Abstract

Amos, a simple herdsman from Tekoa, asserted that he was not a professional prophet but had rather come to the norther state of Israel at the behest of Yahweh. This article is a biblical response to social injustice in the contemporary society through an exegetical study of Amos 5. The study drew inferences from Amos 5 as panaceas to the problems of injustice and deprivation of the poor. Injustice is one of the major problems that is confronting the society, because injustice anywhere is a threat to justice everywhere. Amos thus rebuked the many sins of the people and he stated how the LORD would punish them. The aim of this study was to examine the concept of social injustice in Yahweh's response in order to give the biblical understanding of the concept in promoting justice and peace. The approach for this study is exegetical. The findings reveal that any unjust act as well as its perpetrator will not go unpunished. Also, the LORD demanded righteousness, love and justice. This article recommends that nations, the Church and individual Christian should desist from any form of unjust act and live a righteous life.

Keywords: Social Injustice, Yahweh, Amos, Righteousness, judgement.

Introduction

Israel grew in size and enjoyed unprecedented political and economic stability during the time of Amos. However, levels of corruption, avarice, human trafficking, sexual immorality, and injustice existed beneath the so-called prosperity. Hypocritical religion replaced true worship because there were increases in religious activities without any serious regard for the LORD's standard. In keeping to His character, the LORD called Amos to denounce their hypocritical religious activities and announce to the visions of His judgement. The situation in Israel during the time of Amos, though it displeased the LORD, is somewhat better than the current situation of our world today. Therefore, this writer analyzed Amos 5 with the use of historical-grammatical approach of interpretation thus drawing lessons for Christians.

Historical Background of the Book Amos

Jeroboam the son of Jehoash, often referred to as Jeroboam II, embarked on a serious expansion of the boundaries of Israel, more than what his father had done (2 Kings 14:25, 28). This brought about serious political and economic prosperity (Hoerth, 1998:30). This experience of prosperity in the Northern Kingdom can be associated with Jonah's prophecy in 2 Kings 14:25, but what was not part of this earlier prophecy, evidenced at this period was that, it was also a time of moral decline and religious indifference (Hoerth, 1998:30). It was this period that an unusual spokesman for the LORD emerged in person of Amos who did not have any prophetic background like other

scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions *Discerning the Spirit(s)* Amos Yong, 2019-03-08

Efforts to construct a Christian theology of religions have inevitably stumbled on the Christian scandal of particularity the historical Jesus of Nazareth What however if we began by focusing on the universal presence and activity of God in the world as symbolized by the Holy Spirit Yong develops just such a pneumatological approach to religions drawing by way of resource on the Pentecostal charismatic experience of the Spirit This book thus invites Pentecostals charismatics and other Christians to conceive of how a pneumatological approach to religions can invigorate the wider ecumenical conversation At the same time it also brings recent Pentecostal charismatic scholarship into dialogue with a broader audience including those interested in philosophical theology world religions global spiritualities and comparative religion and theology *Revelation in a Pluralistic World* Louis Roy, 2022 Examines Christian revelation in the context of ancient medieval and modern traditions and in conversation with other religious traditions **The Theology of Wolfhart**

Pannenberg Carl E. Braaten, Philip Clayton, 2016-07-30 How deep has Pannenberg's influence been on American theology Which particular ideas or themes from his work have been most pervasive to American thinkers and which have encountered the greatest resistance What implications does his work have beyond explicitly theological contexts e.g. for philosophy ethics environmental concerns political action and the natural sciences What new forms have his ideas taken as they have been adapted to fit the very different context of American theology The authors of the twelve critiques in this volume represent a broad cross section of American thought on religion The essays cover virtually all of the major areas in which Pannenberg has published An introductory survey provides a comprehensive overview of the critical literature on Pannenberg from the early 1960s to 1986 Together the essays represent an accurate barometer of the influence Pannenberg has had in America as well as the sorts of reservations that the English speaking world brings to his work It has now been many years since Pannenberg's first visit to the United States At that time the discussion with Pannenberg focused on the radically historical character of his proposal for theology centering around revelation and resurrection In the meantime Pannenberg's thought has expanded almost encyclopedically into most of the major disciplines studied in a modern university Without doubt the most comprehensive theologian at work today his place in the history of twentieth century theology is well assured

Mission after Pentecost (Mission in Global Community) Amos Yong, 2019-10-15 Bringing Pentecostal theology into the Bible and mission conversation Amos Yong identifies the role of the divine spirit in God's mission to redeem the world As

he works through the Bible from Genesis to Revelation Yong emphasizes the global missiological imperative People of all nations reaching out to people of all nations Sidebars include voices from around the globe who help the author put the biblical text into conversation with twenty first century questions offering the church a fresh understanding of its mission and how to pursue it in the decades to come **The Healer-Prophet in Afro-Christian Churches** Gerhardus C.

