From Condoms To Cabbages An Authorized Biography Of Mechai Viravaidya:

From Condoms to Cabbages Thomas D'Agnes, 2001 Culture and the Condom Karen Anijar, Thuy Dao Jensen, 2005 In the last decade of the twentieth century the safe sex message advocating the use of condoms to prevent pregnancy and curb the spread of AIDS and other sexually transmitted diseases has endured relentless attacks by conservative religious groups who seek to instill doubt and promote an abstinence only theme in American public schools The essays in this book provide a stimulating historical and cultural inquiry into the multiplicity of meanings attributed to one prophylactic the condom Given the vast array of sexual attitudes toward condom usage within American culture and around the world Culture and the Condom will provoke readers into examining significant dominant discourses and alternative perspectives by viewing condoms through the lens of cinematic and television imagery artistic representations statistical analyses commercial advertising and animation **Historical Dictionary of Thailand** Gerald W. Fry, Gayla S. Nieminen, Harold E. Smith, 2013-08-08 Throughout its history Thailand has shown remarkable resiliency adaptability and creativity in responding to serious threats and crises and this since much earlier times when it was known as Siam This book while focusing on the modern period does reach back to ancient kingdoms but also shows the impressive rise to a modern democracy although still endowed with a king and even more impressively an economic tiger Moreover it has become a prime tourist destination and is thus known to vast numbers of foreigners as a sort of instant Asia The Historical Dictionary of Thailand now in its third edition covers this amazing story in various ways First the chronology traces the most significant events from year to year The introduction then provides a good overview of the land and people the history and traditions and where it now seems to be heading The dictionary which by now has hundreds of detailed and cross referenced entries looks more closely at important persons places institutions and events as well as more generally its politics economy society culture and religion So this is an excellent reference work not only for scholars but many others who have visited the country and were fascinated by it **Preventing Human Trafficking** Robert W. Spire, 2016-03-03 This book explores human trafficking examining the work of grass roots non profit organizations who educate and rehabilitate human trafficking victims and at risk youth Through interviews with staff and children the author compares the work of two NGOs on the ground in Thailand with the work of similar organizations overseas shedding light on the ways in which they combine educational work with shelter settings to prevent human trafficking protect young people and attempt to provide a future free of exploitation Concentrating less on the details of exploitation itself than the work that is being done to prevent exploitation and protect those who have experienced human trafficking Preventing Human Trafficking explores the many challenges faced by the organizations their staff and the children they serve Drawing on rich qualitative research to address significant gaps in our knowledge of the work of NGOs and propose solutions to the problems of trafficking and how to protect its victims this book will appeal to social scientists and policy makers with interests in criminology exploitation people trafficking non formal education and the

work of NGOs **Human Rights and Social Justice in a Global Perspective** Susan C. Mapp, 2014 This thoroughly revised edition provides an updated introduction to a variety of issues in the Global South relating to international social work including AIDS forced labor and war and conflict United Nations human rights documents are used as a framework to examine issues in their cultural contexts Thai Migrant Sexworkers K. Aoyama, 2009-01-30 Exploring sexwork and trafficking in a globalized culture and economy this book offers a critique of increasingly stringent policing worldwide following the UN protocol against trafficking in persons It highlights the grey area between sex work and trafficking and draws on the themes of gender migration and deviance Sex and War Malcolm Potts, Thomas Hayden, 2010-02-02 As news of war and terror dominates the headlines scientist Malcolm Potts and veteran journalist Thomas Hayden take a step back to explain it all In the spirit of Guns Germs and Steel Sex and War asks the basic questions Why is war so fundamental to our species And what can we do about it Malcolm Potts explores these questions from the frontlines as a witness to war torn countries around the world As a scientist and obstetrician Potts has worked with governments and aid organizations globally and in the trenches with women who have been raped and brutalized in the course of war Combining their own experience with scientific findings in primatology genetics and anthropology Potts and Hayden explain war s pivotal position in the human experience and how men in particular evolved under conditions that favored gang behavior rape and organized aggression Drawing on these new insights they propose a rational plan for making warfare less frequent and less brutal in the future Anyone interested in understanding human nature warfare and terrorism at their most fundamental levels will find Sex and War to be an illuminating work and one that might change the way they see the world **Buzz** Emanuel Rosen, 2010-10-01 Buzz is the most valuable marketing tool there is and yet it s under researched and overlooked as a method of reaching customers The groundbreaking The Anatomy of Buzz told us why buzz matters studies and real life phenomena from the iMac to Cold Mountain prove that consumer recommendations are the best form of advertising or marketing Now Rosen who has spent years studying buzz has added findings from cutting edge research and 100 new interviews with field leaders to show you how to create it The result with tips on subjects from seeding the market to accelerating natural contagion is essential reading not only for marketers but for anyone who wants to spread their message **Combating AIDS** Arvind Singhal, Everett M Rogers, 2003 Awarded the Annual Award for Distinguished Scholarly Book in Applied Communication by the National Communication Association USA This gripping narrative not only documents the history of humankind s interaction with a clever virus it brings to the forefront the much and understated and underused role of communication in HIV and AIDS prevention care and treatment Singhal and Rogers remind us that our global environment is shaped by powerful communication means and methods that if properly harnessed can help defeat the plague of the 21st century Neil McKee Senior Technical Advisor for HIV AIDS and Adolescent Health Johns Hopkins University This book is an important contribution to AIDS education globally The rich and diverse cases analyze humanize and contextualize the

