**Divine Comedy** Philip Krill,2024-07-09 If as Chesterton says angels can fly because they take themselves lightly then it behooves us to lighten up if we wish to come close to God No one ever entered God s Presence taking themselves more seriously than the One who beckons them forward The kingdom of God is a Paradise of peace and joy Funeral faces are not permitted Question Where do we find God Answer Wherever one person is fully present to another Presence creates a mystical space in which angels delight and where the Spirit descends Presence is a mystery of unrestricted openness filled with heavenly light No one can abide in Presence and not be suffused with a joy that comes directly from God This book is an invitation to laugh your way into Presence My prayer is that dipping into this book you will lighten up and fly with the angels into the joyful Presence of God *The Divine Comedy* Cornelius Thomas Sherlock,1923 **The Divine Comedy: Hell** Anonymous,2018-02-17 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *God's Favorite* Neil Simon,1975 A comic rendering of the Biblical story of Job A nouveau riche manufacturer is visited by an offbeat angel who prophesies a series of calamities intended by God to test the man s faith *The Divine Comedy is the Fruition of a Christianized Pagan Ideal* Mary Frances Kelley,1933 *Re-reading the Divine Comedy* Eric Reginald Pearce Vincent,1947
