TO HELL AND BACK

---

A VOICE FROM THE PAST

---

*Are they dreams or a message that she's in danger? While engaged to be married and serving time in the military, one person's lie cost him the love of his life. It had been over thirty-five years since they'd last seen each other, and now, all of a sudden, she's back! Not in physical form, but in the form of repetitive dreams that refused to go away.*

Through all the long and lonely years of separation, he couldn't stop himself from loving her. In time, the soft and gentle dreams became frightening nightmares, leading him on a relentless search for his only true love.