continuum of HIV AIDS prevention care and support Researchers and practitioners will find this book most useful Collins Airhihenbuwa Professor of Bio Behavioural Health Penn State University Educating people about AIDS is one of the biggest communication challenges that we face today This remarkable book is a must read for anyone who wants to understand the challenges and ways to overcome it Thorough and hopeful this is one of those books that can actually make a difference in this world Emanuel Rosen author of The Anatomy of Buzz A thoroughly readable and inspiring book by two of the world's foremost health communication experts Accessible and personalised it is a must read for all those interested in AIDS prevention care and support Shereen Usdin Co Founder of the Soul City Institute of Health and Development Communication South Africa This book provides a comprehensive analysis of the strategies related to HIV AIDS communications It is published at a critical moment as the world increasingly realizes the role of communication in the fight against HIV AIDS Rafael Obregon Social Communication Advisor Pan American Health Organization Combating AIDS is slickly written using communicators theories taking the reader step by step through various arguments and using repetition to ingrain them in the reader's mind Ritu Priya Nature HIV AIDS is a matter of global concern The world is now more than 20 years into the HIV AIDS crisis with no vaccine in sight and relatively few effective and sustainable prevention programs Although the rate of HIV infection and AIDS deaths has declined in the richer nations of the developed world infection rates are soaring in developing countries AIDS is now the leading cause of death in Africa and the fourth leading cause of death globally The purpose of this book is to synthesize critical lessons about effective HIV AIDS prevention programmes with a major emphasis on communication strategies The authors feel that despite the growing AIDS crisis the world is making poor use of behaviour change and communication strategies for HIV AIDS prevention To begin with the role of communication strategies in HIV prevention care and support has been grossly underestimated Prevention is shortchanged despite the fact that no cure for AIDS has been found and the cost of anti retroviral therapy is out of reach for most who need it Many communication strategies are culturally inappropriate so they may offend public sensitivities which is easy to do when dealing with a sensitive topic that involves sex stigma and death Combating AIDS Communication Strategies in Action focuses on communication strategies that could mobilize political action target high risk groups and overcome stigma The authors have also described and analyzed the value of entertainment education strategy in HIV prevention

The Age of Responsibility Wayne Visser, 2011-03-08 This landmark book shows how the old model of corporate sustainability and responsibility is being replaced by a second generation movement that goes beyond the outmoded approach of CSR as philanthropy or public relations concern to a more authentic stakeholder driven model The author describes the new concept and mission of the new movement and explains its agenda in a succinct guide that will be useful for CSR professionals including managers consultants academics and non governmental organizations

Innovation in Strategic Philanthropy Helmut K. Anheier, Adele Simmons, David Winder, 2007-08-29 This book is the result of case studies conducted as part of the

International Network on Strategic Philanthropy which focus on the role of philanthropy in the globalization process and in lesser developed economies Throughout they emphasize the lessons in innovation that can be taken from them and together demonstrate that emerging philanthropic institutions can develop their own methods and offer criteria that the Western world might learn from

