**Democracy and Political Ignorance** Ilya Somin,2016-06-15 One of the biggest problems with modern democracy is that most of the public is usually ignorant of politics and government Many people understand that their votes are unlikely to change the outcome of an election and don t see the point in learning much about politics This creates a nation of people with little political knowledge and little ability to objectively evaluate what they do know The second edition of Democracy and Political Ignorance fully updates its analysis to include new and vital discussions on the implications of the Big Sort for politics the link between political ignorance and the disproportionate political influence of the wealthy assessment of proposed new strategies for increasing political knowledge and up to date survey data on political ignorance during recent elections Ilya Somin mines the depths of the current state of ignorance in America and reveals it as a major problem for democracy He weighs various options for solving this problem provocatively arguing that political ignorance is best mitigated and its effects lessened by decentralizing and limiting government People make better decisions when they have stronger incentives to acquire relevant information and to use it wisely

Youth and Political Participation ,2007-01-01 Learning about politics and life as a citizen is part of the transition to adulthood During this stage young people in most Western democracies are introduced to political processes and issues as well as a range of political activities including voting and participation in social movements But young people make this transition differently The articles in this Book explore a range of ways that young people participate politically and also discuss those who are not active citizens The collection arose from a meeting of Australian experts in Youth Studies who came together to discuss and debate issues related to youth political participation Collectively it provides a compendium of our current state of knowledge

about this topic While specific attention is directed to young people s introduction to enrolment and voting discussions include broader questions such as what does it mean to be political and what role do various social institutions play in the political learning process Articles include discussions of the legal requirements in Australia regarding enrolment and voting whether there is such a thing as a youth vote and the social psychological dimensions of youth confidence in voting Topics related to the role of the family the school the media and the internet are included Other important issues such as gender differences youth disenchantment and disadvantaged youth receive much needed attention

Political and Civic Engagement Martyn Barrett, Bruna Zani, 2014-11-27 Based upon a three year multi disciplinary international research project Political and Civic Participation examines the interplay of factors affecting civic and political engagement and participation across different generations nations and ethnic groups and the shifting variety of forms that participation can take The book draws upon an extensive body of data to answer the following key questions Why do many citizens fail to vote in elections Why are young people turning increasingly to street demonstrations charitable activities consumer activism and social media to express their political and civic views What are the barriers which hinder political participation by women ethnic minorities and migrants How can greater levels of engagement with public issues be encouraged among all citizens Together the chapters in this volume provide a comprehensive overview of current understandings of the factors and processes which influence citizens patterns of political and civic engagement They also present a set of evidence based recommendations for policy practice and intervention that can be used by political and civil society actors to enhance levels of engagement particularly among youth women ethnic minorities and migrants Political and Civic Participation provides an invaluable resource for all those who are concerned with citizens levels of engagement including researchers and academics across the social sciences politicians and political institutions media professionals educational professionals and schools youth workers and education NGOs and leaders of ethnic minority and migrant organizations and communities
