements are well documented yet he once said I can only be understood from the inside In this vivid and accessible living portrait O Connor investigates the inner man including Karol Wojtyla s life before he became Pope and his friendships with men and women subtly analysing the Pope s own poems plays and philosophical works for clues as to what made him tick It also dramatically follows his life from his birth in Poland in 1920 through the losses that shaped his childhood the assassination attempt in 1981 and his great public confrontations on the world stage right up until his death in April 2005

Catholic Social Teaching as Theology Catta, Grégoire, SJ,2019 Explores the theological dimension of Catholic social teaching by showing how magisterial documents dealing with social issues are a path to enter into the mystery of the Christian God and to produce theology a reasoned discourse about the divine

Witness to Hope George Weigel,2009-10-13 This definitive biography of Pope John Paul II explores his historic influence on the world stage Magnificent A tremendous achievement Washington Post As head of the Catholic Church from 1978 until his death in 2005 John Paul II was one of the world s most transformational figures With unprecedented cooperation from the Pope as well as the people who knew and worked with him throughout his life George Weigel offers a groundbreaking portrait of him as a man a thinker and a leader whose religious convictions defined a new approach to world politics and changed the course of history The Pope played a crucial yet underexplored role in some of the most momentous events of his time including the collapse of European communism the quest for peace in the Middle East and the democratic transformation of Latin America With an updated preface this edition of Witness to Hope explains how this man from a far country did all of that and much more and what both his accomplishments and the unfinished business of his pontificate mean for the future of the Church and the world

Stan Brakhage in Rolling Stock, 1980-1990 Jerry White,2018-04-19 This is a collection of writings by the giant of experimental cinema Stan Brakhage that shows him in a completely new light as part of world cinema For the duration of the 1980s Brakhage contributed to the Boulder literary magazine Rolling Stock mostly publishing reports from the Telluride Film Festival These reports show that Brakhage was keenly interested in world cinema anxious to meet and dialogue with filmmakers of many different stripes The book also contains substantial discussion of Brakhage s work in light of the filmmakers he encountered at Telluride and discussed in Rolling Stock Long chapters are given over to Soviet filmmakers such as Andrei Tarkovsky Larissa Shepitko and Sergei Parajanov as well as the German filmmaker Hans Jürgen Syberberg Brakhage was a keen viewer of these filmmakers and their contemporaries both at Telluride and in his role as teacher at the University of Colorado and Stan Brakhage and Rolling Stock attempts to place his work alongside theirs and thus reclaim him for world cinema The book s appendices reprint letters Brakhage wrote to Stella Pence Telluride s co

founder and managing director as well as summaries of his work for Telluride and a brace of difficult to find reviews

Polish Literature as World Literature Piotr Florczyk, K. A. Wisniewski, 2022-12-15 This carefully curated collection consists of 16 chapters by leading Polish and world literature scholars from the United States Canada Italy and of course Poland An historical approach gives readers a panoramic view of Polish authors and their explicit or implicit contributions to world literature Indeed the volume shows how Polish authors from Jan Kochanowski in the 16th century to the 2018 Nobel laureate Olga Tokarczuk have engaged with their foreign counterparts and other traditions active participants in the global literary network and the conversations of their day The volume features views of Polish literature and culture within theories of world literature and literary systems with a particular attention paid to the resurgence of the idea of the physical book as a cultural artifact This perspective is especially important since so much of today's global literary output stems from Anglophone perceptions of what constitutes literary quality and tastes The collection also sheds light on specific issues pertaining to Poland such as the idea of Polishness and global phenomena including social and economic advancement as well as ecological degradation Some of the authors discussed like the Romantic poet Adam Mickiewicz or the 1980 Nobel laureate Czeslaw Milosz were renowned far beyond the borders of their country while others like the contemporary travel writer and novelist Andrzej Stasiuk embrace regionalism seeing as they do in their immediate surroundings a synecdoche of the world at large Nevertheless the picture of Polish literature and Polish authors that emerges from these articles is that of a diverse cosmopolitan cohort engaged in a mutually rewarding relationship with what the late French critic Pascale Casanova has called the world republic of letters

The Hidden Pope Darcy O'Brien, 2014-07-01 From a PEN Hemingway Award winning author The true story of Pope John Paul II his Jewish childhood friend and a milestone in religious history In October 1978 Karol Wojtyla Polish Archbishop of Krakow became Pope John Paul II the first non Italian pontiff in 455 years He had a mission to improve the Catholic Church's relations with Judaism Islam and the Anglican Communion Only days after the election he granted Jerzy Kluger a virtually unknown Jewish businessman the privilege of first audience at the Vatican Jerzy was overwhelmed but not surprised When they were children Karol and Jerzy were best friends known then as Lolek and Jurek For the pope this union of Catholic and Jewish faiths was a profound symbol of things to come It was also a personal gesture that reflected a remarkable bond between the two men The Hidden Pope is the story of that relationship from their simple boyhood in the small town of Wadowice in southern Poland to their separation at the beginning of World War II and their survival under Nazi occupation and Soviet tyranny The reunion almost thirty years later after Jerzy lost his family in the Holocaust and spent years in Stalinist labor camps would not only deepen a friendship but also afford Jerzy a unique perspective on papal intrigue and policies when he was eventually appointed diplomat between the Vatican and Israel Set against the landmark events of the twentieth century and the monumental reconciliation between Christianity and Judaism this singular portrait of John Paul II reveals him as only one of his closest friends can Readers will come to know the
