God Factor Inside The Spiritual Lives Of Public People:

The God Factor Cathleen Falsani, 2006 In interviews with more than 25 public personalities including Bono Hugh Hefner and Anne Rice Falsani offer a fresh occasionally controversial and always illuminating look at the beliefs that have shaped their lives

Ecotheology in the Humanities Melissa Brotton, 2016-05-20 This book is a collection of essays about the interaction between God humans and nature in the context of the environmental challenges and Biblical studies Chapters include topics on creation care and Sabbath sacramental approaches to earth care classical and medieval cosmologies ecotheodicy how we understand the problem of nonhuman suffering in a world controlled by a good God ecojustice and how humans help to alleviate nonhuman suffering The book seeks to provide a way to understand Judeo Christian perspectives on human to nonhuman interaction through Biblical literary cultural film and music studies and as such offers an interdisciplinary approach with emphasis on the humanities which provides a broader platform for ecotheology

The Problem with Survey Research George Beam, 2017-09-08 The Problem with Survey Research makes a case against survey research as a primary source of reliable information George Beam argues that all survey research instruments all types of asking including polls face to face interviews and focus groups produce unreliable and potentially inaccurate results Because those who rely on survey research only see answers to questions it is impossible for them or anyone else to evaluate the results They cannot know if the answers correspond to respondents actual behaviors objective phenomena or to their true beliefs and opinions subjective phenomena Reliable information can only be acquired by observation experimentation multiple sources of data formal model building and testing document analysis and comparison In fifteen chapters divided into six parts Ubiquity of Survey Research The Problem Asking Instruments Asking Settings Askers and Proper Methods and Research Designs The Problem with Survey Research demonstrates how asking instruments settings in which asking and answering take place and survey researchers themselves skew results and thereby make answers unreliable The last two chapters and appendices examine observation other methods of data collection and research designs that may produce accurate or correct information and shows how reliance on survey research can be overcome and must be

Apocalyptic Grace Stephen Powell, 2011-05-20 Here is a unique exploration of the five eras or Worlds of cultural socioeconomic psychological spiritual evolution Stephen Powell a seasoned anthropologist and psychotherapist illuminates the hunter gatherer horticultural agrarian and industrial technological epochs in unexpectedly fresh and timely ways Foremost the diversity of these Worlds is still within us all World One reaching back to 50 000 BCE was a time of widely accepted shamanic assumptions World Two 10 000 to 3500 BCE developed small scale horticulture and tribal cohesion but also unprecedented social conformity World Three from about 3500 BCE experienced the global rise of caste structured hierarchies with the World Religions as cultural compensation Beginning in the 1600s World Four developed a mechanistic secularized worldview accentuated by individualism popular culture and a capitalist agenda Finally Powell describes the

beginnings of a new fifth set of world assumptions a world without borders Here we may start to integrate humanitarian aspects of the preceding Worlds embracing multiculturalism without losing cultural integrity Moreover the wisdom traditions from each time appear to hold seed truths of the profound changes that mark the end time and the beginning of each World Apocalyptic Grace leads the reader on a stunning survey of this remarkable journey Religions of the Stars Richard Abanes,2009-07-01 Today s culture is saturated with news about celebrities and their beliefs Oprah Winfrey Tom Cruise and Madonna all promote their own brand of spirituality What do they really believe and does it line up with what the Bible teaches This book answers these questions appealing to those curious about the religions of the rich and famous while holding up their beliefs to the light of the gospel Concerned parents will also gain insight into the religious influences their kids may be exposed to in the media **Seamus Heaney and the End of Catholic Ireland** Kieran Quinlan,2020-04-24

