

An illustration of a man in a rugged, outdoor setting. He is standing on a rocky, grassy outcrop, looking off to the right. He is wearing a dark, patterned tunic and trousers. He holds a longbow in his right hand and an arrow in his left. The background is a stylized landscape with blue and white areas representing sky and water or distant land. The overall style is reminiscent of early 20th-century pulp magazine illustrations.

## Edge Of Manhood:

**The End of Manhood** John Stoltenberg, 2005-06-20 In this practical follow up to *Refusing to be a Man* John Stoltenberg uses a combination of case studies autobiography checklists and discussion points to speak directly to men about how the social construction of manhood operates in everyday relationships and to show how these same dynamics drive the behaviour of gangs race hate groups and international imperialism Readers will find here new perspectives on intimacy gender and violence and be pushed to re examine their ideas of manhood and gender identity generally Stoltenberg s new introduction sets the book in academic context summarising the game theory of gender which underlies all his work

**The Making of "This Side of Paradise"** James L. W. West, III, 2016-02-04 To write it took three months to conceive it three minutes to collect the data in it all my life So said F Scott Fitzgerald regarding *This Side of Paradise* the novel he began writing in November 1917 and published on March 26 1920 *This Side of Paradise* launched Fitzgerald as the Prophet of the Jazz Age and the spokesman for his generation It is still one of the major reasons for his fame today The story of how Fitzgerald wrote and published the book is fascinating In *The Making of This Side of Paradise* James West studies the inception composition publication and textual history of the novel He traces its growth from its earliest version entitled *The Romantic Egotist* to its final published form Based on preserved documentary evidence fragments of *The Romantic Egotist* the manuscript of *This Side of Paradise* surviving correspondence and other papers this volume blends the techniques of biographical critical and textual scholarship to tell the story of the making of the quintessential novel of the twenties

**Mark Twain & Company** Leland Krauth, 2003 In this comparison of Mark Twain with six of his literary contemporaries Leland Krauth looks anew at the writer s multifaceted creativity Twain a highly lettered man immersed in the literary culture of his time viewed himself as working within a community of writers He likened himself to a guild member whose work was the crafted product of a common trade and sometimes made with borrowed materials Yet there have been few studies of Twain in relation to his fellow guild members In *Mark Twain the humor and social criticism of Twain and Howells the use of the Gothic by Twain and Stowe to explore racial issues the role of Victorian Sage assumed by Arnold and Twain to critique civilization the exploitation of adventure fiction by Twain and Stevenson to reveal conceptions of masculinity and the use of the picaresque in Kipling and Twain to support or subvert imperialism* Mark Twain Company casts new light on some of the most enduring writers in English At the same time it refreshes the debate over the transatlantic nature of Victorianism with new insights about nineteenth century morality conventionality race corporeality imperialism manhood and individual identity

**Sovereign Masculinity** Bonnie Mann, 2014-02 Through examining practices of torture extra judicial assassination and first person accounts of soldiers on the ground Bonnie Mann develops a new theory of gender

**Young Masculinities and Sexual Health in Southern Africa** Deevia Bhana, Morten Skovdal, Kaymarlin Govender, 2025-05-19 This book examines the complex relationships between young masculinities and sexual health within Southern Africa It considers how socio cultural and

economic factors shape young men's experiences of masculinity and the effects on relationship dynamics gender norms and sexual health Through thematic chapters covering love pleasure social norms risk and HIV the book emphasises the global importance of engaging young men in fostering gender equity and promoting healthier sexual practices Readers will benefit from a diverse range of methodologies and perspectives that highlight the plurality and fluidity of masculinities challenging monolithic accounts of young men in the region whilst illustrating the global relevance of understanding local contexts in shaping masculinities The book provides valuable insights for developing effective sexual health interventions that recognise and embrace other masculinities Sexual health approaches that resonate with the lived realities of young men can potentially enhance young men's engagement and participation in promoting healthier relationships and practices With important insights for theory policy and practice this book will be of interest to researchers across the fields of critical masculinity studies sexual and reproductive health gender studies and African studies as well as policymakers development practitioners and activists

