I am pleased to say that I read these in thirty-one days. Then the idea came to me to put these books together and read them as a separate book. I then proceeded to do that. The idea is for the reader to read and learn more about the word of God. This was more fascinating as I began to learn new things from these books. Then the idea that as you read you could make some notes just to remind yourself about what you read about came to me. Then I began to make the notes. I came up with seven headings under which the reader could make some notes on, and these are: About the book, Relate the book to our current situation, Mark your progress, Reading time, My key verse. **Of the Imitation of Christ.