Seamus Heaney the End of Catholic Ireland takes off from the poet s growing awareness in the new millennium of something far more important in my mental formation than cultural nationalism or the British presence or any of that stuff namely my early religious education It then pursues an examination of the full trajectory of Heaney s religious beliefs as represented in his poetry prose and interviews with a briefer account of the interactive religious histories of the Irish and international contexts in which he lived Thus in the 1940s and 50s Heaney was inducted into the narrow punitive but also enabling Catholicism of the era In the early 1960s he was witness to the lively religious debates from the Anglican Bishop of Woolwich s Honest to God to the seismic disruptions of Vatican II When the conflict in Northern Ireland between Catholics and Protestants broke out Heaney was forced to dig deep for an imaginative understanding of its religious roots From the 1980s on Heaney more and more proclaimed his own religious loss while also recognizing the institution s residual value in an Irish society of rising prosperity weariness with the atrocities of a partly religion inspired IRA and beset by the scandals of sex abuse among the clergy Kieran Quinlan sees Heaney as an exemplar of this period of major change in Ireland as he engaged the religious issue not only in major writers such as James Joyce W B Yeats T S Eliot Wallace Stevens Philip Larkin and Czeslaw Mi osz but also in a diverse array of less familiar commentators lay and clerical creative and academic believers and unbelievers Irish and international Breaking new ground by expanding the scope of Heaney s religious preoccupations and writing in an accessible reflective and sometimes provocative manner Quinlan s study places Heaney in his universe and that universe in turn in its wider intellectual setting **Encyclopedia of Muslim-American History** Edward E. Curtis,2010 A two volume encyclopedia set that examines the legacy impact and contributions of Muslim Americans to U S history

Christ Across the Disciplines Roger Lundin,2013-10-03 In Christ across the Disciplines a group of distinguished scholars from across the theological spectrum explores the dynamic relationship between the Christian faith and the life of the mind Although the essays in this volume are rooted in a rich understanding of the past they focus primarily on how Christian students teachers and scholars might best meet the challenges of intellectual and cultural life in a global world This book

ranges widely over the broad terrain of contemporary academic and cultural life covering such topics as the enormous growth of political activism in late twentieth century evangelicalism the dynamics of literature and faith in the African American experience the dramatic implications of globalization for those who profess Christ and practice the life of the mind and more

Overflow Kenny Luck, 2023-03-21 Men Do you realize that God can be found wherever you are where you work work out live play and pray According to Acts 2 God is in you the Holy Spirit has taken up residence in you as part of your birthright as God's son But also God is in the world because you are in the world God's work in the world is not some vague squishy thing it's an outworking of His Spirit in your everyday life What does God want to do in and through you Christian men often wrestle with that question The answer is twofold Give yourself over to the abiding presence of the Holy Spirit Let God use you to transform the world with His good news This is the big idea of Overflow God works in us and through us to change the world around us Join Kenny Luck a spirit filled men's ministry leader in this mission briefing to prepare you for the privilege of working with God to change the world

Faith in the New Millennium Matthew Avery Sutton, Darren Dochuk, 2015-11-24 In Faith in the New Millennium Matthew Avery Sutton and Darren Dochuk bring together a collection of essays from renowned historians sociologists and religious studies scholars that address the future of religion and American politics The contributors discuss questions related to issues such as religion and immigration reform civil rights gay marriage race ethnicity foreign policy popular culture nationalism and the environment investigating how faith in the age of Obama has been transformed

Disquiet Time Jennifer Grant, Cathleen Falsani, 2014-10-21 An engaging and hilarious collection that encourages readers to tackle those strange awkward worrying yet endlessly compelling passages of the Bible The Bible is full of not so precious moments from murder and mayhem to sex and slavery Now an incredible cast of contributors tackles the parts of the Bible that most excite frustrate or comfort like What the heck is the book of Revelation really about The answer will surprise you How do we come to grips with the Bible's troubling or seemingly troubling passages about the role of women Why did the artist of the oldest known picture of Jesus intentionally paint him with a wonky eye and what does it tell us about beauty Disquiet Time was written by and for Bible loving Christians agnostics skeptics none of the aboves and people who aren't afraid to dig deep spiritually ask hard questions and have some fun along the way

