**From Enmity to Alliance** Raymond A. Esthus,1965

**Australian and US Military Cooperation** Christopher Hubbard,2017-11-30 Australia and the United States have found themselves fighting common enemies on the battlefields of the world for over half a century Australian ground forces have repeatedly stood shoulder to shoulder with American troops in conflicts from Korea and Vietnam to Afghanistan and now in the 2003 Iraq war This study looks closely at the key factors which for over fifty years have shaped interpreted and applied the aims and aspirations of this mutual defence agreement to the real world of shifting threats changing strategic balances and the democratic uncertainties of domestic politics A departure from the current literature the ANZUS alliance now updated to take account of the new post 11 September 2001 realities is presented as an accessible and concise survey of this often neglected but increasingly important trans Pacific link between the American giant and its durable Australian ally Suitable as supplementary reading at the 3rd year undergraduate and postgraduate levels of courses studying international relations generally but also useful for those engaged with elements of global and regional security and strategic defence analysis *The War Against Japan, 1941-1945* John J. Sbrega,2015-06-12 With over 5 200 entries this volume remains one of the most extensive annotated bibliographies on the USA s fight against Japan in the Second World War Including books articles and de classified documents up to the end of 1987 the book is organized into six categories Part 1 presents reference works including encyclopedias pictorial accounts military histories East Asian histories hisotoriographies Part 2 covers diplomatic political aspects of the war against Japan Part 3 contains sources on the economic and legal aspects of the war against Japan Part 4 presents sources on the military apsects of the war embracing land air and sea forces Religious aspects of the war are covered in Part 5 and Part 6 deals with the social and cultural aspects including substantial sections on the treatment of Japanese minorities in the USA Hawaii Canada and Peru **Australia And South Asia: The Crystallisation Of A Relationship** Ravindra Varma,2003-06 Southeast Asia has become a battleground of power politics today where even the so called Middle Powers have their vital stakes Australia s participation in the Southeast Asian drama has naturally aroused the interest of commentators and policy makers in Asia and abroad Australia is Asia s nearest white neighbour and 70% of its diplomatic activity is concerned with Asian affairs Dr Ravindra Varma s analysis of Australia s involvement in Southeast Asia since the Second World War forms the first full length study by an Asian writer of Australia s Asian policies The book has grown out of the author s research in India Australia and a number of Southeast Asian countries such as Malaysia Thailand Singapore South Vietnam The Philippines and Indonesia His discussions with officials politicians diplomats and statesmen of various nations in the area have helped the book to achieve a perspective which is intimate and detached at the same time The book is indispensable to students of international politics in general and specialists on South and Southeast Asia in particular *The Genesis of a Policy* Honae Cuffe,2021-11-16 The years 1921 57 marked a period of

immense upheaval for Australia as the nation navigated economic crises the threat of aggressive Japanese expansion and shifting power distributions with the world transitioning from British leadership to that of the US This book offers a reassessment of Australia's foreign policy origins and maturation during these tumultuous years Successive Australian governments carefully observed these global and regional forces The policy that developed in response was an integrated one that is one that sought to balance Australia's particular geopolitical circumstances with great power relationships and in assessing the value of these relationships ensure that the nation's trade security and diplomatic interests were served Amid the economic and strategic uncertainty of the interwar years the Australian government acknowledged the shifting power distributions in the global and Asia Pacific orders and that neither the policies of Britain nor the US completely served the national interest The nation accordingly sought to intervene within the policies of the great powers to ensure its particular interests were secured This geopolitically informed interventionist approach which had its genesis in the 1930s is traced throughout the 1940s and 1950s highlighting Australia's gradual and uneven transition from the British world order to that of the US and the frank assessments made about which relationship best served Australia's interests The *Genesis of a Policy* identifies a comprehensive and pragmatic approach albeit not always effectively executed in Australian foreign policy tradition that has not been previously examined

**Australian Security After 9/11** Derek McDougall, 2020-07-24 Debates on security became more intense following the unanticipated end of the Cold War conflict and took on added force after the terrorist attacks on the US on September 11 2001 Generally viewed as a part of the wider West despite its separation by enormous geographical distances from both Europe and the United States Australia is a regional power in its own right It has been an active and loyal member of the US led coalitions of the willing first in Afghanistan and then in Iraq The terrorist attacks in Bali one year after the attacks in the United States brought home to Australia the direct nature of the new global terrorist threats to its own security This volume brings together leading experts on international security and Australia's foreign and security policies in a critical examination of Australia's adaptations to the new security challenges It is the first in depth and comprehensive analysis of Australia's defence and security policies as well as the country's role in countering regional and global challenges to international security since the war on terrorism began

