Desmond Alexander, 2012-06-01 This text has been a popular introduction to the Pentateuch for over fifteen years offering a unique alternative to the critical approaches that focus on the composition of these books rather than the actual content With this new edition T Desmond Alexander keeps the book fresh and relevant for contemporary students by updating the references and adding material that reflects recent pentateuchal research as well as the author's maturing judgments The result is a revision that will prove valuable for many years to come **You Shall Tell Your Children** Liora Gubkin, 2007-11-05 Passover is among the most widely observed holidays for American Jews During this festival of redemption Jewish families retell the biblical story of Exodus using a ritual book known as a haggadah often weaving modern tales of oppression through the biblical narrative References to the Holocaust are some of the most common additions to contemporary haggadot However the parallel between ancient and modern oppression which seems obvious to some raises troubling questions for many others Is it possible to find any redemptive meaning in the Nazi genocide Are we adding value to this unforgivable moment in history Liora Gubkin critiques commemorations that violate memory by erasing the value of everyday life that was lost and collapse the diversity of responses both during the Shoah and afterward She recounts oral testimonies from Holocaust survivors cites references to the holiday in popular American culture and analyzes examples of actual haggadot Ultimately Gubkin concludes that it is possible and important to make a space for Holocaust commemoration all the time recognizing that haggadot must be constantly revisited and performed **English Thematic Vocabulary Activities** С. Munayer,Lisa Loden,2011-10-21 Our theology does not exist in a vacuum but must relate to the world we inhabit and must influence our moral and ethical actions This is especially true when discussing theology of the land in the context of a violent territorial conflict The Holy Land has seen so much bloodshed that the earth itself is crying out to God The chapters presented in this book form a unique collection of voices speaking from different perspectives on the issue of the theology of the land These voices include Messianic Jewish and Palestinian Christian theologians and scholars who live in the Holy Land as well as others from around the world The various chapters reflect a wide spectrum of opinion and reveal how much disagreement still exists among followers of Christ However the dialogue generated by having these opposing voices side by side speaking to each other rather than past each other is encouraging This book is both challenging and inspirational and contributes in an innovative way to this important discussion **Noah's Park Children's Church Leader's Guide, Red Edition** ,2007 The crafts in this book coordinate with each lesson in the Noah s Park Leader s Guide Each craft activity is designed to help reinforce the Bible story the children have heard and participated in during the lesson The craft is also designed to help the children and their parents extend the learning even further by linking it to activities they can do at home during the following week Each craft activity in the book has a list of supplies which should be obtained prior to the session
