

For by grace you have  
been saved through faith.  
And this is not your own  
doing; it is the gift of God,  
not a result of works, so  
that no one may boast.

## God Gave:

God Gave Us a Covenant Not a Compromise Dr. Larry E Adams, 2022-05-05 Compromising has always been a common practice to all of us even before we became believers It had become apart of the way we lived or was taught There was never a question of whether we should practice compromising or not It was considered necessary if you were going to negotiate in a situation or consider a deal with another person It was the mutual thing to do In this book we examine compromise for all its worth briefly Regardless of the definition that you give it there is a missing truth about it that we might be overlooking Not a question of right or wrong for many of us but a cause and effect on our life Compromising is not acceptable to people of faith even though we have good intentions Because we are a people of faith we have only one example of how to handle situations based on our Lord and Savior Jesus Christ And that s with prayer and Christian principals We have no room for including another standard only the righteousness of God God gave us a Covenant not a Compromise **God's Vineyard**

**Israel** Desiree Van Niekerk, John Patrick Lee, 2013-03-22 Gods Vineyard Israel is a book about Gods relationship with Israel It is an exposition of Israels spiritual condition starting with Gods deliverance of Israel from slavery and His ongoing intervention in their lives up to their spiritual decline According to 1 Corinthians 10 11 Israel serves as an example for instruction for those upon whom the end of the ages have come i e those who live in the latter days Israels turning to idolatry false gods and syncretism the fusion of holy with unholy led to their falling away from God The same falling away of the church is mentioned by Paul in the second book of Th essalonians which is indicative of the time toward the end of the age or the fulfillment of the times of the Gentiles A clear pattern emerges from those who are delivered from the kingdom of darkness into salvation and then the yearning for their previous condition After God delivered Israel from Egypt the Israelites yearned for their past Thereby the repeated exhortation from Jesus Christ and others in the New Testament serve to explain the necessity to persevere unto the end The similarity between ancient Israel and the modern church is noteworthy and one can only understand what is and will happen to the church through the example of Israel This instruction is not only prophetic but serves as clear instruction and warning for modern believers An analysis of idolatry and the consequences thereof explain the past current and future probability of life as we know it Contrary to world opinion of the causes and solutions to pollution the Bible clearly states that it is the spiritual condition of mankind that determines the state of the earth The Old Testament asserts that when Israel repented God often relented of the calamities He intended to send to them due to their idolatry Gods Vineyard Israel makes for interesting and relevant reading for all people and often provides Gods perspective rather than peoples opinions or speculations Paw Paw's Prayers for God's Little Angels Gerald
