Church Doctrine - Book 1 Traumear, 2019 By church doctrine I mean a teaching that helps us realize ourselves as fulfilled human beings in community with one another and with the god who is merciful love No attempt is made to tie in with traditional religions nor with any particular church described or critiqued Personal experience of god as father as Messiah as Jesus constitutes the backbone of what is subsequently fitted out with revealed knowledge and understanding Mysteries are touched on there are many explanations and clarifications much is updated and restated in contemporary language exercises and practices and their benefits are laid out in detail The writer delivers himself of no abstractions but only shows what has worked and still does work for him along the resurrection path to the kingdom of heaven and eternal life and thereafter the ongoing work in the interest of endless world creation and community building **God and the Human Condition. Pause Now Lyla Yastion, 2009-03-16 This handbook in practical spirituality proposes that the level of stress violence fear and disconnect from Nature in the global society has risen in direct proportion to a fall in the collective level of conscious awareness In order to

reverse this trend a conscious impulse is required Human beings need to rediscover the mystical underpinning of all religions and the engine of spiritual transformation the art of presence Only by learning to be present and stay present is it possible to dissolve harmful energy in the form of false opinions and negative feelings and create positive energy that imbues actions with intelligence compassion and respect for the sacredness of all life To this end a practice in sensory awareness is offered It is called the Pause Pausing affirms the body mind continuum by empowering the senses as conduits of conscious awareness When pausing is then applied to ordinary activities such as speaking working thinking and relating to others spiritual evolution accelerates The fruit of a re awakened life is healing for ourselves for society and for the entire Earth community

Does God Suffer? Thomas Weinandy O.F.M.,2000-02-15 The immense suffering caused by sin and evil within the modern world especially in the light of the Holocaust has had a profound impact on the contemporary understanding of God and his relationship to human suffering Since the early part of this century there has been a growing consensus among theologians that God himself within his divine nature suffers in solidarity and love with those who suffer This present theological position contradicts the traditional Christian understanding of almost two thousand years that God is impassible and so does not experience negative emotional states such as suffering Thomas Weinandy O F M resolutely challenges this contemporary view of God and suffering Calling upon scripture and the philosophical and theological tradition of the Fathers and Aquinas Weinandy creatively and systematically addresses all of the contemporary concerns He strongly advocates the incarnational truth that the Son of God actually does experience as man all that pertains to living an authentic human life and so does indeed suffer This book is both a challenge to much received contemporary philosophical and theological wisdom and a scholarly original and refreshing account of the Christian Gospel It is one of the most comprehensive Christian presentations of God and human suffering available today
