God Is Near Us The Eucharist The Heart Of Life:

God is Near Us Pope Benedict XVI, 2003 According to the Second Vatican Council We ought to try to discover a new reverence for the Eucharistic mystery Something is happening that is greater than anything we can do The magnitude of what is happening is not dependent on the way we perform it but all our efforts to perform it aright can always be at the service of the great act that precedes our own and that we cannot achieve for ourselves The liturgy is the summit toward which the activity of the Church is directed at the same time it is the font from which all her power flows This profound statement about the Eucharist stands at the center of this book by Cardinal Ratzinger In these previously unpublished texts the Prefect of the Congregation for the Doctrine of the Faith and a scholar of international repute leads the reader into the heart of the Christian faith and its central mystery Cardinal Ratzinger compellingly shows us the biblical historical and theological dimensions of the Eucharist The Cardinal draws far reaching conclusions focusing on the importance of one s personal devotion to and adoration of the Blessed Sacrament for the personal reception of Communion by the individual Christian as well as for the life of the Church For Ratzinger the drive toward any transformation of the world on the social plane also grows out of the celebration of the Eucharist He beautifully illustrates how the omnipotent God and Creator comes intimately close to us in the Holy Eucharist the Heart of Life Book jacket *Catholic Book Summaries* Matthew

Leiva-Merikakis, 2021-09-01 To the unstudied eye St Matthew s Gospel can seem a terse narrative almost a historical document and not the tremendously spiritual and doctrinal storehouse that it is In his fourth and final volume of meditations on Matthew chapters 26-28 Father Simeon formerly Erasmo Leiva Merikakis continues to show Matthew s prose to be not so much terse as economical astoundingly so given its depth The lay reader can derive great profit from reading this book Each short meditation comments on a verse or two pointing to some facet of the text not immediately apparent but rich with meaning Father Simeon s work is scholarly but eminently approachable by the lay reader The tone is very much of taste and see how good the Lord is and an invitation of friend come up higher The goal of the book is to help the reader experience the heat of the divine Heart and the light of the divine Word The author addresses both the objective and subjective levels of the Word of God both what it is in itself and what impact it ought to have in our lives Father Simeon comments on the Greek text

demonstrating nuances in the text that defy translation He uses numerous quotes from the Fathers and the Liturgy of the Church to demonstrate the way the Tradition has lived and read the Word of God His theological reflection vivifies doctrine by seeking its roots in the words and actions of Jesus He shows that ultimately the text of the Gospel serves only one purpose to make possible a living encounter with the person of Jesus Christ an encounter that is wholly life transforming Every effort therefore has been made throughout the commentary to show how the presence of Christ in the world has changed the very nature of both history and human experience

Position Papers - January 2023 Position Papers Team, Editorial Pat Hanratty In Passing Pope Benedict XVI Michael Kirke Ratzinger s Vision of Liturgy Patrick Gorevan The true Joseph Ratzinger George Weigel Reading Ratzinger Gavan Jennings McCarthy s companion novels fail to reach previous heights James Bradshaw Brains for empathy and brains for systems argaret Hickey Films of 2022 Michael Cook Heart to Heart Peter John McGregor, 2016-05-13 In Behold the Pierced One Joseph Ratzinger recounts how the composition of a 1981 paper on the Sacred Heart of Jesus had led him to consider Christology more from the aspect of its spiritual appropriation than he had done previously Upon realizing that this same year was the 1300th anniversary of the Third Council of Constantinople he decided to study the pronouncements of this Council and came to believe that the achievement of a spiritual Christology had also been the Council s ultimate goal Ratzinger s conclusion in attempting to define a spiritual Christology was that the whole of Christology our speaking of Christ is nothing other than the interpretation of his prayer the entire person of Jesus is contained in his prayer The spiritual Christology subsequently developed by Ratzinger is one of communio Indeed it is one of theosis Through a personal and ecclesial participation in the prayer of Jesus exercised in purity of heart and consummated in the eucharistic celebration one comes into communion with Jesus Christ and all the members of his Body so that eventually one can say truly It is no longer I who live but Christ who lives in me Gal 2 20

Whose Sacrifice is the Eucharist? Stephen B Sours,2024-07-26 This book explores what Catholics and Methodists believe about eucharistic sacrifice Eucharistic sacrifice refers to the offering that Christ and his church make in the celebration of the Lord s Supper It is therefore both a Christian doctrine and a church practice The sacrificial dimension of the sacrament comes both from Christ s sacrifice on the cross and from his self offering at the Last Supper in which Christ gives himself to the Father on behalf of his people This is my body which is given for you Luke 22 19 The eucharist is a sacrificial meal because in the bread and cup Christians are united to the body and blood of Christ that was sacrificed for them on the cross Moreover the resurrected Lord is really present with his people in the eucharist and while his historic crucifixion is an event in the past Jesus salvation continues and his grace is given to his people in the sacrament for this is my blood of the covenant which is poured out for many for the forgiveness of sins Matthew 26 28 Catholics and Methodists believe that Jesus instructs his followers to repeat his words and actions from the Last Supper in their celebration of the eucharist but a long running assumption is that Catholics and Methodists following the historic Reformation schism are deeply divided over eucharistic sacrifice This book challenges that assumption by analyzing what these churches teach on eucharistic sacrifice from historical sacramental liturgical and ecumenical perspectives Key figures like Thomas Aquinas and John Wesley help define eucharistic sacrifice in each tradition Subsequently authoritative texts such as ecclesial statements eucharistic prayers and hymns further specify what Catholics and Methodists believe they are doing when they offer the eucharist to God Sours

argues that far from being divided Catholics and Methodists have much in common regarding this controversial doctrine

