God Listens Too Taking A Moment To Speak With God:

God Listens Too! Sherri Cheeks, Dessa O. Clinton, Dessa O. Clinton, Ph.D., 2004-06-01 Life is an adventure that captures the essence of humankind's emotions filled with feeling of happiness adversity and triumphs Sometimes these feelings are bottled up inside and our emotional response to the circumstances which may engulf the lives of God's people are difficult to express Nonetheless life often demands more than we are capable of giving and that we continue along the journey regardless of the obstacles that impedes the path to progress What does one do when he or she stumbles upon these hard places along the journey In my collection of poems I have written one for various occasions that will surely encourage many and lift the spirits of others above the pitfalls that accompany life My poems are meant to show how God uses all of humankind's emotions The suffering joy and triumphs are all woven into the gift of life and God uses circumstances for His greater glory

Talk to the Lord, and He Will Listen Dorothy Lacroix, 2014-05-20 Do your pastor's prayers sound too structured and perfect so they seem beyond what you can achieve Are you actually afraid to even try to pray because you might do or say something wrong In this book you will find a new definition of what actually constitutes prayer You will also find ideas on how to pray when to pray and where to pray Hopefully as you read this book your fears will be stilled and you can begin to pray openly and often This is why I wrote it but I did not write it alone The Lord was with me every step of the way and his Holy Spirit helped me whenever I reached a block

A Five-Second Prayer Dr. Ella L. Gates-Mahmoud, 2024-11-08 Receiving a death notice is a surreal experience and I've had that bitter taste twice in my life

Never did I fathom that I'd be walking through the valley of the shadow of death once more. After all, I'd endured since birth. I believed I'd already carried my fair share of suffering. So when the doctor delivered the shattering news of a life-threatening cancerous tumor, it rattled me to the core in a way I never thought I would encounter. What I have come to understand more so now than ever before is that prayer has always found a way to bring my troubled spirit a form of peace that I can understand and a sense of calm and resolution. Even now, as Jews of Israel and Muslims of Palestine continue to fight for what they believe in the Holy Land of Jerusalem, prayer is human communication with the sacred God, gods, the transcendent realm, or supernatural powers. But to label prayer solely as a form of communication is akin to describing a grand symphony as mere notes on a page. Prayer is a tapestry woven with threads of human history, spirituality, and the very essence of our existence. In reality, prayer is a mosaic of multidimensional practices as old as humanity. God, Forgive me. Cleanse me. Make me whole again. Amen.

Pérez-Feliciano, 2014-09-25 God has designed a perfect plan and a specific purpose for each person who has decided to believe in His word. This book will inspire and allow you to dream and believe in the promises that God has declared. If you've been waiting for an answer from God and still haven't heard anything, lower the volume of the noise surrounding you. He is trying to whisper the answer to your problem. Listen because the solution might be in the gentle whisper. *A Moment of Silence* will help you discover your purpose in God and will help you define your position in Him. Its content is light in the midst of darkness and a peace that calms the storm. God speaks in the midst of silence; we simply need to listen. *A Moment of Silence* will provide you with the direction and clarity you need. Don't miss God's blessing in your life for not distinguishing His voice. His voice will give your life direction and guidance to the destiny He has prepared for you. In the midst of your circumstances, the Lord says, "I have a solution, I have a purpose for your life, and I want to reveal it to you as you stay still." Give Me a moment of silence. Are you willing to be silent and listen to Me? If we desire to hear God seeking His presence, should be a priority in our lives. But how difficult this can be at times. I think that one of the greatest challenges we face as believers is to keep our relationship with the Lord as number one in our agenda. For this reason, I am glad to see that God continues to raise willing people such as Landy to share on this very important matter. I invite you to open your heart and get ready to hear what the Holy Spirit wants to speak to you through this book. Lilly Goodman, Psalmist and author of *La realidad de un sueño: The Reality of a Dream*. **God Is Speaking. Are You Listening?** Irving Risch, It was two years ago when I set a goal to read the entire Bible. That in itself was not a big feat for me because I have done it many times before. In fact, I have lost count. This time was a little different. My plan was to set a pace so I could do it four times. When you repeat things, you are

