explores the key traits of people who consistently experience powerful partnership with the Holy Spirit thereby invading earth with the atmosphere of heaven God s heart is for His people to be influenced daily by the culture that He inhabits benefiting from His presence in their lives Moreover He wants us to be brokers of His culture It should be so much a part of us that we begin to transform everything and everyone around us When we release the culture of heaven we place people on a direct path to the loving touch of God a touch that can heal them and change their lives forever To experience the culture of heaven ourselves we must set aside distractions so that we can get in tune with God s thoughts and ways Many of us have lost our passion and fire for the Lord as a result we experience very little of heaven s atmosphere Through prayer fasting

sacrificial living and spiritual anointing we can regain a hunger for God and witness His kingdom at work in our world in remarkable ways with supernatural power      *The Young God Chasers* Dian Layton, 2001-04-01 The Young God Chasers curriculum has been designed to take children ages 5-11 on a three year adventure getting to know God and the Word.
