contained When architects design a building or artists draw a painting they first conceive the work that would be completed in their minds before they actually begin working on their project Just like this our God also had our salvation of mankind in His mind even before He created the heavens and the earth and He made Adam and Eve with this purpose in mind And God needed to explain to us the domain of Heaven which is not seen by our eyes of the flesh by drawing an analogy to the domain of the earth that we can all see and understand Even before the foundation of the world God wanted to save mankind perfectly by giving the gospel of the water and the Spirit to everyone s heart So although all human beings were made out of dust they must learn and know the gospel Truth of the water and the Spirit to benefit their own souls If people continue to live without knowing the dominion of Heaven they will lose not only the things of the earth but also everything that belongs to Heaven The New Life Mission <https://www.bjnewlife.org> **Noah's Park Children's Church Puppet Skits, Red Edition**, 2007 The puppet skits are written to reinforce the unit theme and the Bible story for each lesson of Noah s Park Children s Church It s a fun way to transition between sessions *MC: Genesis* Gary Holloway, 2024-04-23 The spirituality of Genesis centers on God as Creator and God as a Faithful Partner In the beginning God The Lord makes all things He is therefore the God of all power and wisdom What s more he creates everything good Very good And when they go bad he still works his good will Things are not the way they were supposed to be Genesis begins the story of a God who is working to make things right When humans abandon their proper place and rebel against the Lord he punishes them as any loving father would But he does not abandon humanity or the rest of his creation Genesis tells the story of how God works in surprising ways through human choices good and bad to reclaim and restore his creation Genesis tells of a faithful God And the Lord in turn expects his people to be faithful That means trusting him especially when his ways do not make sense Abraham is willing to sacrifice his own son Joseph trusts even when he is a slave and a prisoner As we meditate on these stories of those who trusted followed and wrestled with God let us open ourselves to his Spirit Let us trust his inscrutable ways Let us believe God so he might through his covenant of love count us as righteous **A Is for Adam** Ken Ham, Mally Ham, 2011 Verses highlighting a word from each letter of the alphabet describe creation the fall Noah s flood and the tower of Babel and how they fit into God s plan for redemption through Jesus Christ with accompanying background information and suggestions for related activities
