The Making of Evangelical Spirituality Jason Cherry,2023-01-05 How did it come to be that evangelicals

expect individualized extrabiblical revelation from God What has happened culturally historically and theologically to make this the ubiquitous assumption of evangelical spirituality The Making of Evangelical Spirituality is a compound of history and theology applied to the subject of evangelical spirituality specifically the phenomenon of evangelicals thinking God spoke to me in a still quiet voice The story is complex multifaceted and urgently in need of telling Few Christians know the history of the spiritual expectations heaped upon them Few know the individuals who gave shape to evangelical spirituality spiritual chieftains who were often guided by uniquely ephemeral social and cultural forces There is no towering figure like Martin Luther that stands as the lone front man for the esoterica of evangelical spirituality Instead it s the osmosis of many fascinating people struggling through life in the storm of worldly and cultural momentum This book is the story of those hermits monks reformers heretics politicians outcasts and preachers who gave shape Failure to tell the story now risks it becoming just another part of historical compost threatening to make evangelicals forever ignorant of what they are tossing into the garden of their soul American Book Publishing Record ,1992 Subject Guide to Children's Books in Print 1997

The Angel'S Riddle James V.

Head,2017-09-29 First century Christians endured severe persecution including death from both the Jews and Romans The Revelation of Jesus Christ was recorded by the Apostle John primarily to give those beleaguered souls strength and hope as their world became increasingly intolerable They needed to know that God had not forgotten them The Angels Riddle is the result of an exhaustive critical analysis of the symbolism and imagery Jesus used to convey His message of hope A

progressive process was used to analyze and decode each part of the message into a clear and concise format This is a deep study meant to be used with your Bible and suitable materials to record any crib notes you may desire to make along the way

Commentary is provided as you progress through the book Details symbols and difficult language are broken down into manageable groups through analysis and comparison to multiple Bible passages backed up by only the Word of God The

Angels Riddle is a critical analysis and study of the most difficult book in the Bible Dont hurry your patience will be rewarded I will attest that though many have tried few could have succeeded as Jim has in peeling back Revelations many layers Jim has summarized centuries of biblical scholarship and pulled together a deep and impressive bibliography In the process he became a Revelation scholar himself Larry Prescott PhD **Subject Guide to Books in Print** ,1997 Paperbound Books
