The Multinational Kingdom in Isaiah Andrew H. Kim, 2020-09-24 The kingdom of God functions as a key theme that clarifies the direction of redemptive history The canonical narrative portrays God s dealing with humanity on both individual and corporate levels Throughout the history of the church many have claimed that national Israel is best read as a type of an eschatological consummation of individuals drawn from all nations However does the direction of redemptive history consummate with a redemption of individuals or does it include national entities Do the promises to national Israel become fulfilled typologically through a singular corporate reality or in a multinational kingdom which includes national Israel In The Multinational Kingdom in Isaiah Andrew H Kim addresses arguments from those who claim that Isaiah serves as a turning point in which national distinctions are erased in the eschatological kingdom Kim argues that Isaiah envisions a multinational kingdom comprised of Israelites and gentiles with national and territorial distinctions

Democracy in America: Is it in Peril? Plammoottil V. Cherian, 2023-02-23 Democracy in the world is backsliding in many countries around the globe at the present time due to various reasons Different nations may have their own particular

reasons such as socioeconomic inequality poverty failure of checks and balances that may result in an abrupt military coup d'etat to change from democracy to tyranny In nations where democracy failed there were no tanks on the street Constitution of the land remained but elected leaders became autocrats maintaining a veneer of democracy America being a nation with nearly 80 percent of Christians has been the strongest democracy in the world who championed it as the model for the rest of the world However democracy in America appears to be in peril because of political bickering partisan gridlock and promulgation of falsities misinformation and faux faith by one political party By introducing the foundational principles of democracy from the philosophical arguments of Socrates Plato and Aristotle the author shows how and why the cornerstone of democracy in America shows signs of crumbling The book vividly explains Politics without God will shatter the foundation of democracy Present political system rejects the checks and balances laid by the founding fathers The right wing has cultivated a spirit of untruth that spreads like a wildfire Rejecting truth by political parties and leadership is a sign of strong delusion There is a clear moral bankruptcy in the present political sphere of our nation The brightness of democracy in America which Tocqueville praised has been tarnished Hypocritical and dishonest leaders should not reign lest the people be ensnared American politicians must register their solemn oath in heaven to act in truth No nation can be established in one day but can shatter in one day by a despot America must realign with God to lead the nation in truth justice and freedom for all Democracy turns to tyranny when a moral man becomes amoral With biblical prophecies and instructions the author shows that America faces a real threat to its democracy unless it resists tyrants with all their mind soul and strength which is obedience to God who can anchor the nation on its solid foundation set by the Founding Fathers Every citizen political and judicial leaders of the nation are the cupbearers and the watchmen of the nation **The Sabbath Recorder** ,1918

Peterson,2024-06-17 In this unique and insightful work Robert Peterson insists that we look afresh at all that the Bible teaches about who our Savior is and what he has accomplished with the conviction that a careful examination of this teaching will lead us to adoration and worship Peterson explains the saving work of Christ both his deeds and the biblical pictures illustrating them and thereby points to the magnitude of what Jesus did to save sinners Offered here is a substantive significant and enduring treatise on a key Christian doctrine the work of Christ **An Analogy of the Old and New**