Education in Thailand Gerald W. Fry, 2018-11-01 This interdisciplinary book offers a critical analysis of Thai education and its evolution providing diverse perspectives and theoretical frameworks In the past five decades Thailand has seen impressive economic success and it is now a middle income country that provides development assistance to poorer countries However educational and social development have lagged considerably behind its globally recognized economic success This comprehensive book covers each level of education such as higher and vocational technical education and such topics as internationalization inequalities and disparities alternative education non formal and informal education multilingual education educational policy and planning and educational assessment The 25 Thai and 8 international contributors to the volume include well known academics and practitioners Thai education involves numerous paradoxes which are identified and explained While Thailand has impressively expanded its educational system quantitatively with much massification quality problems persist at all levels As such the final policy oriented summary chapter suggests strategies to enable Thailand to escape the middle income trap and enhance the quality of its education to ensure its long term developmental success

The Association of Southeast Asian Nations Gerald W. Fry, 2008 The Association of Southeast Asian Nations ASEAN was established in 1967 Forty years later ASEAN agreed upon a charter for the organization Providing an overview of the dynamic Southeast Asian region and the 10 member nations that make up this organization this title highlights the association s successes and details its failures

Understanding Aids S.metha, 2004 World Population Policies John F. May, 2012-03-30 This book examines the history behind the formulation implementation and evaluation of population policies in the more developed the less developed and the least developed countries from 1950 until today as well as their future prospects It links population policies with the theories of the demographic epidemiological and migratory transitions It begins by summarizing the demographic situation around the world with an emphasis on population policies and their underlying theories Then it reviews the early efforts to reduce mortality and fertility in the developing countries This is followed by a description of the internationalization of the debate on population issues and the transformation of these programs into more formal population policies particularly in the developing countries The book reviews also the situation of the developed countries and their specific challenges sub replacement fertility population aging and immigration and examines the effectiveness of population policies It also explores the way forward and future prospects for population policies over the next decades The book provides numerous concrete examples from all over the world and show how population policies are actually implemented and what have been their successes as well as their constraints Above all the book highlights the importance of understanding underlying demographic trends when assessing the

development prospects of any country The book is recommended for not only demographers social scientists and policymakers but also economists and political scientists who are interested in social and demographic change around the world Demography students and researchers who are interested in applying knowledge on population trends and prospects in designing and evaluating public policies will find this an invaluable reference work Aids in the World Jafar Mahmud,2004 Don't Beg. Inspire. Suman Srivastava,2021-11-17 How the social sector can raise money create social change advocate a cause and engage with people Every organisation in the social sector has at least two of the above needs This book uses the principles of Nudge Theory to show how to fulfil these needs better The book takes a storytelling approach rather than an academic one and is packed with examples from India and around the world The centrality of marketing for social change is a severely underrated and largely berated idea This book takes this complex often ethical often emotional issue by the horns and lays down a cogent articulate and hugely interesting narrative around the why what and how of marketing for the larger social good Gaurav Shah Founder Director Indian School of Development Management An inspirational and essential book for everyone at all levels in the social sector We solve wicked problems for the most vulnerable every day Our work is critical and yet we beg for support Suman uses a combination of rigorous academic theory fascinating stories and practical advice to show us how we can become evangelists and storytellers to inspire and engage many others to join our movement to create a better world Priya Naik Founder CEO Samhita Social Ventures This is not just a good book an interesting book but a great book because it s a practical hand book for all the stakeholders in the social sector Those who are struggling to establish themselves those who want to scale up those who want to evaluate prospective donees and those who want to write about the sector I wish I had read this book when I co founded Yuva Parivartan nearly 25yrs ago Kishore Kher President Trustee Kherwadi Social Welfare Association **Love Entrepreneurs** Phil Nicks,2008 *Building Dynamic Democratic Governance and HIV-resilient Societies* Lee-Nah Hsu,2004 Food and Nutrition Security in the Process of Globalization and Urbanization Uwe Kracht,Manfred Schulz,2005 This reader examines key issues of food and nutrition security under the driving forces of globalization and urbanization Although much has been written on food security a systematic treatment of a historical empirical view is a recent development The book s contributions build on the 1999 volume of Food Security and Nutrition The Global Challenge It is written for a broad audience including scientists experts consultants practitioners of development aid and students The reader constitutes one of the most comprehensive compendia of its kind Series Spektrum Berliner Reihe zu Gesellschaft Wirtschaft und Politik in Entwicklungs l ndern Berlin Series on Society Economy and Politics in Developing Countries Vol 84