more apt to remember them The end goal was to get a clearer understanding of the Bible as a whole At the same time I was doing this I was involved in a small Bible study group where we were doing a chronological parallel study of the Gospels of Matthew Mark Luke and John All the pieces were starting to fit together When I was young and in school I was not a good student I did not like English or History I was more of a math person I like Science as well All this has changed since I became a Christian It all started when I was almost forty First I taught myself to type My daughter who was in high school at the time brought me one of their last year s typing books and I went through all the lessons I never timed myself but I do all right At least I do not use two fingers anymore The reason I mentioned History is because I took a liking to it I devoted much time to studying church history I am not saying I know everything who does However I have learned some interesting things by studying and researching it Got to love Google for finding things However one has to remember you cannot believe everything you Google This book you are considering came about by all the hours I spent researching and writing about what I learn from the Gospel of John and looking at it in light of all the other scriptures What I am trying to do is pass a little of my knowledge on to you and I hope you enjoy this as much as I did Introduction What if I told you that God wanted to talk to you And He was waiting in the next room and all you had to do was walk through that door and you could have a conversation with Him Well I am pointing you to the door and He is waiting for you to open it so He can come in Christ said I am the door Do you need answers to life s hard questions First open the door because the Lord said Behold I stand at the door and knock If anyone hears my voice and opens the door I will come into him and eat with him and he with me If you just read these words then I ask you can you hear him and did you just not listen to what he said Then come to Christ for he is the way the truth and the life and He said no one could come to the Father except through Me Simply put Christ does not come in without an invitation He outside wants to come into your life He wants to sit down and share a meal with you and fellowship across the table with you But people are so busy with life and dealing with all their problems they say I don t have time to sit and talk to the air They think that God does not hear them or he is not even there I am here to tell you that this is just not true God hears every word and He listens to what you have to say and the best part is he answers you Now our problem is we don t believe this because God never spoke to us like a man would speak but God has a way to commune with us without uttering a word And I can prove this to you if you just read on I can remember the first time that I realized God had spoken to me Not in an audio voice but a direct answer to a prayer You see I wasn t even a Christian yet and God heard my cry of desperation and gave me an instant answer to a prayer I was what man calls down on my luck but now that I look back on it I can see it was God trying to get my attention and not bad luck Sometimes God allows things to fall apart in our lives to get us to turn to him for help I was never a man of prayer or a religious kind of guy so when things started to happen not good things like losing my job the car falling apart not being able to pay the rent not being able to feed my family of six kids and my wife Then getting kicked out of my home running out of fuel oil in the middle of a Minnesota winter just to mention a few

things And not knowing many people because we had just relocated and I had no family to turn too so I thought I would try a little prayer I figured I had nothing to lose because everything was already gone I remember getting down on my knees in a freezing house where I was bundled up in a big overcoat and seeing my breath as I prayed I said Lord if you are out there you are the only one that can help me There was more but this was a faithless prayer because I wasn't even sure that God was going to hear me or that He was even going to answer me Yes I felt like I was talking to the air If you would like to hear the whole story how God spoke to me Go to this link UNSHACKLED And if you just want to read about it go to this link UNSHACKLED And if you just want to read about it just go to the end of this book I will put it there to make it easy for you to find After being convinced that God hears everything I said and He knows everything I did I wanted to know more what He wanted for me in my life At this point my journey began I started my journey by reading His word the Bible Just like humankind needs food to build up the body to live a physical life one needs spiritual food to live a spiritual life Even the Lord said it was written Man shall not live by bread food alone but by every word that comes from the mouth of God And it is said of the Bible that it is God breathed or God inspired Think of it as an orchestra with God being the Composer and the Director and those in the orchestra as being those putting forth what God already revealed The writers those whom God used to pen the words that He composed for humankind The Bible should be like music in a believer's ear Now just like we have an ear for certain music we seem to have a certain book of the Bible that has a sound that we enjoy and I am no different and I like the Gospel of John Maybe it is because it played a big part in bringing me to Christ and making me realize who He is I believe that each writer of the gospels presents Christ differently First Matthew introduces Christ as a King Mark as a Servant Luke as a Man and John as God He brings out the Deity of Christ And for that reason I would like to go through this Gospel of John with you Seeing how John starts his gospel I feel it would be good to look at the word John used to introduce Christ He presents to us The Word Seem strange at first but you will see from the original language what John was doing The New Testament is the Greek New Testament written in Greek and the Greek word used here is but if we only look at this word Word without taking it in the context that John used here we will miss what John is trying to relate to us First the English meaning is a noun a single distinct meaningful element of speech or writing May I add it takes the plural Words to make up a sentence whether written or spoken It is an essential element of speech It is a unit of language No matter what language you speak or write you will find words Second the Greek meaning a word uttered by a living voice embodies a conception or idea Third a Biblical definition is the sayings of God Old Testament prophecy given by the prophets A person As the Living Word

Digging Your Own Well Jacqueline Hurlburt, 2009-12 Jacqueline has spent years taking note of what she has learned She wrote her book because of her love for the Lord and desire to teach others how to live a joyful Christian life that bears fruit bringing glory to our Lord Spiritual vitamins are examples of solutions taken from

the Bible to handle every day trials that have been around since sin entered the world The excerpts listed below are only three of the 31 Jacqueline discusses She has had firsthand experience with successfully applying what she learned from the Word of God Are we angry with God because of our present situation Are we angry because someone has mistreated us Are we angry because of the injustice of an unfavorable court decision Are we justifying our anger by our thinking that God wants us to teach others a lesson Get rid of all bitterness rage anger harsh words and slander as well as all types of malicious behavior Ephesians 4:31 Sometimes we are offended by the remarks from these others and the offense is even more difficult to handle when we know it was a deliberate act Where do we even begin to start working our way through the complexity of loving people we find difficult The answer is simple the Holy Spirit teaches and enables us to do this He teaches us to move beyond the hurt and pain of the offense and to conquer evil by doing good Don't let evil get the best of you but conquer evil by doing well Romans 12:21 From the start to the finish line we need to utilize God's power We are not to be like those who choose to sit on the bleachers and criticize Is the race always an easy one No There may be many bumps in the road but our dedication determination perseverance and love for Jesus will help us run across the finish line as a winner for Him don't let this bad example influence you Follow only what is good III John 1:11
