From Courtship To Courtroom:

Taken Into Custody Stephen Baskerville,2007-09-01 *Taken into Custody* exposes the greatest and most destructive civil rights abuse in America today Family courts and Soviet style bureaucracies trample basic civil liberties entering homes uninvited and taking away people s children at will then throwing the parents into jail without any form of due process much less a trial No parent no child no family in America is safe The legal industry does not want you to hear this story Radical feminists bar associations and social work bureaucracies have colluded to suppress this information Even pro family groups and civil libertarians look the other way Yet it is a reality for tens of millions of Americans who are our neighbors

Courting Desire Rama Srinivasan,2020-01-17 *Courting Desire* traces organically evolving ideas on sexual consent and legal subjectivity through a study of marital patterns in North India Through research in courtrooms and community spaces it outlines the processes through which eloping couples secure legal validity for their relationships of choice where family arranged matches are the norm

Courtships, Marriage Customs, and Shakespeare's Comedies L. Giese,2016-04-30 Loreen L Giese s study of over 5000 important folios of court depositions contemporary with Shakespeare s plays demonstrates the complex ways those plays participate in and comment upon their culture rather than stand apart from it Both the court records and the plays present women as agents who are capable of challenging their traditional roles
