God39s Best For Your Success:

The Divine Self Revelation Bonnie Bell,2025-07-29 This book has been a personal intimate experience God has guided me through the writing of this book to encourage me to step out in faith It s been a journey that changed my life Writing this book with the Lord made me feel loved happy and hopeful God s words are real I opened my heart to the Lord He set me free from despair darkness distress anguish and terror and through it all God never left me God is real God directed me to read the Bible to hear what He has to say to me The Lord showed me in many convincing ways that He is real Some things written in the book have already happened Some things are happening now and some will happen in the future God knows my whole life God shows me things that I couldn t have known any other way except by a divine revelation I am taught and guided by the Holy Spirit So now enjoy reading this book If you don t understand any part skip it Go back to it later I give God all the glory for His words
