*24-Hour Cities* Hugh F. Kelly, 2016-07-15 Winner of the Gold Award in the Tenth Annual Robert Bruss Real Estate Book Competition 24 Hour Cities is the very first full length book about America s cities that never sleep Over the last fifty years the nation s top live work play cities have proven themselves more than just vibrant urban environments for the elite They are attracting a cross section of the population from across the U S and are preferred destinations for immigrants of all income strata This is creating a virtuous circle wherein economic growth enhances property values stronger real estate markets sustain more reliable tax bases and solid municipal revenues pay for better services that further attract businesses and talented individuals Yet just a generation ago cities like New York Boston Washington San Francisco and Miami were broke financially and physically scarred by violence and prime examples of urban dysfunction How did the turnaround happen And why are other cities still stuck with the hollow downtowns and sprawling suburbs that make for a 9 to 5 urban configuration Hugh Kelly s cross disciplinary research identifies the ingredients of success and the recipe that puts them together

*Mass Media Revolution* J. Charles Sterin, Tameka Winston, 2017-11-22 Now in its Third Edition Mass Media Revolution remains a dynamic guide to the world of mass media enhancing its readers development as critical consumers It features a wealth of expanded content with particular

attention to diversity in the media industry reality TV ethics and social media and the evolution of online journalism Chapter content is aligned to the ACEJMC national academic standards      **Media Technologies and Posthuman Intimacy** Jan Stasienko, 2021-12-16 Constructing a theory of intimacy describing processes occurring between a human subject and information creations Jan Stasienko shows in what way and in what phases that relationship is built and what its nature is He discusses technologies and genres related to the construction of a new television message teleprompter interactive television forms appearing both in the analogue and digital eras composition of the film image and specificity of cinematic technologies peep show hybrid animation digital visual effects Also new media technologies and genres will be discussed for example aspects relating to computer games and Web portals making video materials available This diversity is prompted by the desire to show that the building of intimacy protocols is not the domain of the digital era and on the other hand that the posthumanism of media apparatus is a wide ranging problem i e the area encompasses various vehicles findable throughout various historical periods      Alphabet to Internet Irving Fang, 2014-11-13 What Greek philosopher thought writing would harm a student's memory Was the poet Byron's daughter the first computer programmer Who plays more video games women over 18 or teenage boys In Alphabet to Internet Media in Our Lives Irving Fang looks at each medium of communication through the centuries asking not only What happened but also How did society change because of this new communication medium and How are we different as a result Examining the impact of different media on a broad historical scale among them mass printing the telegraph film the internet and advertising Alphabet to Internet takes us from the first scratches of writing and the origins of mail to today's video games the widespread and daily use of smartphones and the impact of social media in political uprisings across the globe A timeline at the end of each chapter places events in perspective and allows students to pinpoint key moments in media history Now in its third edition Alphabet to Internet presents a lively thoughtful and accessible introduction to media history      From Goodwill to Grunge Jennifer Le Zotte, 2017-02-02 In this surprising new look at how clothing style and commerce came together to change American culture Jennifer Le Zotte examines how secondhand goods sold at thrift stores flea markets and garage sales came to be both profitable and culturally influential Initially selling used goods in the United States was seen as a questionable enterprise focused largely on the poor But as the twentieth century progressed multimillion dollar businesses like Goodwill Industries developed catering not only to the needy but increasingly to well off customers looking to make a statement Le Zotte traces the origins and meanings of secondhand style and explores how buying pre owned goods went from a signifier of poverty to a declaration of rebellion Considering buyers and sellers from across the political and economic spectrum Le Zotte shows how conservative and progressive social activists from religious and business leaders to anti Vietnam protesters and drag queens shrewdly used the exchange of secondhand goods for economic and political ends At the same time artists and performers from Marcel Duchamp and Fanny Brice to Janis Joplin and Kurt Cobain all helped make secondhand style a visual marker for

youth in revolt      *The Poetics and Politics of Invective Humor* Katja Schulze, 2022-11-07 Vituperation disparagement and debasement seem to have become part of the mainstream discourse in contemporary US American media culture Zooming in on a distinct televisual comedy genre Katja Schulze explores the formal principles media specific realizations and the cultural work of disparagement in contemporary female led situation comedies Subsequently larger patterns of gender based invective strategies and conventions that define the dynamism of this comedic genre come into view Her study outlines case studies of popular sitcoms like Parks and Recreation Mike Molly and the revival of hit sitcom Roseanne thereby unearthing how the shows are able to stage humor as mass mediated deprecation a signifying practice with its own poetics and politics

*In the Shadow of Boone and Crockett* Ian C. Hartman, 2024-01-12 Well researched and well argued provocative and imaginative *In the Shadow of Boone and Crockett* examines the image of the pure Appalachian Anglo Saxons who furnished hope for the future and the less flattering image of the degenerate poverty stricken mountaineers with blood on their hands In a wide ranging exploration that reaches from Teddy Roosevelt to JFK Ian C Hartman examines the idea of Appalachian exceptionalism over time and what that has meant for the region and for America James C Klotter state historian of Kentucky and professor of history Georgetown College Extending from the southern Appalachians through the rolling hills of Kentucky and Tennessee to the Ozarks of Arkansas and Missouri the upland South emerged in American lore as the setting where Daniel Boone David Crockett and other rugged frontiersmen forged a modern nation and headed west to become the progenitors of what some viewed as a new and superior American race Others however saw this region as the breeding ground of poor debased whites the hillbillies and white trash of popular stereotypes These conflicting identities have long dominated public discourse about the region as well as fostered a deep fascination with it In this compelling study part political and part cultural history Ian C Hartman probes the late nineteenth century context from which this paradox arose and the array of personalities expressions and policies that sought to resolve it or at least make sense of it in the decades that followed He begins by investigating the writings of race theorists including future president Theodore Roosevelt whose multivolume *The Winning of the West* 1889 96 furthered the tale of a heroic and distinctly American stock who with axe and rifle conquered a continent Hartman relates these myths to the rise of the early twentieth century eugenics movement which sought to regenerate and purify a once proud but now impoverished and degraded people through policies that included forced sterilization to weed out imbeciles Hartman goes on to showcase the surprising ways in which the contradictory identity of the upland South affected broader national debates about imperialism crime and punishment poverty and inequality and the growth and decline of the postwar welfare state Whether considering the racial implications of a 1930s Appalachian folk festival the stereotypical but often sympathetic portrayals of rural southerners in sitcoms like *The Beverly Hillbillies* and *The Andy Griffith Show* or the shifting perceptions of President Lyndon B Johnson's War on Poverty *In the Shadow of Boone and Crockett* is a consistently provocative book that invites readers to ponder a fresh set of ideas about

America's race history that have shown remarkable traction for more than a century Ian C Hartman is an assistant professor of history at the University of Alaska Anchorage His articles and reviews have appeared in the Journal of Southern History Cultural Studies Critical Methodologies Appalachian Journal and Multicultural America A Multimedia Encyclopedia among other publications
