God Makes A Start:

Genesis 1-11 God Makes a Start Kevin Perrotta, Gerald Darring, 2010-06 Genesis 1 11 God Makes a Start is an excellent Bible study resource for teens wanting a better understanding of how and why God created the world and why the earliest events of the Bible should matter to us today The stories of Adam and Eve of their sons Cain and Abel of the people who provoked the flood and those who built the tower of Babel all of these stories display our human tendency to overstep our limits as creatures to take control of our lives apart from God to treat one another unjustly The Genesis accounts tell us that our unhappiness stems from our failure to trust and obey our creator Against this background Jesus life and death emerge as a deliberate reversal of the deep rooted human tendency to distrust and disobey God Designed as a guided discovery Six Weeks with the Bible for Catholic Teens introduces high school students to books of the Bible by integrating the biblical text with insightful questions to help youth discern what Scripture means for their lives today The series provides students with a clear explanation of Biblical text opportunities for prayer and a means to enter into conversation with God

Right from the Start Krista Graham, 2016-01-11 True or False A person is a Christian if he or she believes the right things about Jesus True or False A person is a Christian if he or she obeys God s laws True or False A person is a Christian if he or she believes the right things about Jesus and obeys God s laws Would it surprise you to hear the correct answer to all three questions is False Too many people misunderstand their faith at the most foundational level Because of this misunderstanding they pursue Christian growth and maturity in all the wrong ways The result is failure frustration and the inevitable conclusion that Christianity doesn t work Right From the Start is a two part study exploring the truth that Christianity is not a creed or a lifestyle it is a God begotten life growing in you which is spiritual in nature and therefore must be nourished on spiritual food and drink Anchored in the teachings of John part one of this study explores what the Christian s new life is made of and how to nourish it to maturity Part two goes to the next level demonstrating how a new way of living flows out of a new kind of being This is not your typical application stage of Bible study Too often when Bible studies begin to

get practical they cease to be spiritual Spiritual truth gets relegated to the realm of theory and the real day to day Christianity is lived out in the strength of the flesh which essentially means it is not lived out at all This study does not leave the Holy Spirit behind when it comes time to apply the principles learned Rooted in the book of Titus the second part of this study examines the Christian life as a series of portraits of Christ and shows clearly and simply how Christ can be formed in you
