God Goes To Church:

Why Should I Go to Church? (Pack of 25) Good News Publishers, 2003-02 Why should I go to church Why can't I just do devotions on my own Good question It's true that God values personal devotions In fact He even commands us to pray without ceasing 1 Thess 5:17 But going to church is about more than personal devotion For Christians going to church is the gathering together of a family or as the apostle Paul described it uniting the members of a body For as in one body we have many members and the members do not all have the same function so we though many are one body in Christ and individually members one of another Rom 12:4-5 Every Christian is a member of the body of Christ and every member has unique talents and insights Sharing these gifts with each other as a unified body strengthens us in our common task of glorifying God In the joy of true community you will experience 1 Fellowship Regular church attendance allows a Christian to become part of a church family a community of brothers and sisters in Christ who share true concern for one another Paul described this kind of fellowship in his letter to the Corinthians If one member suffers all suffer together if one member is honored all rejoice together 1 Cor 12:26 When we care for our fellow Christians in this way not only do we enjoy the security of belonging to a spiritual family but we glorify God by revealing His character to the world 2 Corporate Worship When God rescued King David from his enemies David couldn't keep his praise to himself He cried out Oh magnify the Lord with me and let us exalt his name together Psa 34:3 Even Christ in the darkest hours of His life asked three of His closest friends to watch and pray with Him Matt 26:41 While private devotion pleases God at times nothing will do except to join with fellow Christians in praise of our great God Jesus promised For where two or three are gathered in my name there am I among them Matt 18:20 God is glorified when Christians speak of His greatness with each other and He is pleased to be in our midst 3 Personal Growth Just as individual Bible study and prayer are vital to a Christian's spiritual growth so is consistent contact with other Christians God commands us to consider how to stir up one another to love and good works not neglecting to meet together Heb 10:24-25 Meeting regularly with other Christians is an opportunity to be encouraged in your daily walk with Christ to receive godly advice in areas of difficulty in your life and to be challenged by the example of more mature Christians 4 Ministry Paul tells us that God gave pastors and teachers to equip the saints for the work of ministry for building up the body of Christ Eph 4:11-12 Attending church allows us to receive the instruction of trained pastors and teachers helping us minister both to the world and within the Church Along with communicating the gospel to the unsaved through actions and words Christians have a responsibility to minister to other members of the body of Christ Therefore encourage one another and build one another up 1 Thess 5:11 Being in regular contact with other Christians in church gives you numerous opportunities to offer a word of encouragement a listening ear a helping hand or to receive these things in your moment of need How to Choose a Church Consider the following questions as you visit new churches Does the church base its teachings on the Bible Do they teach the fundamentals of the gospel Is there a sense of community Are the people friendly Would you

like to get to know the people that you meet there Does the church have programs that meet your family s needs Are there classes for your children Is there a group for your teenager to get involved in Does the church support missions and encourage evangelism Does it provide opportunities for outreach Feel free to visit several different churches before making a decision Meet some of the people and talk to the pastor Ask questions Don t forget to pick up a church brochure with a listing of services and programs as well as a mission statement Discuss the experience with your family and visit again if you need to Pray that you may discern God s will for your family s spiritual growth

The Church and the Surprising Offense of God's Love (Foreword by Mark Dever) Jonathan Leeman,2010-01-08 When the world speaks of love it often means unconditional acceptance Many churches have adopted this mind set in their practice of membership and discipline if they have not done away with such structures entirely Yet God s love and God s gospel are different than what the world expects writes Jonathan Leeman They re centered in his character which draws a clear boundary between what is holy and what is not It s this line that the local church should represent in its member practices because the careful exercise of such authority is God s means for guarding the gospel marking off a people and thereby defining his love for the world So how should churches receive and dismiss members How should Christians view their submission to the church Are there dangers in such submission

The Church and the Surprising Offense of God s Love responds with biblical theological and practical guidance from both corporate and individual perspectives It s a resource that will help pastors and their congregations upend worldly conceptions and recover a biblical understanding and practice of church authority

Today the actual purpose of going to church has become lost A large portion of people have stopped attending service because of boredom or believing religion is irrelevant in their current life and or feeling that the church is not a part of their relationship with God Likewise there are even more people who attend only because they feel they are obligated to The effect of entering the church s doors has long since vanished from the life of many The New Testament church was unscripted It was full of life and participation The services were new and ground breaking and the effect they had on people was life changing Now though the church services most people attend lack the strength and impact that the former once held They are scripted predictable and highly polished a far different thing than what once was considered such a life changing experience This book compares the early church described in the Acts of the Apostles with the church that we see in America today It explains why the early church was so powerful and life changing and how that effect has been lost over the course of church history Regaining a fulfilling relevant and life changing church experience is possible It may even be easier than you think *Exemplary Life* Andy Chambers,2012-11-01 *Exemplary Life* articulates Luke s vision for life together in a local church using key passages from Acts 2 42 47 4 32 35 and 5 12 16 known as summary narratives as the starting point of reference Although Luke is rightly acclaimed as the church s first historian he was a powerful writer and theologian as well He also planted churches with Paul and had definite convictions about what life together in the church should look like Yet Luke s theology of church life is underemphasized in modern scholarship downplayed by issues rising from the historical critical method However when the summary narratives are studied through the lens of narrative and rhetorical criticism Luke s strategy is unmistakable Those passages cast a vision for life together in an exemplary church drawn from the historical circumstances of the church in Jerusalem These narratives also serve as a starting point for studying church life throughout Acts When the church planting movements in Samaria Antioch Ephesus and Troas are examined we find echoes of the narratives almost constantly These amplify and drive home Luke s message in the summary narratives Taking this path twenty distinct characteristics of exemplary church life emerge From repentance and Scriptural authority to praying together and earning the respect of neighbors each one is thoughtfully presented here by author Andy Chambers to reassert Luke s voice in 21st century conversations about the faithful formation of New Testament churches