**Manhood in Hollywood from Bush to Bush** David Greven, 2010-01-01 A struggle between narcissistic and masochistic modes of manhood defined Hollywood masculinity in the period between the presidencies of George H W Bush and George W Bush David Greven's contention is that a profound shift in representation occurred during the early 1990s when Hollywood was transformed by an explosion of films that foregrounded non normative gendered identity and sexualities In the years that have followed popular cinema has either emulated or evaded the representational strategies of this era especially in terms of gender and sexuality One major focus of this study is that in a great deal of the criticism in both the fields of film theory and queer theory masochism has been positively cast as a form of male sexuality that resists the structures of normative power while narcissism has been negatively cast as either a regressive sexuality or the bastion of white male privilege Greven argues that narcissism is a potentially radical mode of male sexuality that can defy normative codes and categories of gender whereas masochism far from being radical has emerged as the default mode of a traditional normative masculinity This study combines approaches from a variety of disciplines psychoanalysis queer theory American studies men's studies and film theory as it offers fresh readings of several important films of the past twenty years including *Casualties of War* *The Silence of the Lambs* *Fight Club* *The Passion of the Christ* *Auto Focus* and *Brokeback Mountain*

Women's History at the Cutting Edge Karen Offen, Chen Yan, 2020-06-04 This book considers the promise of women's and gender history for revolutionizing our understanding of the past while also acknowledging the current national political financial and other contextual realities that can and do constrain or promote the possibilities for researching and writing women's history The editors assert that the promise of women's and gender history is a cutting edge field of research a revolutionary development in the politics of historical scholarship essential for understanding the human past Further they argue for the inseparability of women's history and gendered analytical approaches The contributors to the volume address questions including what have been the achievements of women's and gender history over the past two decades To what

extent has it succeeded in making women's history an integral part of historical study rather than an optional specialist area  
 What impact has the study of manhood masculinities and men's gendered power had on our understanding of women's lives  
 What is the relationship between gender studies and new critical histories of colonialism and empire contact zones cross  
 cultural encounters and racialization How is new work on cultural geography and spatial categories impacting on our  
 historical understandings of bodily difference This book was originally published as a special issue of the Women's History  
 Review *Pop Cultures and Ecstatic States of the Body Since World War II* Kristoff Kerl, Detlef Siegfried, Robert P.  
 Stephens, Olaf Stieglitz, 2025-07-15 This book examines the many varied historical entanglements between pop cultures and  
 ecstatic euphoric and intoxicated bodies focusing on the period between the 1950s and the 1980s Charting a new course by  
 bringing together pop culture studies the history of bodies and the history of emotions the volume unites new historical  
 perspectives on different forms of corporeal pleasure and offers novel methods for studying the social and cultural politics of  
 ecstasy *David Mamet and American Macho* Arthur Holmberg, 2012-02-02 What does it mean to be an American man  
 Holmberg demonstrates how David Mamet's plays explore complex issues of masculinity *Masculinity and the Hunt*  
 Catherine Bates, 2013-03-21 As an age old metaphor for the sexual chase the hunt provides a uniquely conflicted site for the  
 representation of masculinity On the one hand hunting had from ancient times served to define a particular and culturally  
 approved mode of masculinity as heroic pursuant and goal oriented where success was measured by the achievement of the  
 objectives set the capture and killing of prey When applied to love on the other hand hunting was inflected quite differently  
 At first glance the basic scenario of a male subject pursuing elusive quarry over which he ultimately comes to assert control  
 might seem to epitomise the dynamic of the sexual chase yet when poets invoke the hunt in an amorous context this most  
 obvious manifestation of the metaphor is not the one they put to use On the contrary in lyric poetry and romance the hunt  
 metaphor serves to demote or destabilise the masculine subject in some way The huntsman is routinely a figure of failure for  
 all his efforts he either fails to catch what he pursues catches the wrong thing ends up being caught by others or runs round  
 in circles chasing himself His failure is measured precisely as a shortfall from the cultural ideal The metaphor of the hunt  
 thus opens up possibilities for exploring definitions of masculinity that deviate from culturally approved models of mastery  
 and power It shows how limited those models are and offers examples of alternative and counter cultural versions of a  
 masculine subjectivity that radically query patriarchal stereotypes of gender and class The hunt has been the subject of  
 increased critical interest over last few years partly as a result of its politicisation as an issue as reflected in recent changes  
 to hunting legislation within the UK Shifting attitudes to the hunt indicate that as a cultural phenomenon it continues to  
 mobilise strong opinion and to activate notions of class and gender identity to this day **Masculinity and the Hunt** is a unique  
 study considering the link between hunting and masculinity in the literature of the sixteenth century **Masculinity and  
 Irish Popular Culture** Conn Holohan, Tony Tracy, 2015-12-30 *Masculinity and Irish Popular Culture* Tiger's Tales is an