Word and Spirit Anselm K. Min, Christoph Schwöbel, 2014-04-01 Christology and Pneumatology face many challenges today Eight contributors four European and four Asian theologians respond to some of these challenges Christoph Schwöbel responds to the challenge of fundamentalism and spiritualism through the renewal of the Trinitarian theology of the Reformers Markus Mühling through a return to the incarnational Pneumatology of Thomas Erskine Hans Joachim Sander meets the challenge of suffering and powerlessness through the postmodern hermeneutics of heterotopia Foucault Lieven Boeve responds to that of skepticism and pluralism through the hermeneutics of interruption Lee Ki Sang and Kim Heup Young address the globalization of materialism and anthropocentrism through the respective retrieval of the apophaticism and Christology of Ryu Young Mo

increasingly noted today for his original synthesis of Christianity Buddhism Confucianism and Daoism Finally Lai Pan Chiu and Anselm Min engage in an East West dialogue Lai by comparing the Christian idea of deification and the Neo Confucian idea of self cultivation Min the Trinity of Aquinas and the Triad of Zhu Xi This is a substantial timely and insightful contribution to Christology and Pneumatology in the context of the many issues raised by globalization especially the need for serious East West dialogue

Fight Kenny Luck,2008-07-15 Suit up for the ultimate fight There s a terrifying truth facing today s men and it s caught many off guard But once that first overwhelming challenge hits the reality about evil becomes clear Every one of us is in a fight for our lives The enemy is real and so is the danger But powerful forces convince us to ignore the spiritual war surrounding us And that willing surrender ensures the total destruction of all we hold dear But a new generation of God s men is beginning to engage with the tools and training to take the fight to the enemy and respond with boldness and duty This book is the manual for recognizing the deceptions about doing true spiritual battle realizing the roles men play at the front lines and rescuing the captives from the enemy s stronghold It s been said that all evil needs to succeed is for good men to do nothing Kenny excels at showing the bigger story we re engaged in *Fight* is a must read for men to defeat the enemy where each of us live in our marriages our families and all our spheres of influence Jim Weidmann The Family Night Guy senior vp of Promise Keepers and author of the Family Night Tool Chest series The call has been issued but the decision is yours Will you suit up get in the battle and fight Look for the *Fight Workbook* a hands on guide for personal or group study

The Publishers Weekly ,2006

Public Health in the Age of Anxiety Centre for Studies in Religion & Society,2017-06-30 Controversies and scepticism surrounding vaccinations though not new have increasingly come to the fore as more individuals decide not to inoculate themselves or their children for cultural religious or other reasons Their personal decisions put the rights of the individual on a collision course with public and community safety *Public Health in the Age of Anxiety* enhances both the public and scholarly understanding of the motivations behind vaccine hesitancy in Canada The volume brings into conversation people working within such fields as philosophy medicine epidemiology history nursing anthropology public policy and religious studies The contributors critically analyse issues surrounding vaccine safety the arguments against vaccines the scale of anti vaccination sentiment public dissemination of medical research and the effect of private beliefs on individual decision making and public health These essays model and encourage the type of productive engagement that is necessary to clarify the value of vaccines and reduce the tension between pro and anti vaccination groups

All in Sync Robert Wuthnow,2003-05-05 Robert Wuthnow shows how music and art are revitalizing churches and religious life across the nation in this first ever consideration of the relationship between religion and the arts *All in Sync* draws on more than four hundred in depth interviews with church members clergy and directors of leading arts organizations and a new national survey to document a strong positive relationship between participation in the arts and interest in spiritual growth Wuthnow argues that contemporary spirituality is increasingly

