**The Shock of the Cross** Anthony J. Kelly, 2023-11-30 Like it or not the Cross is the uncomfortable scandalous symbol of Christianity There is just no way of avoiding it No other religion professes its faith with the image of a capital punishment It was a gruesome form of torture and death in the ancient Roman Empire and yet women and men wear this symbol on chains around their necks on commitment rings or badges they sign themselves with a Cross before prayers and even sports people are seen making this sign before an event In his years of teaching and writing Tony Kelly has continuously explored they why of this symbol Apart from the historical political reasons that led to Jesus death in this brutal way why this form of death where was God on Golgotha what was the purpose or meaning of this death could it have been avoided These are just some of the questions raised on the cross of Jesus Such questions were first asked by Jesus friends and followers who seem to have had such high expectation of him But these had hopes Lk 24 21 were shattered on Golgotha The shock of his death was compounded by the further shock of his return to them they named their experience as resurrection a word only associated with the last days Death was one thing Resurrection compounded the questions As Jews these friends and followers puzzled their experience in the light of their Jewish scriptures and traditions First Paul then the Gospel writers and then John the visionary mined their scriptures and theology to find ways to communicate the inexpressible From the Foreword by Mary Coloe PBVM

*God Shock* Stefan Rochfort, 2001-08-08 Wake up man you just slept through Armageddon she said roughly shaking the deadweight Saladin by the shoulders He came awake with the bleary eyed reluctance of a teenage boy being torn from a wet dream into a hangover The coroner surveyed the charred collection of bones and pronounced it with astounding professional accuracy dead What the coroner failed to ascertain with accuracy was the true cause of death On the file it all looked very convincing Death by incineration but in fact the onus for Rutherford s death lay with a man whose cranium he had recently sawn into Athena is an info merc She gets paid to sift Intelligent software crafted in her fibre optic nest her sift engines and AI spiders have gained her a healthy profit A client has just made the mistake of paying her too well for a score Curiosity overtakes caution and drops her hard into an adventure that stretches from the madness within to the drug induced climax of the human species A fast epic *God Shock* follows Athena inside an institute where reality is detuned through a hidden city where pleasure has been tweaked into a weapon against the frightening assault of boredom to the beautiful and twisted landscape of a diseased intranet all the way to the threshold of her sanity Luckily her sense of humor is well intact From thought provoking to cynical to downright funny all in all *God Shock* is a good mind bending trip Locus Magazine

**Living in Anticipation of the End-Time** Edwin Zackrison,2022-07-19 Not long ago those who wrote about the end time were preachers the more fundamentalist the more extreme by some standards The end is coming soon they said and cartoons were rampant with guys carrying placards captioned by The End is Near From the time of Christ whose noncritical predictions included such inspiration for the placards the religious prophets could not resist emphasis on such topics Today things are different The scientists and politicians make the predictions Twelve More Years is what we hear from the latter But they don't attack with religious terms They speak of time in the context of climate change and global warming They do not agree on how to interpret the evidence but the religionists also had trouble with agreement Strange interpretations of biblical texts have now gone the way of so called science Various elucidations carry one thing in common none gain consensus Some arguments enter discussions by censuring those who disagree with them Their opponents are not allowed to speak They must remain silent They are called nasty names and unfair methods are used to punish them They try to stop the incongruous from speaking at all Living in the end time demonstrates the conflict between good and evil

**Subterranean** Dan White, 2015-08-24 The landscape of Christian spirituality in the West is no longer lush with green grass and wild flowers blooming Instead across the country we find dry terrain where churches no longer can expect interested seekers yet most of our solutions for addressing this predicament link to anxiety around our performance and personality Rather than going back to the boardroom to cook up new techniques for a trendier church let s ask more meaningfully rooted questions Do we know how to be present in our neighborhoods Do we know how to be present in community Do we know how to be present to the in breaking kingdom of God There is a growing groundswell discovering that we have become uprooted and detached from each other in the way we express being the church We need a subterranean movement that plunges below the surface into a way of being the people of God that carries an unwavering
