present a serious somewhat scholarly approach to the interested among my parishioners I would take a book in the Bible to study assume it was written or edited to be read from the beginning and make sense to the reader in that way I attempted to discover for myself and my group what the book sought to convey In this volume the study of Luke 19 28 19 27 followed that pattern exactly This volume completes the study of Luke following volumes on 1 1 9 50 and 9 51 19 27 **The**