Oosthuizen,2016-05-18 Apart from the mainline Pentecostal and Zionist churches there are different types of African Independent Indigenous Churches AIC The greater part of the more than four thousand denominations and eight million adherents came into the AIC during the past three decades mainly from the traditional African religious background The important role of the diviner in the traditional society has been replaced by the prophet in the AIC the prophet understands the worldview of his her people especially the cultural diseases In some churches the office of prophet cum diviner is represented by one person The AIC movement is the most dynamic church movement in many parts of Africa especially Southern Africa The consistent growth of these churches can largely be accounted for by the healing procedures they use which are highlighted in this study Dr Oosthuizen approaches healing from various angles as sickness is not only determined by physical and psychological factors but also by disturbed human relationships and socio political and economic tensions

A New Heaven and a New Earth J. Richard Middleton, 2014-11-25 In recent years more and more Christians have come to appreciate the Bible's teaching that the ultimate blessed hope for the believer is not an otherworldly heaven; instead, it is full-bodied participation in a new heaven and a new earth brought into fullness through the coming of God's kingdom. Drawing on the full sweep of the biblical narrative, J. Richard Middleton unpacks key Old Testament and New Testament texts to make a case for the new earth as the appropriate Christian hope. He suggests its ethical and ecclesial implications, exploring the difference a holistic eschatology can make for living in a broken world.

In the Days of Caesar Amos Yong, 2010-09-14 *In the Days of Caesar* is a constructive political theology formulated in sustained dialogue with the Pentecostal and charismatic renewal, one of the most vibrant religious movements at the beginning of the twenty-first century. Amos Yong here argues that the many tongues, practices, and gifts of renewal Christianity offer up new resources for thinking about how Christian community can engage and transform the social, political, and economic structures of the world. Yong has three goals here. First, he seeks to correct stereotypes of Pentecostalism, both political and theological. Secondly, he aims to provoke Pentecostals to reflect theologically from out of the depths of their own Pentecostalism, rather than merely to adopt some framework for theological or political self-understanding. Finally, Yong shows that a distinctively Pentecostal form of theological reflection is not a parochial activity but has constructive potential to illuminate Christian belief and practice. This book's engagement with political theology from a Pentecostal perspective is the first of its kind.

The Bible and the Literary Critic Amos N. Wilder, 2013-12-01 This last of Amos Wilder's published works in the field of religion and literature collects twelve previously published or unpublished essays written with a single exception in the 1980s. Found here is the record of his views of postmodernism and the work of such contemporary figures as Paul Ricoeur, George Steiner, Frank Kermode, and the late Norman Perrin. As background, Wilder also includes two pieces that fill in the story of his own encounter with biblical scholarship, dating back to meeting Albert Schweitzer at Oxford in 1922. In 1961, John Dominic Crossan authored Wilder's intellectual biography for the Society of Biblical Literature's series on biblical scholarship in North America, *A Fragile Craft: The Work of Amos Niven Wilder*. The chapter, *Wilder on Crossan*, on Wilder offers an enticing dividend of this overview of New Testament studies in the twentieth century by a scholar whose active career spanned more than six decades.

Contemporary Biblical Hermeneutics Manfred Oeming, translated by Joachim Vette, 2017-09-29 Appearing in English for the first time, this classic introduction to the field of hermeneutics covers a wide range of approaches to biblical interpretation. Presenting a brief history of philosophical hermeneutics, Manfred Oeming uses a clear structure to emphasize why there are and why there must be different and differing approaches to the interpretation of a text, in this case, particularly the biblical text. The often-confusing multiplicity of approaches to biblical interpretation are introduced along accessible lines, concluding with an argument for an acceptance of a multiplicity of approaches to account for the many layers of the biblical text. Incorporating discussion of the German

hermeneutical tradition exemplified by the work of Heidegger Bultmann and Gadamer this book helps to bridge Anglo American and German scholarly traditions It will be of great assistance to students teachers and preachers
