## **Edisto Sanctuary:**

*Edisto Sanctuary* James R. Singleton, 1980      *Beneath the Surface: The Murdaugh Saga and the Disintegration of a Southern Dynasty* Burt Barajas, Beneath the surface of a seemingly idyllic South Carolina town lurks a web of corruption betrayal and murder The Murdaugh family once pillars of the community now stand accused of a string of heinous crimes Step into a gripping narrative that unravels the shocking truth behind the Murdaugh saga Witness firsthand the rise and fall of a powerful dynasty as a trail of broken lives and shattered reputations emerges From the unsolved murders of Mallory Beach and Gloria Satterfield to the suspicious death of Alex Murdaugh's wife and son each twist and turn will leave you breathless This meticulously researched account delves into the complex layers of greed privilege and entitlement that fueled the Murdaugh family's downfall Explore the corrupt legal system that shielded them for years and the web of lies and cover ups that ultimately brought them crashing down This book is a testament to the dark underbelly of wealth and power It shines a light on the corrosive effects of unchecked ambition and the devastating consequences of justice delayed Whether you're a true crime aficionado or simply curious about the human capacity for both good and evil this gripping saga will keep you captivated from start to finish

**Deliver Us from Evil** Lacy K. Ford,2009-09-03 A major contribution to our understanding of slavery in the early republic Deliver Us from Evil illuminates the white South s twisted and tortured efforts to justify slavery focusing on the period from the drafting of the federal constitution in 1787 through the age of Jackson Drawing heavily on primary sources including newspapers government documents legislative records pamphlets and speeches Lacy K Ford recaptures the varied and sometimes contradictory ideas and attitudes held by groups of white southerners as they tried to square slavery with their democratic ideals He excels at conveying the political intellectual economic and social thought of leading white

southerners vividly recreating the mental world of the varied actors and capturing the vigorous debates over slavery He also shows that there was not one antebellum South but many and not one southern white mindset but several with the debates over slavery in the upper South quite different in substance from those in the deep South In the upper South where tobacco had fallen into comparative decline by 1800 debate often centered on how the area might reduce its dependence on slave labor and whiten itself whether through gradual emancipation and colonization or the sale of slaves to the cotton South During the same years the lower South swirled into the vortex of the cotton revolution and that area's whites lost all interest in emancipation no matter how gradual or fully compensated An ambitious thought provoking and highly insightful book *Deliver Us from Evil* makes an important contribution to the history of slavery in the United States shedding needed light on the white South's early struggle to reconcile slavery with its Revolutionary heritage **Federal Register** ,1979-10

United States Coast Pilot ,2003 **Haunted Plantations** Geordie Buxton,2007-09-26 Chilling stories of the antebellum era ranging from Savannah Georgia to the Carolina coast with photos included Members of a shackled West African tribe drag themselves off a slave ship while singing drowning in a Georgia creek to avoid being sold Mysterious letters from a long ruined church near Mepkin Abbey solicit a man to join the faith A French teacher disappears from a school after marking final exams in blood An Egyptian mummy triggers a heart attack in a city museum These stories and more are wrenched from the gravest parts of America's past real lives of people on plantations from Savannah to Charleston and the coast of the Carolinas Richly illustrated with both historic and contemporary images most deal with the hub of the East Coast slave trade Charleston South Carolina Sifting through folklore legends and emotionally raw history these stories relate encounters with the supernatural and reminds us that what actually happened here doesn't always need a ghost to be disquieting Scenic Driving South Carolina John Clark,Patricia Pierce,2011-05-03 This indispensable highway companion maps out short trips for exploring the Palmetto State's scenic byways and back roads Estuarine Research, Monitoring, and Resource Protection Michael J. Kennish,2003-09-25 The ongoing growth of human populations within US coastal regions continues to increase habitat loss eutrophication organic loading overfishing and other anthropogenic stressors in estuarine waters The National Estuarine Research Reserve System NERRS is a federally funded initiative that addresses these critical estuarine problems and coastal resource issues at 25 sites in 21 states Now estuarine and watershed scientists resource managers community planners and other professionals dealing with coastal zone issues have an expert resource describing the NERRS program organization goals and management strategy Estuarine Research Monitoring and Restoration first defines the components and technical aspects of the NERRS program then provides valuable insight into the program through the presentation of six case studies of NERRS sites This book examines estuarine problems including degraded water quality reduction of biodiversity and problematic invasive species then analyzes the human impacts affecting estuaries The comprehensive analysis of the six estuarine reserve locations characterizes each region's physical chemical and biological conditions from

the perspective of the NERRS program These case studies include a cross section of sites from three coasts each study emphasizing the importance of unified efforts of government and citizens to successfully maintain the ecology of these critical areas

Bluejackets and Contrabands Barbara Brooks Tomblin, 2009-10-09 One of the lesser known stories of the Civil War is the role played by escaped slaves in the Union blockade along the Atlantic coast From the beginning of the war many African American refugees sought avenues of escape to the North Due to their sheer numbers those who reached Union forces presented a problem for the military Fortunately the First Confiscation Act of 1861 permitted the seizure of property used in support of the South's war effort including slaves Eventually regarded as contraband of war the runaways became known as contrabands In Bluejackets and Contrabands Barbara Brooks Tomblin examines the relationship between the Union Navy and the contrabands The navy established colonies for the former slaves and in return some contrabands served as crewmen on navy ships and gunboats and as river pilots spies and guides Tomblin presents a rare picture of the contrabands and casts light on the vital contributions of African Americans to the Union Navy and the Union cause

*Masters of the Big House* William Kauffman Scarborough, 2006-04-01 William Kauffman Scarborough has produced a work of incomparable scope and depth offering the challenge to see afresh one of the most powerful groups in American history the wealthiest southern planters who owned 250 or more slaves in the census years of 1850 and 1860 The identification and tabulation in every slaveholding state of these lords of economic social and political influence reveals a highly learned class of men who set the tone for southern society while also involving themselves in the wider world of capitalism Scarborough examines the demographics of elite families the educational philosophy and religiosity of the nabobs gender relations in the Big House slave management methods responses to secession and adjustment to the travails of Reconstruction and an alien postwar world