The Pontificate of Benedict XVI William G. Rusch, 2009-04-03 Religion beliefs **Gift to the Church and World**

John C. Cavadini, Donald Wallenfang, 2021-03-22 Few books in theology have faced the twentieth century with all its horrors and yet convincingly revoiced the redemptive Christian antidote that compels us to reawaken to our true identity as beloved children of God Joseph Ratzinger's 1968 masterpiece *Introduction to Christianity* is one of those rare books On the fiftieth anniversary of this classic book's publication English speaking scholars from around the globe gathered at the University of Notre Dame to celebrate Ratzinger's lasting influence on the world of Christian theology Bishops priests and lay men and women set their hands to the trowel of tribute honoring the theological legacy of Joseph Ratzinger and the pivotal role he has played in the recent history of the Catholic Church from his early days as a parish priest and university professor all the way to his election to the Chair of Saint Peter as Pope Benedict XVI Readers of this collection *Gift to the Church and World* will enjoy the beautiful variety of essays penned by notable scholars that decorate the timeless insights of Ratzinger's theological genius Thematic topics include an overview and context of Ratzinger's work fundamental theology philosophical theology dogmatic theology spiritual theology and pedagogy Altogether readers will deepen their appreciation and understanding of the theological contributions of Joseph Ratzinger to the mission field of the New Evangelization today With contributions from Catherine R Cavadini Leonard J DeLorenzo Patrick X Gardner Robert P Imbelli Jennifer Newsome Martin Aaron Pidel Francesca Murphy Anthony J Pagliarini Timothy P O Malley Cyril O Regan Tracey Rowland Richard Schenk HC Anthony C Sciglitano Jr Clemens Sedmak Rudolf Voderholzer *The Eucharist as Orikonso* Damian Onwuegbuchulam Eze, 2008 In this book the author relying on the research he carried out in Igboland Nigeria leads us to see the action of God's grace already active in the Igbo religious culture called Omenala Ndigbo before the coming of Christian missionaries and how these cultural values have prepared the people to receive the Gospel But as he points out these cultural values on which the Christian message ought to have been built from the beginning were grossly misunderstood and neglected The Igbo people are now mainly Christians But because the Gospel has not yet become their culture some of them have double allegiance to the doctrines of the Church and to the practices of Omenala Ndigbo The author opines that to build the Catholic Church in Igboland on a solid foundation the Eucharist must take the central place since the Eucharist makes the Church and is the source and summit of the life of the Church Thus the work which uses the analytical and hermeneutical method known as inculturation is on Eucharistic Ecclesiology from an Igbo perspective and will be useful for the Church both at the local and universal levels for self understanding and renewal ecumenism dialogue and mission *Did Jesus Rise from the Dead?* Matthew Levering, 2019-02-07 The Resurrection of Jesus is at the very root of Christian faith without belief in Jesus Christianity dies In this thought provoking work Matthew Levering defends the credibility of the claim that Jesus rose from the dead Drawing on the work of N T Wright Levering shows that the historical evidence vindicates this assumption and

reveals that the Gospels were backed by eyewitnesses who were living and telling their stories even during the time of the writing of the Gospels The author also emphasises the importance of evaluating the Old Testament to validate Jesus Resurrection By highlighting the desire both in the ancient world and now to make the Resurrection more comprehensible by spiritualizing it Levering argues that the fact that the disciples themselves did not do this provides a further clue to reliability Finally the author addresses the question of why Jesus does not continue to show himself in his glorified flesh after his resurrection which is often seen as a strong case for scepticism However he shows that Jesus entire mission is predicated upon helping us to avoid cleaving to the present world over God He is leading us to where he is the kingdom of God the beginning of the new creation at the Father s right hand By developing these arguments for the historical reality of Jesus Resurrection this ground breaking study expertly draws together historical and theological reasons for believing that Jesus Resurrection happened

Reforming the Liturgy John F. Baldovin, 2016-03-24 2009 Catholic Press Association Award Winner Perhaps no liturgical scholar of our time is better able than John Baldovin to write with clarity and accuracy about the meaning of the church s liturgy and the history of its development in the last half century In this summary volume on the reform of the liturgy since the Second Vatican Council Baldovin pinpoints and assesses both sympathetically and critically the objections to changes in the liturgy since the council focusing on philosophical historical critical and theological questions After addressing each criticism in turn in a final chapter he assesses the critique of post Vatican II liturgy as a whole affirming what is accurate and necessary rejecting what is backward looking and proposing a set of principles to guide future development No one who studies or participates in liturgical action in the twenty first century can afford to overlook this book John F Baldovin SJ is professor of historical and liturgical theology at Boston College School of Theology and Ministry His most recent books include Bread of Life Cup of Salvation and The Urban Character of Christian Worship

First Things ,2007 **Nova Et Vetera** ,2008 *The Catholic World Report* ,2007 *Heart of the Christian Life* Pope Benedict XVI, 2010-01-01 The celebration of the Eucharist in which Jesus Christ becomes present is the center of the Catholic faith This volume brings together substantive texts of the Holy Father on the many aspects and dimensions of the Mass and the Mystery of the Eucharist a rich source for every Christian and a spur to reflection and personal prayer Delivered in addresses and homilies to a wide variety of audiences these reflections reveal the depth and breadth of Pope Benedict XVI s profound and life long love for the Holy Eucharist A major theme throughout the works of Joseph Ratzinger the Real Presence of Jesus in the Eucharist is the Church s source of life unity and fruitfulness This theme has been carried deeply into his pontificate as can be seen in this collection which challenges the faithful to believe that by receiving Christ in Holy Communion they are drawn not only into the very life of God but into the community that is Christ s Body the Church
