Clara's War Clara Kramer, Stephen Glantz, 2010-04-06 You lose your loved ones and still you want to live On 21 July 1942 the Nazis reached the small Polish town of Zolkiew Life for fifteen-year-old Clara Kramer would never be the same While those around her were either slaughtered or transported three families found perilous refuge in a hand-dug cellar Hers was one of them Living above and protecting them were the Becks Mrs Beck had been the family's maid Mr Beck was alcoholic and a self-professed anti-Semite yet he risked his life to keep his charges safe But survival under his protection proved to be anything but predictable Whether it was his nightly drinking sessions with officers of the SS in the room just above or his torrid affair with one of the hiding women it seemed that Clara and the others often had as much to fear from Beck as they did from the war Clara's mother told her to keep a diary while they lived in the bunker in order to fill her time and so the world would know what happened to us Over sixty years later Clara Kramer has finally turned those diaries into a compelling and heartbreaking memoir a story of love and memory and survival **Escape Story** Eyal Erben, David Lawson, 2011

A Little Girl Who Survived the Last World War Liesbeth Bauer Deem,2019-02-08 Much of my childhood memories prevail in my mind I remember every daunting occurrence that restricted or spoiled my youthful enjoyment It could be because my early upbringing in Germany was during the worst of times in the last century the last World War That wartime was so testing that a small child like me could mature faster to withstand the challenges of staying alive I survived the brutal war in the caring hands of Mama as a refugee with hunger sickness and ever changing natural hardships My memories go back to my Papa a high ranking Nazi officer who had no respect for his wife and his little girl my brother who was born a Hitler baby and whom Papa cherished Irmgard Mama s Jewish girlfriend that she hid from the Nazi s including from Papa my loving Grandpa and his discomfoting second wife who lived on a beautiful farm bordering a green forest close to where my aunt and cousins lived The war fragmented us apart I consider it a miracle to have lived and grown through that brutal war surviving to tell the story to the present generation My journey to America was paved by the outcome of the war itself Leaving my memories behind I entered into a new world with my loving husband beside me I thrived and climbed mountains to succeed to make all things possible It made me become the person I am today *Escape Into Darkness* Sonia Games,1992 A vivid and gripping wartime saga from a real life heroine who impersonated an Aryan Christian and fought the Nazis by smuggling weapons to the underground during World War II From the smoldering streets to the blackened battlefields of several countries Games lived a fugitive s life often a whim away from instant death *Edith's Book* Edith Velmans,Edith Velmans-Van Hessen,1999 The extraordinary true story of how the young Edith Velmans from a sophisticated Jewish family in The Hague was hidden by a Dutch family during the war at enormous personal danger Edith survived but her mother father grandmother and one of her brothers died all of which is described in this truly moving book The story is told partly through straight narrative but partly through diaries and letters that Edith kept **Mala's Cat** Mala Kacenberg,2022-01-04 The incredible true story of a young girl who navigated dangerous forests outwitted Nazi soldiers and survived against all odds with the companionship of a stray cat Growing up in the Polish village of Tarnograd on the fringes of a deep pine forest Mala Szorer had the happiest childhood she could have hoped for But at the age of twelve as the German invasion begins her beloved village becomes a ghetto and her family and friends reduced to starvation She takes matters into her own hands and bravely removes her yellow star risking sneaking out to the surrounding villages to barter for

food It is on her way back that she sees her loved ones rounded up for deportation and receives a smuggled letter from her sister warning her to stay away In order to survive she walks away from everything she holds dear to live by herself in the forest hiding not just from the Nazis but hostile villagers She is followed by a stray cat who stays with her and seems to come to her rescue time and time again Malach the cat becomes her family and her only respite from painful loneliness a guide and a reminder to stay hopeful even when faced with unfathomable darkness Filled with remarkable spiritual strength that allows readers to see the war through the innocence of a child's eyes Mala's Cat is a powerful and unique addition to the Holocaust canon
