## God The Stranger:

**The Stranger's Voice** Carol L. Schnabl Schweitzer, 2010 especially those who have sensed that the denial of the mother's voice has played a critical role in their own self alienation and its melancholy moods will discover that this book has much to offer them as well Donald Capps Princeton Theological Seminary Book Jacket The Weakness of God John D. Caputo, 2020-03-20 The author of What Would Jesus Deconstruct makes a bold attempt to reconfigure the terms of debate around the topic of divine omnipotence Choice Applying an ever more radical hermeneutics including Husserlian and Heideggerian phenomenology Derridian deconstruction and feminism John D Caputo breaks down the name of God in this irrepressible book Instead of looking at God as merely a name Caputo views it as an event or what the name conjures or promises in the future For Caputo the event exposes God as weak unstable and barely functional While this view of God flies in the face of most religions and philosophies it also puts up a serious challenge to fundamental tenets of theology and ontology Along the way Caputo's readings of the New Testament especially of Paul's view of the Kingdom of God help to support the weak force theory This penetrating work cuts to the core of issues and questions What is the nature of God What is the nature of being What is the relationship between God and being What is the meaning of forgiveness faith piety or transcendence that define the terrain of contemporary philosophy of religion Caputo comes out of the closet as a theologian in this work Catherine Keller Drew University Caputo has a gift for explaining Continental philosophy's jargon succinctly and accurately and despite technical and foreign terms this book will engage upper level undergraduates Includes scriptural and general indexes Highly recommended Choice Eighteen Words to Sustain a Life David Patterson, 2023-06-26 In the Jewish tradition going back to Jacob many fathers have written down whatever wisdom they might have attained in their lives in order to pass along that wisdom to their heirs It is called an ethical will Written as a testimony and a testament in an epistolary format this book is a compendium of the wisdom of a father who has spent a lifetime studying the teachings of the Jewish tradition as well as literary and philosophical traditions of the West The insights taken from those traditions which explore the life of the soul are intended for anyone who has a soul The book is organized around eighteen words that form the foundations of human life The number eighteen is taken from the Hebrew word for life chai which has a numerical value of eighteen Among the words at the heart of these reflections are faith goodness responsibility meaning gratitude prayer love and others **Good News from the Barrio** Harold Joseph Recinos, In a world divided by race ethnicity gender violence and hate Harold Recinos's Good News from the Barrio explores the ways in which the good news of the gospel is at work in Latino barrios He challenges Christians to listen to the gospel in these contexts and offer a prophetic witness to the nation and the church The Heart of Torah, Volume 2 Shai Held, 2017-09-01 In this collection of Torah essays Held probes the portions in bold original and provocative ways He mines Talmud and midrashim great writers of world literature and commentators of other religious backgrounds to ponder fundamental questions about God human nature and what it means

to be a religious person in the modern world Back cover      First Belong to God Austen Ivereigh,2024-02-13 This is not a time to hunker down and lock our doors I see clearly that the Lord is calling us out of ourselves to get up and walk From the Foreword by POPE FRANCIS Drawing on the wisdom of Pope Francis and the Spiritual Exercises of St Ignatius of Loyola Austen Ivereigh has written a captivating spiritual guide for our turbulent age Designed as an eight day Ignatian retreat First Belong to God serves as a roadmap to deeper discipleship It does this by focusing on the three foundational forms of belonging to God to creation and to others Structured around the core principles of St Ignatius s Spiritual Exercises First Belong to God encapsulates the key aspects of the Francis pontificate the essence of being God belonging entities the way God s mercy challenges our self reliance the journey to building the Kingdom in the footsteps of Christ heeding the cry of the earth and the stranger striving for fraternity by championing synodality Whether you re embarking on a solitary spiritual expedition or a journey with like minded individuals First Belong to God offers the next best thing to a personal retreat with Pope Francis a full soul immersion into his wisdom via the classic Jesuit retreat that shaped him so profoundly      *And God Spoke to Abraham* Fleming Rutledge,2011-11-01 Sixty superlative sermons on familiar Old Testament texts Many Christian preachers today largely neglect the Old Testament in their sermons focusing instead on the Gospel accounts of Jesus teachings and activities As Fleming Rutledge points out however when the New Testament is disconnected from the context of the Old Testament it is like a house with no foundation a plant with no roots or a pump with no well In this powerful collection of sixty sermons on the Old Testament Rutledge expounds on a number of familiar Old Testament passages featuring Abraham Samuel David Elijah Job Jonah and many other larger than life figures Applying these texts to contemporary life and Christian theology she highlights the ways in which their multivocal messages can be heard in all their diversity while still proclaiming univocally Hear O Israel the Lord our God the Lord is One      **Waging War on War** Giorgio Mariani,2015-12-15 The notion that war plays a fundamental role in the United States idea of itself obscures the rich and by no means naive seam of anti war thinking that winds through American culture Non violent resistance far from being a philosophy of passive dreamers instead embodies Ralph Waldo Emerson s belief that peace can never be defended never be executed by cowards Giorgio Mariani rigorously engages with the essential question of what makes a text explicitly anti war Ranging from Emerson and Joel Barlow to Maxine Hong Kingston and Tim O Brien Waging War on War explores why sustained attempts at identifying the anti war text s formal and philosophical features seem to always end at an impasse Mariani moves a step beyond to construct a theoretical model that invites new inquiries into America s nonviolent nonconformist tradition even as it challenges the ways we study U S warmaking and the cultural reactions to it In the process he shows how the ideal of nonviolence and a dislike of war have been significant if nonhegemonic features of American culture since the nation s early days Ambitious and nuanced Waging War on War at last defines anti war literature while exploring the genre s role in an assertive peacefighting project that offered and still offers alternatives to violence      Satan