*Official Year Book of the Commonwealth of Australia No. 53, 1967*, *The Strategic Illusion* Ian Hamill, 1981 *Redefining the Bonds of Commonwealth, 1939-1948* F. McKenzie, 2002-06-06 This work is a path breaking study of the changing attitudes of Canada Australia New Zealand and South Africa to Britain and the Commonwealth in the 1940s and the effect of those changes on their individual and collective standing in international affairs The focus is imperial preference the largest discriminatory tariff system in the world and a potent symbol of Commonwealth unity It is based on archival research in Britain Canada Australia New Zealand and the United States

**Mud Map to AUKUS** Philip Du Rhone, 2021-11-29 How does the 2021 Indo Pacific security arrangement Australia has entered into with the United Kingdom and the United States fit into Australia's

historical approach to its defence and foreign affairs policies What experiences in the past have shaped Australia's attitude to defence Have these policies been influenced or even dictated by the public's opinions and beliefs or have they been formulated mainly by politicians diplomats specialists and commentators and imposed on the populace albeit gently or perhaps stealthily This book looks closely at the election campaigns of 1943 1946 and 1949 when the threat of attack and even invasion had been very real and imminent and the security of the country was uppermost in many people's minds at how the political leaders and commentators presented their opinions and ideas on future national defence and foreign policy to a public that may or may not have been interested and at how they argued it out amongst themselves testing the waters feeling their way into a new world order And so how much of Australia's defence and foreign affairs stance is based on its history its geographical position and the political nature of its neighbours leading to the conclusion that it will be that way forever and thereby clearly definable Australian-American Relations Joseph A. Camilleri, 1980 From the trial of the survivors we flash back to amoral crook Ralph Cotter's violent prison break assisted by Holiday Carleton sister of another prisoner who doesn't make it Soon Ralph manipulates the grieving Holiday into his arms and two crooked cops follow her into his pocket Ralph's total lack of scruple brings him great success in a series of robberies But his easy conquest of gullible heiress Margaret Dobson proves more dangerous to him than any crime *Pacific Affairs*, 1964 Includes book reviews and bibliographies

*Shaping Nations* Linda Cardinal, David John Headon, 2002 As questions concerning nationhood and national identity continue to preoccupy both Canada and Australia *Shaping Nations* brings together the work of Australian and Canadian scholars around five core themes constitutionalism colonialism republicanism national identity and governance Published in English *John Curtin* Lloyd Ross, 2018-07-20 This is an important classic biography of an Australian Prime Minister whose life still exerts an abiding influence on Australian society and national consciousness a key figure in Australian history Curtin was a complex character Warm and sympathetic but cold and aloof a comrade but a loner a rebel and anti conscriptionist but Prime Minister Moody irritable uncertain changeable vacillating temperamental opportunist sentimental courageous all are true of Curtin Lloyd Ross sums up the character of the wartime Labor Prime Minister who fought Churchill to bring back Australian troops from Europe to defend our nation An intense and passionate orator Curtin inspired respect in cynical Australians by his unassuming dignity straightforwardness and refusal of any personal privilege **The Pearl Harbor Myth** George Victor, 2007 Did U S intelligence know of Japan's coming attack on Pearl Harbor Did President Roosevelt know If so why did he withhold warnings from the commanders in Hawaii The answers are embedded in the cogent analysis of The Pearl Harbor Myth Based on voluminous data that does not appear in other books on the topic it discusses in detail Roosevelt's developing strategy both military and diplomatic and his secret alliances to save the world from Hitler It contains a wealth of fresh material on secret diplomacy on secret military strategy planning and intelligence and on disguised combat operations that began six months before the Pearl Harbor attack **Publication** Duke University. Commonwealth-Studies

Center,1969      Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1968 Includes Part 1  
Number 1 Books and Pamphlets Including Serials and Contributions to Periodicals January June      *Accessions List* United  
States. Department of State. Library Division,1965      **Contemporary Australia** Geoffrey Serle,1969 A series of essays  
resulting from the 1967 68 program of seminars and lectures on Australia under the auspices of the Commonwealth Studies  
Center
