God Expects Something From You And Other Sermons:

Metanoia and OTHER SERMONS Ruskin Falls,2021-10-31 The book is a collection of twenty three sermons from the period of February through August 2020 Each sermon is preceded and thereby situated in the congregation by that Sunday s greeting and after the church moved to online only worship due to the outbreak of COVID 19 by the day s announcements The author considers his preaching style to be more irenic than competitive in spirit If though there is homiletic competition going on in what he is doing here it is he says with preachers and with himself when he numbers among them who are bent as preachers on being conservative or evangelical or liberal or progressive or idiosyncratic or entertaining or otherwise situated above the word that preachers as preachers must strive to submit to and serve He intends his sermons as exercises in openness for the truth of God s word which word the church is ever on the verge of losing touch with and needing to learn anew to hear and heed The sermons are neither feel good nor finger pointing They are neither prosperity promoting nor therapeutically oriented They are not even an attempt to make the church sound relevant to the issues of the day Rather they simply aim at openness to the truth that sets us free for and in and through the faith and courage that Christ came bringing

God Expects Something From You Kevin W. H. Lewis,2004-06-01 THE LAST GENERATION is written in the speculative genre It is the year 2050 From its opening lines It was the work of the devil it was the will of God but for whatever reason between Hell and Hereafter the order of Mammalia Homo Sapiens ceased to reproduce itself on the planet Earth at the precise moment it entered the year 2020 By the end of the quarter of the following century certainly not much beyond not a single human being could be expected to inhabit the planet For thirty relentless and frustrating years all the world s resources brainpower and energies of the last doomed generation on earth have been pooled to probe the utmost cataclysm ever to befall mankind the chilling loss of the next generation an all consuming mega search to restore man s greatest gift procreation Millions die daily and there is no replenishment The world no longer suffers hunger and starvation and pollution for with new technologies beyond dreams life for a dwindling population has never been more bountiful and benign Boundaries are meaningless and it is the longest history without war For thirty years the resumption of procreation has eluded massive worldwide research Until Mike Swain microbiologist the last man on earth to be born and theoretically will be the last to die stumbles upon the remedy Power and wealth beyond calculation is his if he will reveal his life renewal discovery Long dormant greed and lust erupts and corruptive power is unleashed by an international cabal to wrest this arcane knowledge from Mike THE LAST GENERATION becomes a magnified Maltese Falcon of the future Whoever knows the secret of life controls the world Men corporations and nations will lie cheat conspire and kill for it One man s innate humanity is pitted against forces beyond his control to pitilessly drive and hurtle him to a suspenseful unforeseen climax

How to Listen to a Sermon Donald L. Berry, 2010-12-02 After exploring several aspects of the craft of homily How to Listen to a Sermon explains how listening to a sermon is different from attending to other forms of public address This view presupposes a distinctive understanding of the sermonic or preaching event and this is illustrated by two homiletical assemblies for ordinary time and for extraordinary times These sermons exemplify the author's concern that public religious speech be done with care and with scholarly attention to biblical texts These anthologies are framed autobiographically with Honoring the Gospel at the beginning and with Living an Epiphany at the end