Has No Authority Over God's Soldier R. C. Jette, 2019-07-29 This book is meant to illuminate Godlike faith through defining it giving clarification where it comes from revealing how to walk in it and divulging what it is capable of doing God's soldiers must remember that we are in the army of the Lord We are fighting a supernatural enemy bent on our destruction Only Godlike faith knows that Satan has no authority or power over us That knowledge equips us with the ability to overcome the satanic designs that are aimed at our destruction However many Christians are not walking in Godlike faith or living a victorious life in Christ Many are overwhelmed by defeat and discouragement and are allowing Satan to take authority or power that he does not have It's time to walk in the truth that Christ took his authority and gave it to God's soldiers As we learn to walk in the mind of Christ we have Godlike faith that gives no place to Satan his demons or his diabolical plans to destroy us By the time this book is read to the end God's soldiers will take authority over all satanic designs change the entailment and live a victorious life through Godlike faith      *The Coming of the Millennium* Darrell J. Fasching, 2001-01-15 Throughout the last two millennia Christianity understood its divinely mandated mission to be to conquer the world for Christ Too often this proclamation led Christians to imagine that their goal must be the elimination of all non Christians from the world through conversion or when that fails through coercion and violence e g the Inquisition the Crusades anti Semitic persecution Western colonialism etc At the beginning of the third millennium and an age of global diversity Darrell J Fasching argues that it is time for Christians to reject this view of their mission along with the trail of prejudice and violence it has created and replace militaristic metaphors of conquest with the biblical message of hospitality to the stranger When we welcome the stranger according to biblical teachings we welcome God Genesis 18 1 5 the Messiah Matthew 25 35 or an angel of God Hebrews 13 2 Fasching takes us on a journey through the stories of the Bible to show that diversity is God's covenant intention for humanity Consequently the mission of Christians must not be to convert or eliminate non Christians but rather to welcome them as strangers for a world without strangers is a world without God      **The Ethical Challenge of Auschwitz and Hiroshima** Darrell J. Fasching, Professor Emeritus of Religious Studies Darrell J Fasching, 1993-01-01 This book addresses the problem of religion ethics and public policy in a global technological civilization It attempts to do what narrative ethicists have said cannot be done to construct a cross cultural ethic of human dignity human rights and human liberation which respects the diversity of narrative traditions It seeks to do this without succumbing to either ethical relativism or ethical absolutism The author confronts directly the dominant narrative of our technological civilization the Janus faced myths of Apocalypse or Utopia Through this myth we view technology ambivalently as both the object of our dread and the source of our hope The myth thus renders us ethically impotent the very strength of our literal utopian euphoria sends us careening toward some literal apocalyptic final solution The demonic narrative that dominated Auschwitz killing in order to heal is part of this Janus faced technological mythos that emerged out of Hiroshima And it is this mythic narrative which underlies and structures much of public policy in our nuclear age This book proposes a coalition of members

of holy communities and secular groups organized to prevent any future eruptions of the demonic Its goal is to construct a bridge not only over the abyss between religions East and West but also between religious and secular ethics *New Witnesses for God: The Book of Mormon*. 3 v Brigham Henry Roberts,1909 *The Bible: God's Only Religion* Rabbi Moshe Ben-Chaim,2016-05-01 Religions conflict they all cannot be God s word One alone is the truth We must choose but how This book asks the questions we all know we must answer The Bible God s Only Religion is an honest presentation of history facts and religions a rational solution that identifies God s true word Fundamentals are questioned asking the reader to face core issues and religious beliefs Proof must be applied to all areas including religion The author asks the reader to question his or her emotional biases and accepted beliefs which blind man from truth He then exposes the problems in the major religions displaying how the Bible is the only proven word of God Finally he shares astonishing Biblical insights uncovered from God s clues You too will marvel at the depth and wisdom of the Bible not found in any other religion *The Stranger's Touch* Donald E. Mackay,2014-01-20 This book has been called short story fiction literature The stories cover a wide range of genres It contains a bit of soft science fiction easy philosophy and several intense love stories If the question should come up in conversation as to why one should not tempt the Creator this story *The Stranger s Touch* will offer a very good reason why you should avoid that action like the black plague This love story *A Desert Blooms* proves love can bloom anywhere even in the middle of a war zone This next story is about an engagement ring found on a country road and it opens a story about one man who died in war and one man who lived and the woman who lost the ring The two men were on the same bomber that was shot down over France Another story offers the horror for a man who was convicted of murder and sent to prison for life he s innocent but he cannot prove it and he decides to escape A reporter tells this story with a good deal of empathy It was a heart rending tale of sorrow and frustration The Creator moves in all these stories **Living the Hospitality of God** Lucien Richard,2000 Invites readers to an authentic vision of selfhood calling us to be proactive in our interactions with others **The Philosophy of Clint Eastwood** Richard T.