encouraged by the arts because of its emphasis on transcendent experience and personal reflection This kind of spirituality contrary to what many observers have imagined is compatible with active involvement in churches and serious devotion to Christian practices The absorbing narrative relates the story of a woman who overcame a severe personal crisis and went on to head a spiritual direction center where participants use the arts to gain clarity about their own spiritual journeys Readers visit contemporary worship services in Chicago Philadelphia and Boston and listen to leaders and participants explain how music and art have contributed to the success of these services All in Sync also illustrates how music and art are integral parts of some Episcopal African American and Orthodox worship services and how people of faith are using their artistic talents to serve others Besides examining the role of the arts in personal spirituality and in congregational life Wuthnow discusses how clergy and lay leaders are rethinking the role of the imagination especially in connection with traditional theological virtues He also shows how churches and arts organizations sometimes find themselves at odds over controversial moral questions and competing claims about spirituality Accessible relevant and innovative this book is essential for anyone searching for a better understanding of the dynamic relationships among religion spirituality and American culture A Phenomenology of Pentecostal Leadership Truls Akerlund,2018-06-18 While books on famous and infamous Pentecostal leaders abound the corpus of research on Pentecostal leadership is sparse This is unfortunate as strong and innovative leadership has been instrumental for the exceptional growth of the movement and for countless examples of abusive behaviors in Pentecostal congregations To promote effective leadership while avoiding the destructive effects of autocratic leaders it is necessary to better understand the dynamics of leadership within Pentecostalism This is the purpose of the book and Truls Akerlund fills a gap in the present knowledge on Pentecostal leadership first by discussing the extant literature on the topic and then by exploring the meaning of such leadership through a phenomenological analysis of the experiences of pastors in Pentecostal congregations The author describes a general structure of Pentecostal leadership with essential characteristics of the phenomenon locates Pentecostal leadership within the broader streams of organizational and religious leadership research and points out crucial discussions and implications to be addressed in Pentecostal organizations

Public Health in Sub-Saharan Africa John Fulton,Philip Emeka Anyanwu,Catherine Hayes,Jonathan Ling,2024-10-07 This fascinating collection shines a social epidemiological spotlight on the key public health issues affecting sub Saharan Africa today Beginning with the legacy of colonial rule this book outlines the complex interplay between population health and a range of social economic and cultural factors It shows how social epidemiological methods can offer a deeper understanding of population health and features chapters on a range of infectious diseases that continue to have a devastating impact on the region including Sickle Cell Disease HIV AIDS Leprosy and Ebola The final section of this book includes a series of case studies in which social epidemiological methods have been used to explore specific public health issues Providing a timely overview of the relationship between social systems and human biology in the region this important book will interest

students and researchers across Public Health Medicine and African Studies **Luther, Bonhoeffer, and Public Ethics**
Michael P. DeJonge, Clifford J. Green, 2018-09-15 Prompted by the 2017 commemoration of the 500th anniversary of the Protestant Reformation this book examines the legacy of Martin Luther in the life work and reception of Dietrich Bonhoeffer the most widely read modern Lutheran theologian Framing the commemoration of the Reformation in conversation with Bonhoeffer's legacy places much more than Bonhoeffer's connection to Luther at stake Given the fraught relationship of the Lutheran Bonhoeffer with the German Protestant Church under National Socialism the question inevitably arises What happened to Luther's church in Germany This in turn prompts the question How did the Protestant tradition play out in public life in other nations And these historical issues in turn encourage reflection on a question that exercised both Luther and Bonhoeffer What will be the shape of the church in the future In these pages an international group of scholars and practitioners from both church and state pursues these questions **God's Not Forgotten Me** 'Tricia Williams, 2022-05-24
What happens to faith if you get dementia Does the real you disappear Does your relationship with God evaporate as neurons begin to disconnect Will you forget God Here the voices of Christians from the evangelical tradition bring insight to the profound questions faith encounters amidst the disorientation of dementia even when my brain falls apart nothing can separate me from the love of God faith is stronger Tricia Williams seeks deeper understanding of their faith experience and practice through careful listening and theological reflection within the boundaries of a biblical agenda who I am knowing God experience and practice of faith the shadows of suffering embodied memory spiritual growth and hope for now Fresh theological insights and challenges for the church call for creative practices to nurture the faith of disciples of Jesus who live with this disease They must remind me In this book these voices reveal a growing positive experience of faith in the light of dementia and of hope in Christ Faith does not end with diagnosis God has not forgotten me