interdisciplinary collection of essays by established and emerging scholars analysing the shifting representations of Irish men across a range of popular culture forms in the period of the Celtic Tiger and beyond *Masculinity in American Politics* Monika L. McDermott, Dan Cassino, 2025-02-25 A compendium of new research on how when and why masculinity affects politics in America at a variety of levels the general realm of politics the world of candidates and campaigns and individual attitudes and behavior among citizens and voters **The Publishers' Trade List Annual**, 1899 *Social Problems* D. Stanley Eitzen, Maxine Baca Zinn, 2004 After years of diplomatic isolation Syria is emerging from the cold Its government is a key Middle Eastern player and will be a major element of any possible comprehensive Middle Eastern peace deal To visit Syria is to become acquainted with one of the most rewarding destinations in the Middle East Its historic attractions are stunning and the Syrians are proud and gracious hosts you can expect to be treated like a person and not just a tourist Of course there are always thorns with the roses Syria's economy is inefficient and its youth are frustrated the strong man political system that has held the country together does not encourage public intellectual life but nor does it prevent young Syrians from debating with passion in private The Syrian sense of tradition has preserved some of the bad along with the good and society remains highly patriarchal Despite such drawbacks this is a country that's rich not only in resources but also and especially in its people American author Sarah Standish looks at Syria's long history and its present day political realities She describes the many subgroups that make up the population as well as what unites all Syrians She offers practical tips for traveling and on what to expect when conducting business You'll learn how people communicate with each other and how you can communicate with them The Syrians will never stop surprising you get to know a few and they will turn the stereotypes inside out several times over **Americanist Approaches to The Book of Mormon** Elizabeth Fenton, Jared Hickman, 2019-07-18 As the eponymous sacred text of a modern religious movement of global reach The Book of Mormon has undeniable historical significance That significance this volume shows is inextricable from the intricacy of its literary form and the audacity of its historical vision This landmark collection brings together a diverse range of scholars in American literary studies and adjacent fields to definitively establish The Book of Mormon as an indispensable object of Americanist inquiry not least because it is among other things a form of Americanist inquiry in its own right a creative critical reading of America **Boys and their Toys** Roger Horowitz, 2013-10-18 Negotiating the divide between respectable manhood and rough manhood this book explores masculinity at work and at play through provocative essays on labor unions railroads vocational training programs and NASCAR racing **The Birth Control Review** Margaret Sanger, 1924 *Crisis and Masculinity on Contemporary Cable Television: Tracing the Western Hero in "Breaking Bad", "The Walking Dead" and "Hell on Wheels"* Dominic Schmiedl, 2015-09-08 Doctoral Thesis Dissertation from the year 2014 in the subject American Studies Culture and Applied Geography grade magna cum laude Dresden Technical University language English abstract Both the crisis of masculinity and quality TV have been popular discourses in academia in recent years Many of these

contemporary quality TV series feature male anti heroes at the center of their narratives This dissertation argues that the constructions of masculinity in series such as Breaking Bad and The Walking Dead are informed by the Western hero Furthermore the dissertation links this recourse to an arguably outmoded model of masculinity to recent crisis tendencies in the USA most notably the recent economic downturn and the aftermath of September 11 2001 Moreover the return of the Western hero can be understood as a process of remasculinization in light of the crisis of masculinity The Free Methodist, 1899

**Subcultures: The Basics** Ross Haenfler, 2023-06-29 Subcultures The Basics is an accessible and engaging introduction to subcultures in a global context This fully revised new edition adds new case studies and an additional chapter on the digital lives of subculturists as well as reflections on the relationships between subcultures and globalisation and the resurgence of the far right Blending theory and practice this text examines a varied range of subcultures including hip hop graffiti writing heavy metal punk gamers burlesque parkour riot grrrl straight edge roller derby steampunk b boying b girling body modification and skateboarding Subcultures The Basics answers the key questions posed by those new to the subject including What is a subculture What are the significant theories of subculture How do subcultures emerge who participates and why How do subcultural identities interact with other aspects of self such as social class race gender and sexual identity What is the relationship between deviance resistance and the mainstream How have both progressive and reactionary subculturists contributed to social change How does society react to different subcultures How have subcultures spread around the world In what ways do digital technologies and social media influence subcultures What happens when subculturists age Tracing the history and development of subcultural theory to the present day this text is essential reading for all those studying subcultures in the contexts of sociology cultural studies history media studies anthropology musicology and criminology It pushes the field forward with cutting edge theories of resistance and social change place and space critical race and queer studies virtual participation and ageing and participation across the life course Key terms and concepts are highlighted throughout the text whilst each chapter includes boxed case studies and signposts students to further reading and resources
