God In The Classroom:

Serving God in the Classroom Stephen Fyson, 2014-10-15 My particular hope is that this introductory book for there are a number of more detailed text book type publications on this topic will be useful to help those who want to teach more Biblically This book is an invitation to the start of a journey The journey involves recognising more clearly the nature of the world around us and how we can test God's will for us as teachers where ever it is that we teach The book focusses on the concept of character Biblical character is defined by God offering His Grace when we did not and do not deserve it We are therefore called to serve others by recognising this Grace in the teaching gift He gives to us 1 Peter 4 10 11 Such discerning wisdom is the key to staying faithful to this call so our teaching is not reduced to an instructional formula or a controlling social engineering program The purpose of teaching as a Christian is to be an agent of Grace and Truth who invites others to grow up into Christ This is the basis of true character for the Christian teacher *God in the Classroom* R. Murray

Thomas, 2007-01-30 Reviews the controversies surrounding religion in American schools as well as a deeper consideration of the causes consequences and future of the debates **Walking with God in the Classroom**, 2009 *Walking with God in the Classroom* Harro Walter Van Brummelen, 1998 God in My Classroom Ralph Beikmann, 1996 Whether you teach all day every day or once a week for an hour the 41 devotions in *God in My Classroom* will help you understand God's presence in the important work you do Written by a teacher these selections focus specifically on the life of the Christian educator

Bringing Christ to the Classroom Charissa Dunn, 2018-09-13 As a Christian educator have you considered that you probably have more daily ministry opportunities than your pastor You shape the next generation in countless ways through your conduct character and conversation so how can you most effectively share this gift that God has given you Bringing Christ to the Classroom equips you to be an even more effective educator and follower of Christ through investigating scripture illuminating what Jesus did as the master teacher and integrating your discoveries into your instruction and interactions with students Author and professor Charissa Dunn shares her own journey as a Christian educator so that others called to teach can discover what Jesus did to earn the title of the master teacher applying what they learn to their positions as Christian educators Bringing Christ to the Classroom can also help you connect with God's message on a deeper level while you pray for guidance listen to his voice and ask him for transformation God provided you with the talents abilities and experiences required to serve as an educator and he called you as an educator for such a time as this Esther 4 15 By reading and examining the Bible in a new light you will be thoroughly prepared for every good work serving both your students and God in faith Walking with God in the Classroom Harro W. Van Brummelen, 1988 **God in the Classroom** Marjorie E. Cook Adams, 1982-02 **God's Little Lessons for Teachers** Honor Books, 2001 Teaching is an extraordinary career What other calling offers the opportunity to mold so many young lives What an incredible privilege and responsibility But sometimes this task may seem quite overwhelming That's when it's good to know that God's Word provides you with all the

Hodgdon M.ED.,2018-11-21 In our nation Christian teachers are prohibited by law to share the message of salvation through Christ with their students However as highly visible members of their communities teachers have a tremendous opportunity to lead people to Christ directly or indirectly by projecting a life that honors Christ as the person at the head of their classrooms and in their interactions with other stakeholders in the school and community Christ in Your Classroom is a guide for educators who wish to honor God through their work but it also emphasizes the need for Christian integrity and consistency in all areas in one s life Hodgdon provides a candid look into his own life story and his frequent stumbles during his walk with Christ and how God inspired him the least likely of people in his own admission to create this unique manual for educators **God in the Classroom** Marjorie E. Cook Adams,1970 **When God Is in the Classroom** Laura Ackley,Briana Whistler,2022-08-18 *Encounter God in the Classroom* Wayne Frederick Vincent,2020-01-15 A teacher handbook to help students in Christian schools or colleges receive Christ be filled with the Holy Spirit hear God s voice and exercise spiritual gifts *The Love of God in the Classroom* Sylvia Baker,David

Freeman,2005 For the past thirty years almost unnoticed by the wider Christian community in the UK a powerful movement has been developing across the nation The leaders tend to be people that few have heard of The movement has received very little financial backing from either the churches or the Government It has been attended by a sense of great struggle and sacrifice and has had to contend with opposition and verbal abuse Yet the movement in retrospect can rightly be called powerful There are thousands of graduates to the new Christian schools who are already beginning to make their mark on our society The hundred or so schools that are currently in existence are influences for good in the areas where they are situated Much more has been accomplished than the early pioneers would have ever dreamt was possible

God Is with Us: A Teacher Devotional Dru Cox Percy,2021-10-24 God Is with Us was written with a heart to uplift and help other educators to remain faithful to God and recognize that He is with us in the classroom This devotional is designed to encourage and challenge teachers with insightful devotions which use relatable classroom experiences Bible passages godly principles and sincere prayers that will influence readers to recognize and consider God s presence in all aspects of their lives including their classroom A Bible reading is suggested to encourage readers to glean truth from the Word of God Faith is built by reading His Word God Is with Us is compiled of 90 devotions They are divided into ten sections and organized by topics such as classroom practices prayer daily walk and positivity Each devotion is followed with a section for the reader to write thoughts verses and or prayers Circling back to specific devotions throughout the school year for encouragement and or to reflect on previous notes or thoughts is a great idea Rereading the 90 devotions and self reflection pages may lead to further encouragement such as answered prayers student growth and scriptural reinforcement As a bonus a few prayers and poetry have been included The prayers were developed and used at the beginning of a school year before state testing and with the use of Bible verses The poetry was written for the holidays and are some of my favorites Whether the scriptures used devotions shared sincere prayers offered or self reflection written it is essential that we all remember God Is with Us My name is Dru Cox Percy I have been a Christian for over 50 years I have been an educator for over 22 years as an upper elementary school teacher in three different buildings in the same corporation I have been recognized by my colleagues in each building as their Teacher of the Year candidate That honor was based on classroom teaching teacher leadership building cultural influence and community interactions I credit those honors to God s leading and blessing on my life My father was my pastor and counselor He taught me to listen intently consider God s principles in every situation and then draw from the Word of God and apply it to my life He taught me to consider every detail and step in my life from the perspective of God and His Word I have practiced those principles in my classroom and began ten years ago to write my own devotions to lead in my small Bible study groups I m approaching retirement and accepted a challenge by Dr David Jeremiah to take a risk and do something meaningful for the Lord This book came about because I accepted the challenge

Christians as Teachers Geoffrey Beech,2015-12-04 How does teaching Christianly differ from other forms of teaching

How might a Christian teach in a biblical way some commonplace set of facts from a mandated secular curriculum This book considers what a biblical approach to teaching may involve as it emerges from a biblically grounded life and what that might look like in the classroom Rather than speaking of integration of faith and learning it starts from a foundation of Christ the Truth and Lord of all and moves to the development of a framework for classroom practice that includes a need to try to see things from God s perspective All truly Christian education is seen therefore as a profoundly biblical pursuit leading to the revelation of God To do this the book explores the underlying theology and principles out of which our education should flow These principles then allow us to examine such areas as the consideration of a Christian way to teach subjects such as geography and mathematics or even what might be distinctive about the way a Christian teacher may do something as mundane as picking up a pencil
