### **From Fear To Fury:**

*When Cotton Was King* Alvin S. Yusin, 2017-10-17 It is 1795 in Williamsburg Virginia as the son of an alcoholic father and bastard mother grows up in poverty Still little Andrew Blackstone is resolute to make something of his life and does years later when he acquires a fortune through illegal slave trade Determined to achieve economic and social dominance Andrew eventually marries into the Wellworth family rich in ancestry but poor in purse His wife Rebecca who was raised by a slave until her father sold her wants to buy back Momma Jo When she learns she has died leaving two sons Michael and Gabriel Rebecca buys and then frees the boys prompting Michael to meet John Brown and participate in the Pottawatomie massacre As the Blackstone family is impacted by other antebellum events that include the Fugitive Slave Act Underground Railroad and the Kansas Nebraska Act Rebecca gives birth to twins Jackson and Arabella But as tensions increase between the north and south and a civil war looms on the horizon the Blackstones are all about to learn the power of battle and its ability to not just transform the country but also their lives and the lives of their descendants The Island at the End of the World Sam Taylor, 2009-08-25 A chilling post apocalyptic tale of how far a father will go to protect his children from the author of *The Amnesiac* In a world nearly destroyed by catastrophic floods one family has been spared Many years ago as the waters rose a father and his three children took to their ark and drifted to the safety of a small island Life there is a quiet idyll of music and farming and young Alice Finn and Daisy are grateful for their salvation until the day a stranger swims ashore A terrifyingly plausible adventure story *The Island at the End of the World* is a mesmerizing novel from an exciting new writer

Oppositions and Ideology in News Discourse Matt Davies, 2012-11-22 Constructed opposition has proved as viable an area of research as traditional antonymy and a useful tool in looking at ideologically orientated texts This book investigates how binary oppositions are constructed discursively and the potential ideological repercussions of their usage in news reports in the British press The focus is particularly on the positive presentation of groups and individuals subsumed under the first person plural pronouns us and we and the simultaneous marginalization of groups designated as they or them Exploring the dynamic relations between the linguistic system and language in context this is a key publication for those involved in discourse analysis and stylistics *Enchant Me* J. Kenner, 2021-10-26 In our years together I've heard all the rumors faced all the dark secrets and survived the danger that comes hand in hand with loving a powerful magnate like Damien Stark Now we're ready to celebrate our legacy and turn our eyes toward the future by renewing our wedding vows I didn't expect anyone to object Especially not the son my husband never knew existed But he's here he's real and he's absolutely livid Our vows of love and fidelity are forgotten as this wayward heir instead promises to destroy everything we hold dear everything that should have belonged to him instead of my children Our world falls to chaos Damien is wrecked and I don't know where to turn What might this unexpected blast from the past mean for our family's future

Dirkson,2024-07-23 Honorable Mention 2025 Joe Trotter First Book Award given by the Urban History Association Explores how concerns about poverty induced Black crime cultivated by police journalists and city officials sparked a rise in tough on crime policing in Philadelphia During the Great Migration of African Americans to the North Philadelphia s police department journalists and city officials used news media to create and reinforce narratives that criminalized Black people and led to police brutality segregation and other dehumanizing consequences for Black communities Over time city officials developed a system of racial capitalism in which City Council financially divested from social welfare programs and instead invested in the police department promoting a tough on crime policing program that generated wealth for Philadelphia s tax base in an attempt to halt white flight from the city Drawing from newspapers census records oral histories interviews police investigation reports housing project pamphlets maps and more Hope and Struggle in the Policed City draws the connective line between the racial bias African Americans faced as they sought opportunity in the North and the over policing of their communities of which the effects are still visible today Menika B Dirkson posits that the tough on crime framework of this time embedded itself within every aspect of society leading to enduring systemic issues of hyper surveillance the use of excessive force and mass incarceration Hope and Struggle in the Policed City makes important contributions to our understanding of how a city government s budgetary strategy can function as racial capitalism that relies on criminal scapegoating Most cogently it illustrates how this perpetuates the cycle of poverty induced crime inflates rates of incarceration and police brutality and marginalizes poor people of color      **Heiress in Love** Christina Brooke,2011-06-28 When the Ministry of Marriage arranges

a match all that matters is power wealth and prestige In the business of marriage there is no room for love But even the most prudent plans can go awry Jane Lady Roxdale has endured one marriage of convenience decreed by the Ministry of Marriage While she deeply regrets her late husband s death she is relieved to be free at last But when a dissolute rake threatens everything Jane holds dear she must contemplate marrying a second time Disgraced libertine Constantine Black inherits his cousin Roxdale s land and title while Roxdale s prim widow is left all the wealth Constantine is not a marrying man but wedding Jane is the only way to save the estate from ruin Jane resists the smoldering heat between them desperate not to fall in love with an unrepentant rake But for the first time ever Constantine wants more than seduction He wants all of her body heart and soul

*Sanskrit Criticism* V. K. Chari,V.K. Chan,1993 This innovative study develops a unified theory of literature by critically evaluating the categories of sanskrit poetics from a single theoretical standpoint that of rasa the theory that holds that poetry is essentially emotive discourse Literature Chari argues is defined not by the use of any formal linguistic devices but rather by the emotive meaning embodied is therefore the proper aim and the common denominator of all literary works
