Haws,2015-03-17 For many years a man known as Brushy Bill Roberts proclaimed to all who would listen that he was the historical and legendary Billy the Kid alive and well And there were various books written that claimed this to be true As a result many became convinced of the validity of Brushy s claim and Brushy s elaborate fable has continued to capture the imagination In this book the author has attempted to dispel the elaborate hoax once and for all Brushy Bill Roberts was not Billy the Kid He was in fact just an interesting elderly man known by his family and acquaintances as a colorful Old West storyteller **American Book Publishing Record Cumulative, 1950-1977** R.R.
